SALE of TOWN LOTS
SEPTEMBER 19TH

Baker County led in gold production, with an output of \$389,786, of which \$372,405 was derived from 74,585 tons of silicious ore and from tailings. Josephine County produced \$99,363 in gold of which \$86,557 came from placer mines. Of the silver production of 45,221 ounces, over two-thirds came from Baker County. Copper ores yielded the greater part of the 10,436 ounces of silver credited to Josephine County, which also produced about 90 percent of the 1911 output of copper in Oregon.

The United States fuel ship Jupiter, the first electrically driven sea-going vessel ever built and the largest ship of every description ever laid down on the Pacific coast, has been launched at Mare Island navy yard.

A \$100,000,000 corporation has been organized at Los Angeles to develop the potash deposits of Oregon. A 40 year lease has been secured on Sumner and Albert lakes which hold, according to estimates, 3,500,000 tons of potash salts in a soluble state.

Lost.—On the road between Madras and Lamonta, probably nearer the latter, an open face Hampton Gold "case watch," with a piece of chain attached, last Tuesday August 20th. Finder will please notify J. H. Lockard of Madras and receive a liberal reward.

People in the News

Orville Wright, flying a hydroplane in an experimental flight at Dayton, Ohio, took an unexpected plunge into the Miami river when making a turn, and was only saved from death by the shallowness of the stream.

Joseph Johnson, a brakeman on one of the Chapman Timber company's trains, was killed at the camp, 10 miles west of Scappoose. Johnson was helping to load a donkey engine onto a flat car when the heavy skid of the moving donkey truck struck him, crushing him against the front of the locomotive.

Money to Loan, on good approved farm security. Inquire of Howard W. Turner.

A plea to negroes to cease depending on uncertain jobs as a means of livelihood and to enter farming and commercial lines was made by Dr. Booker T. Washington in an address before the National Negro Business league.

To tap a stand of 12,000,000 feet of the finest Douglas fir in existence, the Silver Falls Lumber company will begin immediate construction of a 25 mile logging road, built on main line standards, southeasterly from Silverton, at a cost of \$500,000. Contracts for grading, ballasting and tracklaying have been let to Flagg & Standifer of Portland.

FOR SALE—At the Pioneer Office Legal Blanks of all kinds; Carbon and Typewriter paper, installment Sale contracts, Notes and Receipts.

Miss Dora Keen, of Philadelphia, who led an expedition up Mount Blackburn, reaching the summit May 19 and removing it from the list of Alaska's unscalped peaks, has arrived in Seattle on her way home from the north. Miss Keen says the mountain is 17,500 feet high, instead of 16,140 as shown on the maps.

Caught a Bad Cold
"Last winter my son caught a very bad cold and the way he coughed was something dreadful," writes Mrs. Sarah E. Duncan, of Tipton, Iowa. "We thought sure he was going into consumption. We bought just one bottle of Chamberlain's Cough Remedy and that one bottle stopped his cough and cured his cold completely." For sale by all dealers.

MONEY TO LOAN ON FARMS. See Madras State Bank.

Political News Bits

Speaker Clark will stump Maine for Governor Wilson this week.

With the idea that the country is tired of stumping tours, Governor Wilson has announced that his present plans call for few campaign speeches.
