

ORDINANCE No. 17.

(Concluded in this issue)

Sec. 12. Upon the sworn complaint presented to the council by the marshal or any police officer of the City of Madras, or any person or persons whomsoever, charging the violation of any of the terms or provisions of this ordinance by any holder of any license granted under the terms or provisions hereof, the council shall cause the recorder of the City of Madras, at once issue a notice to the person or persons accused by such sworn statement, requiring him or them to appear before the common council of the City of Madras at a meeting thereof, the time and place for which shall be mentioned in said notice, and shall be fixed by the council, then and there to show cause if any there be, why the license issued to such person or persons shall not be annulled and revoked. Such notice shall be delivered by the recorder of the City of Madras to the marshal by the City of Madras, and shall be served by the marshal by delivering a duly certified copy thereof to the person or persons so accused, or leaving the same at his or their place of business in charge of any employee, not less than three days before the meeting of the council, at which the accused is required to appear as aforesaid, and said marshal shall make his return of service upon said notice, showing when, where and how, the same was served, and file the same with the recorder of the City of Madras. At the time mentioned in said notice, and fixed by the council, a meeting of the Common Council of the City of Madras shall be held for the purpose of hearing the testimony relating to the charges preferred by such sworn statement, and if the person or persons accused, after being properly served with such notice, shall fail to appear at said time and place, and show cause why his or their license shall not be revoked, the Council shall consider the holders of said license in default, and shall at once, revoke or annul the license held by him or them under the provisions of this ordinance, or if said accused shall appear, at said

time and place, to answer said charges, the council shall hear the evidence of the parties preferring the said charges, and any witnesses they may produce in support thereof, and they shall also hear the accused and the evidence of any witnesses produced in his or their behalf, and after hearing the same, the Council of the City of Madras, shall be the whole and exclusive judges, and may thereupon in its discretion revoke the license of the person or persons so accused. The proceedings under the provisions of this section shall be in formal, but the testimony of all witnesses shall be under oath administered to the person so testifying by the recorder of the City of Madras and the investigation shall be conducted by the Council to the end that the true facts and circumstances surrounding the charge preferred shall be ascertained, and the action of the Council after conducting such investigation shall be conclusive, and no appeal shall be taken therefrom.

Sec. 13. That if the license be granted to any person under the provisions of this ordinance shall be revoked by the Common Council of the City of Madras, as provided for by Section 12 of this ordinance, and the person holding same shall thereafter barter, sell or give away, or in any manner dispose of any intoxicating, spirituous, malt or vinous liquor within the corporate limits or the City of Madras, such person shall be deemed to have sold intoxicating liquors, malt or vinous liquors, without having procured a license therefor, and he may be prosecuted and punished therefor as though no license had ever been issued to him.

Sec. 14. The proprietor of every saloon, tipping house or bar room, drinking shop or place where intoxicating liquors are kept for sale shall be deemed guilty of a violation of this ordinance whenever any of the terms or provisions thereof, shall be violated by any employee of such proprietor, the same as though such proprietor had been personally present, and had knowledge of such violation, and in such case the employee in violating any of the terms or provisions of this ordinance, and the proprietor of the place where such vio-

lation occurs, shall be held and considered jointly and severally liable therefor.

Sec. 15. Sec. 16. That any person having charge of any building in which spirituous, malt or vinous liquor or intoxicating beverages are kept for sale, or in any manner disposed of, shall at all times of day or night, keep the blinds of his windows, and the screens of his doors so arranged that persons on the street or on the outside of the building shall have a full view of the interior of such building; and any failure to keep the blinds and screens so arranged shall be deemed a misdemeanor, and upon conviction thereof, before the recorder's court, such person or persons shall be fined not less than five or more than twenty-five dollars, or be confined in the city jail one day for each two dollars of such fine as may be adjudged against them.

Sec. 17. And that this Ordinance shall take effect, and all of the terms and provisions thereof be in full force and effect from and after its passage by the Council of the City of Madras and approval by the Mayor.

CULVER JUNCTION
CROOK COUNTY

Besides having the most favorable location on the railroad, Culver Junction has a larger agricultural section to draw from than any other town in Northern Crook County. Substantial development work is under way and a well for townsite purposes has been sunk and an abundant supply of pure water has been found and a pumping plant will be installed as soon as it can be gotten in over the roads. This well will supply water to the townsite and to the farmers in the surrounding community.

Prices of Culver lots have already been substantially advanced over the initial price and another advance will be

made prior to the advent of the railroad. Prices are now reasonable and terms easy, but interest on payments and you should avail yourself of this opportunity at once. The main office of the Deschutes Valley Land & Investment Co., exclusive selling agents, has been removed from Portland to Culver Junction where you may get full information and where we will be pleased to meet you and you in securing a good location. We are here for business and for the upbuilding of not only CULVER JUNCTION but the entire community as well.
