COUNTY COURT HAS MANY ROAD PETITIONS

Bounty On Coyotes, Bob-Cats and Tim-
ber Wolf Amount to \$497—Loucks
Bros. Wrongfully Assessed

The following court transac-
tions of interest to our readers
are taken from the Prineville
papers:

Viewer report on J. A. Peck
et al. road. Viewers report read
second time in open court and
approved. Said petition is here-
by disallowed and county clerk
is hereby directed to notify the
bondsmen of cost to date and re-
quest immediate payment thereof.

Now is presented to the court
the petitions of H. E. Melton et
al. and R. A. Merchant et al.,
each for a county road, and upon
due consideration it is ordered
that the county clerk forward all
papers relative to said roads to
Fred. W. Wilson, district attor-
ney, for his opinion as to their
validity.

It appears to the court by the
affidavit of Loucks Bros. per C.
C. Loucks, that they had been
wrongfully assessed for the year
1910 for the sum of \$15.95 and
that the sheriff has remitted the
same from the total amount of
their taxes, to-wit: \$75.85. The
county clerk is ordered to credit
the sheriff on the 1910 tax roll
with said \$15.95.

Report of county clerk on scalp
bounty. The report of the county
clerk showing the payment of
bounty on 291 coyote scalps and
40 bob-cat front feet, amounting
in all to \$479.00, is presented to
the court. Said scalps and front
feet were then reduced to ashes
in accordance with the code.

Now is presented to the court
the petition of Albert Moore et al.
for a county road and the same
is hereby continued because there
is no petition or bond and the
notice is defective. County clerk
to notify said Moore of such
defects.

Now is presented to the court
the petition of Charles Thompson
et al. for a county road, and the
same is hereby continued
because of defective notice.
County clerk is directed to notify
said Thompson of such defect.

Petition for county road by
Jacob Hoffman et al. Now is
presented to the court the opin-
ion of District Attorney Wilson
and in accordance therewith said
petition is continued.

Petition for county road by
Roy L. Kidder et al. Also known
as the Walter Ruble road. It is
hereby directed that the county
clerk return all paper and files
herein to the district attorney for
his opinion as to their validity.

The "English"

Here is a style which New York, Boston and the
great Eastern cities have gone wild over. It combines
the practicableness so characteristic of American styles,
with that smart London "air."

It's made up in many bright weaves, has shoulders
which snug up to your own, is slightly form-fitting at the
waist and has an elegant sweep of skirt. In fact, the
"English" is a model after your own heart. A sure
winner. A real, corking style that will make decided
"hit" with you. Of course, if you prefer the looser ef-
fects, we have dozens of them, tailored with precisely
the same care that the "English" is, but built on
broader lines.

The "Stroller"

You must not think from the name of this overcoat
that it is one of those affairs which have so much style
it can only be worn on special occasions or for just
strolling. It is a great coat to wear on a tramp or a
stroll, but it's equally appropriate for business. Its collar
turns up about the neck and ears. Its length gives
ample protection to the limbs. The shoulders are mod-
erately broad. The fabrics are of various colors and
mixtures any or all of which are charming as can be.
You'll not be happy without a Stroller once you let us
show it to you.

Other smart outer garments including the famous
Raglans are here in great number. Don't put off see-
ing them until the season is too far advanced to warrant
a good choice.
