#### Burke and Goslin Indicted by District Atterney on Perjury Charge, But Never Prosecuted.

Portland, Jan. 28 .- Senator Fulton was again dragged into the conspiracy case of John H. Hall and Edwin Mays yesterday by Special Prosecutor Heney. By the testimony of W. E. Burke and William G. Goslin, former agents for A. B. Hammond, timberland speculator, and at one time president of the Astoria & Columbia River railroad, it was shown that late in 1899 and during 1900 Fulton appeared as attorney for Burke and Goslin and two others, who had been indicted by Hall on a charge of conspiracy to defraud the government by perjury.

Burke and Goslin testified that in September, 1899, they induced 20 transient male residents of the North End to file on as many timberland claims for a consideration of \$2 each for their services, with the express understanding that the claims so filed on should be held for a time and relinquished, when Burke and Goslin, representatives of Hammond, procured lieu land scrip to cover the land included in the relinquishments. Only the prelimi-nary facts by which Fulton, as attorney

for Hammond and his various interests, will be associated with this transaction were brought out yesterday, but Heney promises by the introduction of further evidence this monring conclusively to prove not only that Fulton appeared in legal capacity for the men indicted, but that Hall, as United States attorney, failed to prosecute the alleged perjurers, althouh he had full knowledge of the unlawful filings.
