CHARACTER.—The most trifling actions that effect a man's credit are to be regarded. The sound of your hammer at five in the morning or at nine at night, heard by a creditor, makes him easy six months longer; but if he sees you at a billiard table, or hears your voice at a tavern when you should be at work, he sends for his money the next day.—Franklin

GOOD FOR DICKENS.—Charles Dickens declined a recent invitation to read before Victoria on the ground that he would not go as a performer where he was not received as a gentleman. Mr. Dickens is almost equal to self-government.

BULWER, the novelist, in a letter to gentleman in Boston, says: "I have closed my career as a writer of fiction. I am gloomy and unhappy. I have exhausted the powers of life chasing pleasure where it was not to be found.

HENRY BUNNELL, of Windsor, went into his cellar to cut up some potatoes for his cows, when he stumbled and fell upon his knife, which penetrated his heart, causing instant death.

ONE of the regular writers for the New York Tribune is a lady, the wife of a prominent custom-house official.

Two young men in Troy, while serenading a young lady, were badly scalded by the enraged papa's throwing hot water upon them.

The first green corn of the season appeared in the San Francisco market on the 29th of May, selling at five bits per dozen.

LAST year freight from the Missouri river to Salt Lake was 30 cents. This year only 12 cents.

AT LEAST TWO-THIRDS OF THE DISEASES with which the human family are afflicted, are brought on by the want of attention to the condition of the blood. Whenever the blood becomes impure, no matter from what cause, the effects of such impurity are immediately felt, either in one way or another; and unless measures are at once taken to remove such impurities, the whole system becomes affected, and a long fit of sickness and sometimes death is the result. Dr. Samuel Adams, a well-known Chemist of San Francisco, has discovered certain herbs and roots, mostly of California growth, which he has combined with Sarsaparilla and Iodide of Potas, and succeeded in procuring a Medicine that, while it is entirely harmless in every particular, will in a short time completely eradicate from the Blood all impurities, of whatever nature, and will restore the patient to perfect ROBUST HEALTH. The preparation is called "ADAMS' BLOOD PURIFIER," and is for sale at wholesale at the UNITED STATES DRUG STORE, Corner of Bush and Powell sts, San Francisco, AND BY ALL DRUGGISTS. [No 16.3m]
