MODERN WOODMEN OF AMERICA

A few of the reasons why so many are joining the Modern Woodmen of America:

We have 960,000 members with 20,000 outstanding certificates, which is far more than the two next largest Societies combined.

Three assessments missed the first ten months of this year; all claims paid and $3,000,000 cash on hand.

First eight months of this year we issued 100,122 new certificates.

There are 175 of the leading Fraternal insurance societies that have six million members at the present time. The Modern Woodmen have nearly one-sixth of this entire membership.

There are six billion four hundred and fifty million dollars of protection for the widows and orphans carried by the members of these societies.

The M. W. A. carries One Billion Three Hundred and Fifty Million of this amount, or a little more than one-sixth of all the fraternal insurance carried in the United States

The management expense of this great order has cost each member not to exceed the price of one postage stamp per week since starting in business.

We are furnishing GOOD RELIABLE INSURANCE to our members for about one-half what other societies charge.

Net increase in the following societies and cost per thousand, 1906:

	Net Increase 1906	Cost per $1000 at age 30
Artisans	560	$ 7 80
Maccabees	Decrease	12 00
A. O. U. W.	Decrease	10 80
Royal Arcanum	Decrease	13 20
W. O. W.	5,802	10 20
Modern Woodm'n	90,080	5 85

The cost at 30 years of age in the M. W. A. has never exceeded $5.85 per thousand in one year. Compare this with the cost in other societies These are a few of the reasons "WHY" we are writing an average of 12,516 members per month. If this record suits you we want your application for membership. Yours fraternally, J. E. Shears, District Deputy, 522 Chamber of Commerce, Portland, Oregon.
