Call at our store and hear the specially prepared records of bands and other instrumental music, songs, stories, recitations, etc., and assure yourself that this is the best offered. You buy only the records—these records are famous for their tone and quality.

As a home entertainer it has no equal. The best talent in the country is brought right to your fireside to while away the long evenings with comical recitations and songs. An impromptu dance may be gotten up at a moment's notice and here you have the best orchestra of the country to play the dance music. Or you may wish to learn a song and what better instructor can you have than one of the peerless singers to phrase a song over and over again if need be. The possibilities of this wonderful machine for instruction and amusement are endless.

One Standard Talking Machine with handsome flower horn free to every customer whose cash purchases amount to \$50.00. Customers to purchase 12 10-in. records at time of getting machine and 15 more within two months. See and hear this wonderful instrument and learn how easily you can obtain one. One machine to a home.
