

MAKE A NOTE OF IT.—Readers, it is a noticeable fact that not one of the Abolition organs in Oregon dare publish their State platform. You cannot find it in any of them. The third resolution—in favor of elevating the inferior races to social and political equality with the whites—is found to be too strong a dose for the majority of Republicans, even, so they suppress the whole thing, and are careful not to make any allusion to it; but, instead, they devote their whole energies to the vilification of their political opponents, thereby hoping to obscure the rottenness of their own position. It won't do, Messrs. Abolitionists. You must come out of the shell.—Reporter.

FATE OF THE APOSTLES.—Matthew is supposed to have suffered martyrdom, or was slain in the city of Ethiopia. Mark was dragged through the streets of Alexandria, in Egypt, till he expired. Luke was hanged to an olive tree in Greece. John was put in a boiling cauldron at Rome, but escaped death; he died a natural death in Ephesus, in Asia. James the Great was beheaded in Jerusalem. James the less was thrown from a pinnacle; and beaten to death. Philip was beheaded. Bartholomew was skinned alive. Andrew was crucified and pounded while dying. Thomas was run through with a lance. Jude was shot through with arrows.

AT LEAST TWO-THIRDS OF THE DISEASES with which the human family are afflicted, are brought on by the want of attention to the condition of the blood. Whenever the blood becomes impure, no matter from what cause, the effects of such impurity are immediately felt, either in one way or another; and unless measures are at once taken to remove such impurities, the whole system becomes affected, and a long fit of sickness and sometimes death is the result. Dr. Samuel Adams, a well-known Chemist of San Francisco, has discovered certain herbs and roots, mostly of California growth, which he has combined with Sarsaparilla and Iodide of Potas, and succeeded in procuring a Medicine that, while it is entirely harmless in every particular, will in a short time completely eradicate from the Blood all impurities, of whatever nature, and will restore the patient to perfect ROBUST HEALTH. The preparation is called "ADAMS' BLOOD PURIFIER," and is for sale at wholesale at the UNITED STATES DRUG STORE, Corner of Bush and Powell sts., San Francisco, AND BY ALL DRUGGISTS. [No 16-3m]
