The discovery of another porphyry

dike, believed to be rich in gold, in

Crook county, has just been announced,

on the southwest end of Powell Buttes,

15 miles from Prineville. Nine persons

located all of it, and as it is not a poor

man's mine, perhaps after 50 years it may

become productive. Just now it sounds

like Owyhee talk in 1863.—Moro

Observer.

I. D. Brown went to Prineville

Tuesday, taking with him the petition

for changes in the road leading from

Madras to Culver. These changes will

only affect the road on the Madras end,

and are for the purpose of establishing

the road on section lines where possible,

instead of having it cut diagonally

through a number of ranches. The

petition was to have been presented

at the last term of the county court,

but did not reach Prineville in time

to be posted for the full thirty

days on the bulletin board at the

court house, and hence cannot be

presented until the March term.

A recent bulletin which discusses

the merits of several methods of

summer-fallowing in Eastern Oregon

and Eastern Washington, and which

also discusses methods of tillage in

putting in Spring crops will be of

special interest to the farmers of this

section. It may be had for the asking,

and every farmer in this section

should secure a copy of Farmers'

Bulletin No. 294. To get it, write to

W. J. Spillman, Department of

Agriculture, Washington, D. C. The

bulletin is prepared by Mr. Byron

Hunter, who made a study of best

methods of farming being used in the
