to hotel, considered
one of the most popular resorts
for people on their way to Mad-
ras and Central Oregon, was to-
tally destroyed by fire last Thurs-
day morning. The fire is said
to have started in the cold-stor-
age building belonging to the ho-
tel, which was located within
two feet of the main building.
Within an hour the hotel was a
total loss, estimated at \$12,000.
There is said to have been about
\$3500 insurance on the building
held by the Condon National
Bank. During the excitement
attending the fire, a thief enter-
ed the Columbia Southern hotel
and robbed the cash register of
\$45. This is the third disastrous
fire in Shaniko within the past
year and is thought to be the
work of incendiaries.

"I had been troubled with constipation
for two years and tried all of the best phy-
sicians in Bristol, Tenn., and they could do
nothing for me," writes Thos. E. Williams,
Middleboro, Ky. "Two packages of Cham-
berlain's Stomach and Liver Tablets cured
me." For sale by M. E. Snook.

CHRISTMAS SERMON BY BISHOP PADDOCK

Noted Divine Takes His Audience
With Him to Bethlehem Where
the Christ Child Was Born

Bishop Paddock, in charge of
the Eastern Oregon division of
the Episcopal church, delivered
an excellent Christmas sermon
at the Christian church last Sun-
day morning. On account of the
short notice given announcing
his coming, only a small audience
was present.

The bishop told the sweet old
story of the birth of Christ, car-
rying his hearers with him on
his trip through the Holy Land
and right to the very place where
the babe of Bethlehem, "wrap-
ped in swaddling clothes and laid
in a manger," was found over
nineteen hundred years ago. He
described in detail the church
and the steps leading to the
manger, where the manger
is located. He also related many
other interesting and instructive
incidents of his journey in the
far east.

Bishop Paddock is probably
better known than any other
divine in the state. For several
years it has been his duty to
visit, as often as possible, every
postoffice and town in Central
Oregon and during that time
many a lonesome trading post,
far from civilization, has been
brightened by these visits. His
friends are numbered by those

who have had the pleasure of
listening to one of his delightful
sermons.

LONG MOTOR TRIP WITHOUT MISHAP

R. P. Shire Returned Last Week From
1500 Mile Journey Through North-
ern California and Nevada

R. P. Shire, local automobile
man, returned last week from a
1500 mile trip through Southern
Oregon, Northern California and
a portion of Nevada, making the
entire journey without a puncture
or mishap of any kind, barring a
slight break just out of Bend on
the return trip. He had with
him as passengers, three travel-
ing men representing a Portland
firm. Mr. Shire said on his re-
turn that with one or two ex-
ceptions he found the roads in
excellent condition, the only bad
ones being in the mountains
or in the extreme low lands. At
Ferdinand, in California, while
motoring in the mountains on
top of the frozen snow, the crust
gave way letting them down into
four feet of snow.

The men whom he had with
him were pleased with the ser-
vice given and signed a contract
to take them out on a three
month's trip next May. Their
1912 tour covers parts of Wash-
ington, Oregon, California and
Nevada. Mr. Shire's machine is
a Stoddard-Dayton.
