"I am pleased to recommend Chamberlain's Cough Remedy as the best thing I know of and the safest remedy for coughs, colds and bronchial trouble," writes Mrs. L. B. Arnold of Denver, Colo. "We have used it repeatedly and it has never failed to give relief." For sale by M. E. Snook.

Personal and Local

J. W. Baker and family left last week for Bend where they will make their home. Mr. Baker has leased a small lodging-house and hotel at that place.

Rev. Chas. A. Sias, recently pastor of the Christian church, and family left Tuesday morning for his new charge in Spokane. The family takes with them the best wishes of a large circle of friends in this community.

The M. E. church, the church of the people. Divine service next Sunday morning at 11 o'clock, subject, "The Good Cheer of Our Faith." Evening service at 8 o'clock, subject, "A Tale of a City." A welcome to you. Rev. J. J. Pacey, pastor.

J. A. Elbrecht, a railroad laborer at Metolius had his hand badly mashed last week while loading rails. He was brought here and given attention by Dr. Gale. It was thought necessary to amputate two fingers on his left hand. The man was sent to St Vincent's hospital at Portland.

R. T. Olson, president of the Central Oregon Mercantile company, left the first of the week for Portland on a business trip. Mr. Olson said before leaving that the contract for his branch store at Metolius had been let to Rhoades and Lambrecht, and that work would commence immediately. The contract calls for a building 50x60 feet, one story, with full basement.

The Frank Forrest building at O'Neil, occupied for years as a general store by Geo. O'Neil and Joe Larson, was burned to the ground last week. The loss was confined almost entirely to the building as Mr. O'Neil had moved his stock some five or six weeks previous to Hillman. The building contained the postoffice. It was one of the oldest structures in the county, having been built about 1885.

There is little danger from a cold or from an attack of the grip except when followed by pneumonia, and this never happens when Chamberlain's Cough Remedy is used. This remedy has won its reputation and extensive sale by its remarkable cures of colds and grip and can be relied upon with implicit confidence. For sale by M. E. Snook.

Fred Feuerbach, the well known musician, left last Sunday for Prineville, where he will teach music. Mr. Feuerbach is a musician of considerable prominence, and it is with great reluctance that he bids his Madras friends farewell.

Chamberlain's Stomach and Liver Tablets do not sicken or gripe, and may be taken with perfect safety by the most delicate woman or the youngest child. The old and feeble will also find them a most suitable remedy for aiding and strengthening their weakened digestion and for regulating the bowels. For sale by M. E. Snook.

School Meeting
There will be a special meeting of school district No. 22, December 2, 1911, for the purpose of voting a tax for school purposes, and any other business that may come before it.
L. E. Gray, Clerk,
A. C. Sanford, Chairman.
