Two forgers, working under the names of George Harte and C.W. Mason, got away with \$66 of

Madras money Saturday night, and have neither been seen nor heard of since. Harte cashed two checks purporting to have been drawn by A. P. Clark, on the Madras State Bank, securing \$18 from Martin Phillips and \$17 from Tom McCormack, while his pal Mason, who also works under the name of McAllister, was cashing a similarly forged check, supposed to have been drawn by the same party, at Roush's for \$31.

After securing the cash on the worthless checks they went to Metolius, and late that night made a boast to the effect that they had worked cold checks in Madras, but got away on the north bound train Sunday morr -ing before their statements were verified.

Not until the checks were presented at the bank Monday morning was it discovered b the local victims that they had

YEAR LEAP

Madras Pioneer For One Dollar a Year On February 29

SUBSCRIPTION AND SAVE MONEY

Bargain Day Offer Good Only On February 29th and Only to Those Who Pay Subscription Arrears Up to Last of Month. **Read Following Notice Carefully**

The Madras Pioneer for one year for ONE DOLLAR! Can you beat it? This is the price we are going to make on all future subscriptions which are paid on the TWENTY-NINTH day of February. The only condition necessary for you to profit by this ruling of the Interstate Com- companion, Douglas Tapp, apoffer is that your subscription be paid up to the last day of Februm which have already in case another cold snap should ary, at the old rate. If you are six months in arrears, or a year, or two years, you can pay up the back subscription at the old price of \$1.50 a year, and then under this offer, pay for one, two, three or four years in advance, all at the rate of ONE DOLLAR a year. On the next TENTY-NINTH of February we will repeat this offer, if we still have charge of the paper, thus enabling our subscribers to get the Pioneer continuously for ONE DOLLAR a year. For this reason we will not accept subscriptions for more than four the reduction should go into ef- his compaion wasa ccused of mur-

A large percentage of our subscribers are ranchers, and we roads were successful in securig was known to have had. Tapp would like for them to profit by the offer, and to save them the an extension of time in which to was caught at Burns, and brought gon Well Co. is now installing long trip into town that day, we will accept mail orders at this make the change, same rate, ONE DOLLAR a year, under the following conditions:

The mail order must be received in this office on the TWENTYhere last Thursday and Friday NINTH day of February, or the envelope must show by the regular government postmark, that it was mailed on the TWENTY-NINTH day of this month.

There is absolutely nothing in this offer but good faith toward ver as soon as new quarters can J. H. Barclay, who was injurour patrons. Under the offer you can pay for the paper until the be provided. It is the intention ed at Metolius last month, was TWENTY-NINTH of February, 1916, four years, for FOUR DOL- of the promoters to put up a new down town Wednesday, the first LARS. If paid on the TWENTY-NINTH day of the month this is building, which will be rushed to time since his accident. He the price, but if paid on any other day the paper for the same four completion at the earliest possible looks a little the worse for wears, years will cost you SIX DOLLARS. Be sure to see that all sub- date. The promoters hope to be but is improving. His friends scriptions in arrears are paid, and then get in on this proposition. ready for business by the middle hope to see him around more Remember the offer applies for the ONE DAY ONLY.

Service to Those Who Have Made Connections

When Superintendent Johnson, who is busy now with a gang of men, has finished putting in the twelve fire hydrants, the Madras water system will be completed. It possibly will take until noon Friday before the last of the hydrants are in place, and ready to be used as soon as the fire hose arrives.

More private connections were ing has been heard of the men. made last week, and those who have the water in their houses are just getting to the point now SUPPOSED MURDERED where they cant realize how they managed to get along before without it. Most satisfactory reports of the efficiency of the service are being heard from those who are using the water, and the commission is determined that the same class of service shall be had at all times.
