ACCIDENT KNOCKED EARS OFF

Driver Gets Jammed Between Wagon and Wall and Loses His Auricular Appendages.

Philadelphia .-- Just because your ear happens to get knocked off, according to William Driver of 609 West Allegheny avenue, is no reason for getting grouchy in these days of modern surgery. So when he got jammed between his wagon and a wall at Eighteenth and Market streets and one auricular appendage was yanked off and hung on a hook of the wagon, while the other was torn half off through contact with the wall, he was not worried a bit.

Driver just picked the stray ear off the hook and galloped to the Medico-Chirurgical hospital with it. There Doctor King became immediately busy with needle and sutures, or whatever they are and sewed the ear back on the side of Driver's head. Then he sewed the other back in place, and so highly developed that it was an having applied prodigious quantities of plaster and bandages, expressed the belief that the grafting process would be successful.

Driver, who is a driver for the Adams Express company, thought so too, and not only joked with the doctor while the sewing was going on, according to Doctor King, who is a veracious young man, but declined to remain in the hospital, preferring to let his ears grow fast again at home.

Marry to Escape School Rule.

New York .- New York's board of education is alarmed over the increasing marriages of Italian girls sixteen years of age or under who become wives, with their parents' consent, in order to avoid the compulsory educawould not give shippers the relief if physically first, and then do what tion law. Edward B Shallow, who is in charge of the department of compulsory education, says that 15 girls, all under sixteen and several under tourteen years of age, had married and left school within the last three months.

While being a wife does not necessarily exempt them from school attendance, the board finds it difficult to handle such cases.

Twelve Women Sat As Jurora.
