T. R. Forms New Party

(Continued from 1st page)

Washington. Governor Johnson said: "The delegates here tonight are a majority of the legally elected delegates to the republican national convention and we came here to do what we were instructed to do, but what we were prevented from doing by fraud and force."

Johnson Speech Cheered. Every sentence delivered by Governor Johnson was received with stormy and deafening applause. Cries of "For

vice president, Governor Johnson," were shouted by many in the audience. Governor Johnson spoke of New York as being "benighted." He called the Empire state "darkest America." He said that "even New York must soon see the principles of the direct primary which has come out of the west and is sweeping toward the east."

At the close of his speech Governor Johnson recognized Senator Clapp, who offered the following resolutions:

Resolutions Are Adopted.

"We, delegates and alternates to the republican national convention, representing a clear majority of the voters of the republican party of the nation and representing a clear majority of the delegates and alternates legally elected to the convention, in meeting assembled, make the following declaration:

"We were elected by a majority of the republican voters of our respective districts and states to nominate Theodore Roosevelt in the republican national convention as a candidate of our party for president, and thereby carry out the will of the voters as expressed at the primaries. We have earnestly and conscientiously striven to execute the commission entrusted to us by the party voters.

Denied Justice by Convention.

"For five days we have been denied justice in the national convention. This result has been accomplished by the action of the now defunct national committee in placing upon the preliminary roll of the convention and thereby seating upon the floor of the convention a sufficient number of fraudulently elected delegates to control the proceedings of the convention. These fraudulent delegates, once seated, have by concerted action with one another put themselves upon the permanent roll, where they constitute an influence sufficient to control the convention and defeat the will of the party as expressed at the primaries.

"We have exhausted every known means to head off this conspiracy and prevent this fraud upon the popular will but without success. We were sent to this convention bearing the most specific instructions to place Theodore Roosevelt in nomination as the candidate of our party for president, and we therefore deem it our duty to carry out these instructions in the only feasible way remaining open to us.

"Therefore, be it resolved, that we, representing the majority of the voters of the republican party and of the delegates and alternates legally elected to the national republican convention in compliance with our instructions from the party voters, hereby nominate Theodore Roosevelt as the candidate of our party for the office of president of the United States, and we call upon him to accept such nomination in compliance with the will of the party voters.

"And be it further resolved, that a committee be appointed by the chair to forthwith notify Colonel Roosevelt of the action here taken and request him to appear before us in this hall as soon as convenient."

Governor Johnson of California, was empowered to appoint a committee of seven men to confer with Colonel Roosevelt and formulate a plan of action. It is said several weeks might elapse before the program is decided upon. Governor Johnson in the meantime will act as field marshal and in co-operation with Colonel Roosevelt, will decide upon the membership of the committee of seven to guide the work of organization.

WASHINGTON FIGHT FIASCO

Fourteen Taft Delegates Seated in Convention Without Protest.

Chicago.—The seating of 14 Taft delegates from Washington in the convention without a roll call and without serious protest was in accordance with the plan adopted by the Roosevelt managers when they found there was no chance whatever of reversing the national committee.

Originally it had been planned to make a determined stand on Washington, but Roosevelt advised that the fight be abandoned and his advice was followed by his sympathizers in convention.

Deneen Still Republican.

Chicago.—"I am a republican," said Governor Deneen of Illinois. "The republican national convention nominated Mr. Taft. I am the republican party's candidate for governor. That should be sufficient to state my position. The Illinois delegation refused to allow any 'bolt' that might be proposed."

La Follette Not For Roosevelt.

Chicago.—Walter L. Houser, campaign manager for Senator La Follette, said:

"Senator La Follette expects to continue active work in the ranks of the republican party. He believes that through this party will be carried out the progressive idea."

Hadley Will Not Desert Old Party.

Jefferson City, Mo.—Governor Hadley on his return from the Chicago convention declared his determination not to join Roosevelt's third party movement.
