PIONEER CONTEST

Continued from page 1.

friends. The schedule of votes has been extended to cover a period of five years. That is as far as it will be extended, and also as far as anyone will be allowed to subscribe, and secure votes for the subscription. This ruling is made to prevent anyone subscribing for the paper for an indefinite length of time at the last moment, and practically buying no subscription will be taken for a longer period than five years.

How To Win

Any young lady who desires to enter this contest and win one of the magnificent prizes offered should see that her name is sent to the contest department.

All that is necessary to win a prize is to receive the largest number of votes, according to the conditions mentioned elsewhere in this announcement.

Each nominator coupon cut from the Madras Pioneer will count 1,000 votes for a candidate. The nomination coupon can be used only once. Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by contestant herself or disposed of in any manner she may see fit.

Any one who wishes to vote in this contest may do so by coupons and nomination blanks clipped from the Madras Pioneer and by special vote ballots obtained by subscribing to the Madras Pioneer. The ballots secured by subscription to the Pioneer may be held as long as desired and voted at any time up to the close of the contest, but coupons cut from the Pioneer are only good for ten days from publication and will not be counted if vote after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district, but may vote for anybody in the race.

Nominations.

Any person as the privilege of nominating one or more candidates. Nominations should be mailed to the contest department at once, as the names of the candidates nominated are published in its issue. Candidates can be nominated after this date but it is a great advantage for each candidate to have her name in early in the game, so that her friends may not agree to work for some other candidate.

It costs absolutely nothing to nominate a candidate.

How Ballots Are Secured

In all cases where ballots are issued subscription must be paid or prepaid.

The full amount of money must be sent direct by mail, paid to local agents or brought our office.

Territory Divided As Follows

District No. 1 will include all territory in the city limits of Madras.
