 The revival meetings at the Christian church continue with growing interest and large numbers from Madras and vicinity are taking advantage of the opportunity to hear Evangelist Gregg, who is a pleas- ing as well as impressive speaker. His Sunday meetings were largely attended and listened to with rapt attention, the Sunday night meeting at the M. E. church being one of the largest of the kind ever held in Madras.
 F. A. Young was in town last Monday with his large White "steamer," which he has put on a regular run between Shaniko and Prineville via Madras. This machine will be run in connection with the McCully automobile line, one car leaving Prineville and the other leaving Shaniko every morning. They will each make a round trip every day. The big Thomas car was laid up at Prineville this week for repairs, having burst one its cylinders.

for the treatment of disease. A complete steam heating plant will be installed and an electric elevator will give easy access to the upper floors.
 Four iron fire escaped will make it im- possible to be caught in the building in case of fire and two immense porches reaching to the third floor on both the front and back elevations will give ample and comfortable room for convalescents to enjoy the fresh and invigorating air and will also open up a view across the Columbia and the Mount Adams which cannot be excelled.
 Dr. Ferguson and Reuter were com- pelled to make this addition owing to the fact that they have been unable to accom- modate the patients, who have made ap- plication for admittance, on account of lack of room.
 Drs. Belle and E. E. Ferguson have just returned from a trip of inspection in the hospitals of Germany and other Euro- pean countries and, without doubt, a great many of the methods of those institutions will be adopted in The Dalles Hospital. The Germans are acknowledged to be the leaders in medical science and Dr. Fer- guson purchased all of the most recent appliances invented by them for surgical treatment.
 The new building will have a capacity of more than 60 beds, and its location on the bluff overlooking the city will make it one of the most sightly buildings of The Dalles.
