City Officials Are Nominated

Tuesday evening a mass meeting of the voters of the city was held in the city hall for the purpose of nominating new city officers for the next two years.

The meeting was called to order by Mayor Turner, and the object of the meeting stated, and he was selected chairman of the convention after which P. W. Ashley and J. L. Campbell were selected Tellers and C. E. Roush and D. H. Williams selected as secretaries. There were present about 53 legal voters of the town which was considerably over a majority in the town.

The first matter taken up was the nomination for Mayor, and the names of O. A. Pierce and H. L. Milner were proposed. The total vote stood 40 for O. A. Pierce, and 10 for H. L. Milner, and Mr. Pierce was declared the nominee by the convention.

J. H. Jackson was again nominated for recorder, and D. W. Barnett was also nominated for treasurer, both by acclamation.

After some discussion as to how the convention should vote on the three councilmen to be elected, it was decided to vote on all at once and the three receiving the highest number of votes were to be placed on the ballot. FREE FRUIT LAND AT Paisley

DON'T BE AFRAID OF U. S. GOVERNMENT CAREY ACT IRRIGATION PROJECTS IN OREGON.

The day of irresponsible irrigation companies in this state is past. When the Northwest Townsite Company of Philadelphia took over the Paisley Project in Lake County, it gave the largest bond ever given in the state—fifty thousand dollars—guaranteeing completion of the project. Every three months it makes an itemized statement of expenses to the Desert Land Board. All of its advertising books, maps, contracts, subscription agreements and literature is submitted to the Desert Land Board for inspection before being issued.

The land is level, free from rock, and is a rich Volcanic Ash Soil. The climate is perfect for fruit, which now grows to perfection at Paisley.

APPLES PEACHES PLUMS PEARS PRUNES

Construction work upon the dam and reservoir has now been in progress for three months, with Thomas Hawthorn, State Inspector, on the ground. He was formerly with the U. S. Reclamation Service on the Umatilla Project. Send for 32 page illustrated book. Go to Paisley by automobile stage from Bend and see the land. Our agent at Paisley, Hugh K. Gilmore, will show you the land. It is free to those who pay the cost of putting water on it.

Northwest Townsite Company is among the largest taxpayers in Oregon, owning townsite sub-divisions at Prineville, Madras, Redmond, Bend, Burns, Vale, and also the 840-acre Conn ranch at Paisley, including a 50-barrel-a-day capacity flour mill and general store.
