Trousseau Gowns.

"Trousseau gowns are loveller than ever," says the fashion editor of the Woman's Home Companion, "but as they have increased in beauty, they have lessened in number. Very few brides of to-day, no matter how fashionable they may be, order a trousseau consisting of a great number of costumes. The reason for this is that fashlons change so that it is necessary every little while to have a new-style gown if one is to keep pace with the capriclous modes.

"The bridal princess gown is a style which will be in fashion for a long time to come. One can wear it as long as the material lasts by merely changing the sleeves to meet the requirements of the prevailing fashion."

Work for Live Improvement Society. In small centers of population where none but the most general laws govern it is necessary to form an improvement society to look after the health and well being of the people as a whole, says the Los Angeles Times. The laws of hygiene must be observed. Both sewers and surface drainage should be provided by the people as a whole, and where no city government exists this is a splendid work for a live society for civic betterment.

Beautify School Grounds.

Just at present is a good time for all interested to look over the local schoolyard and consider if it meets their ideas regarding beauty, shade, protection, educational value, etc. If it does not, the time is ripe to "get busy" with others whose interest is equal to yours and try to ameliorate present conditions so that this piece of public property will no longer be a reproach to those in control.

Don't Poison Baby.

FORTY YEARS AGO almost every mother thought her child must have PAREGORIC or laudanum to make it sleep. These drugs will produce sleep, and A FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody without labelling them "poison." The definition of "narcotic" is: "A medicine which relieves pain. and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrups," etc. You should not permit any medicine to be given to your children without you or your physician know of what it is composed. CASTORIA DOES NOT CON-TAIN NARCOTICS, if it bears the signature of Chas. H. Fletcher.

Dr. J. W. Dinsdale, of Chicago, Ill., says: "I use your Castoria and advise its use in all families where there are children."

Dr. Alexander E. Mintie, of Cleveland, Obio, says: "I have frequently prescribed your Castoria and have found it a reliable and pleasant remedy for children."

Dr. J. S. Alexander, of Omaha, Neb., says: "A medicine so valuable and beneficial for children as your Castoria is deserves the highest praise. I find it in use everywhere."

Dr. J. A. McClellan, of Buffalo, N. Y., says: "I have frequently prescribed your Castoria for children and always got good results. In fact I use Castoria for my own children."

Dr. J. W. Allen, of St. Louis, Mo., says: "I heartily endorse your Castoria. I have frequently prescribed it in my medical practice, and have always found it to do all that is claimed for it."

Dr. C. H. Glidden, of St. Paul, Minn., says: "My experience as a practitioner with your Castoria has been highly satisfactory, and I consider it an excellent remedy for the young."

Dr. H. D. Benner, of Philadelphia, Pa., says: "I have used your Castoria as a purgative in the cases of children for years past with the most happy effect, and fully endorse it as a safe remedy."

Dr. J. A. Boarman, of Kansas City, Mo., says: "Your Castoria is a splendid remedy for children, known the world over. I use it in my practice and have no hesitancy in recommending it for the complaints of infants and children."

Dr. J. J. Mackey, of Brooklyn, N. Y., says: "I consider your Castoria an excellent preparation for children, being composed of reliable medicines and pleasant to the taste. A good remedy for all disturbances of the digestive organs."
