Give Lots for City Hall

The Madras Townsite company has announced its intention of donating two lots to the city as a site for the erection of a city hall and jail, the location of the property having not been definitely decided as yet. This point will be decided by a committee which was selected at the last council meeting. The city will be given the choice lots now remaining unsold. While it is not probable that the city will undertake the construction of a town hall and other buildings in the immediate future, the lots will be deeded to the city as a reservation for future needs.

Madras Defeats Metolius

The Madras baseball team defeated the Metolius players last Sunday afternoon in the first game of the season at the latter place with a score of 2 to 1. Both teams played good ball as is indicated by the score sheet, and while the grounds at Metolius were not in the best of condition, the game furnished diversion for the teams as well as a large crowd of fans who saw the contest. A return game between the same towns is announced to take place on the Madras diamond next Sunday afternoon.
