Hermann Degner, a son of Mrs. Pauline Degner who resides Southwest of Madras in the Methodist Hill district, had his right leg amputated above the knee at Prineville on Monday of last week. Drs. Belknap & Edwards performed the operation which was entirely successful. The patient stood the operation very well and is now being cared for at the Hotel Prineville, his mother being with him.

An injury to the knee cap five years ago made the operation necessary. Since the injury was sustained the young man has taken treatment at a Portland sanitarium and done everything in his power to have the limb, but a tubercular condition developed in the joint, and amputation was necessary in order to save his life.
