Section 4. All crosswalks shall be four feet in width and laid of lumber three inches thick and twelve inches wide, laid on 4x6 inch cross-ties laid six feet apart, and securely nailed down with 40d spikes driven one-fourth of an inch below the surface of the board. The outer boards on all crosswalks shall be laid on a level of not less than three inches, with aprons four feet in width reaching from crosswalk to sidewalk.

Section 5. The corners of all sidewalks shall be round and made from timbers ten inches square.

Section 6. Any person, corporation or company violating any of the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof before the Recorder's Court shall be punished by a fine of not less than Ten Dollars or more than Twenty-five Dollars, or be imprisoned in the City Jail one day for each Two Dollars of such fine as may be adjudged against them.

I hereby certify that the above and foregoing ordinance is a true and correct copy of said ordinance and of the whole thereof as passed by the common council of the City of Madras, on the 6th day of September, 1910.

J. H. JACKSON, Recorder.

Howard W. Turner, Mayor.
Mayor Turner, Councilmen Tucker, W. R. Cook, W. H. Cook, W. S. Smith and T. A. Long, Recorder Jackson and Treasurer D. W. Barnett were present at the meeting.

The monthly report of the treasurer showed \$1774.72 on hand Sept. 1st.

The report of the recorder recited that 28 arrests had been brought before the court. Nineteen of these paid fines assessed against them, and the other nineteen had no money so were ordered to leave the city. Moneys from fines, licenses and other sources received by the recorder during the month amounted to \$352.

The regular grist of bills were audited, but as many of them were in connection with the diphtheria cases and will ultimately be paid by the county, they were all turned over to the finance committee for segregation.

"BUFFALO" VERNON AT THE ROUND-UP

Pendleton, Ore., Sept. 5.—"Buffalo" Vernon, the man who has won international fame because of his ability to handle the wildest and strongest bulls and steers with his hands and teeth and who will be one of the premier attractions at the Northwest Round-up to be held in Pendleton, Oregon, Sept. 29, 30 and Oct. 1 of this year, is an Oregon boy. For this reason his ap-

pearance at the Round-up will be awaited with more than the usual amount of interest by all Oregonians. Vernon was raised in Central Oregon and lived there until he was grown. It was while riding the range for his father and neighbors that he acquired his first experience in handling steers and bulls and all of the sears he now wears were not acquired in his famous wrestle with the bull in old Mexico or in his previous and subsequent encounters in the show rings of the country. Some of them were acquired in exhibitions which were witnessed by only a few cowboys in the wilds of Central Oregon.

At the Round-up "Buffalo" Vernon will mount a steer running as fast as six or eight cow punchers can make him go, will stop him with his hands, throw him in the same manner, and then hold him down with his teeth. No one else in the world has ever successfully attempted this feat. He is also an expert fancy roping and rier and will give an exhibition of steer tying and riding on each day of the "Round-up."
