

Henry A. Wise Lecturing.

Henry A. Wise, of Virginia, lectured in Alexandria May 12th, and in the course of his remarks made the following observations:

"You might call the father a rebel, if you please, but he (the speaker) was alive to defend the dead against the charge of treason or rebellion. [Applause.] A little further on he remarked that there was no power on earth that could make him move one step from old Virginia. He had made no confessions and taken no test oaths, and there was no power which could make him take one. He was no traitor—that he would swear before high Heaven. If he were one he should deserve to be shot. He had taken no oath of allegiance, for he was not a foreigner to be naturalized. For two centuries his forefathers had lived in the old Commonwealth of Virginia, and their bones rested in her soil. He then asked how many of the foreigners who were present at the surrender of the Confederate army at Appomattox Court-house could say that this war had only proved the truth of the three issues of political wisdom written by William Penn, according to whom 'the form of a Government was but an inferior consideration—the worst form in good hands being about as good as the best, and the best form, in bad hands, being almost as bad as the worst.' He claimed to have always had the highest regard for the Constitution of the United States, and said that when the Government of the United States called upon him to suppress insurrection, and on the other hand his State called upon him to repel invasion, it was simply a conflict of sovereignties, and he was not responsible for his acts individually in obeying the voice of his State."

POINTING A DRINK. Pointing a moral. The devil once proposed to a monk to commit murder, perpetrate a robbery, or take a drink. Being, according to the narrative, in the power of his Satanic Majesty and compelled to choose, he preferred to take a drink; and subsequently was guilty of robbery and murder.

The Greatest Medical Discovery OF THE AGE! A CERTAIN AND SPEEDY Cure For

NERVOUS AFFECTIONS, THIS MEDICINE Is A Purely Vegetable preparation, and has never been known to fail in affecting a permanent cure in the following cases:

AGUE, ANXIETY, LOSS OF APPETITE ASTHMA, BRONCHITIS, RHEUMATISM, CHOLERA-MORBUS, CONVULSIONS, CHOLIC, DYSENTERY, DELIRIUM TREMENS, MENTAL OR PHYSICAL DEBILITY, DYSPEPSIA, GOUT, FITS, HEADACHE, HYSTERIC, HEART DISEASE, PALSY, IMBECILITY, IMPOTENCY, SUPPRESSED-MENSUS, NEURALGIA, PLUTIC, RESTLESSNESS, St. VITUS' DANCE, Stricture, Tic Doloroux, Whooping Cough, Etc. Columns of certificates of cures might be published, sufficient to satisfy the most skeptical that this medicine is all the discoverer claims for it. Persons with any of the above diseases, will do well to give it a trial before dosing themselves with mineral poisons; that, while they sometimes afford temporary relief, always leave behind them the seeds of some other disease, oftentimes far worse than that which they are given to cure.

Watt's Nervous Antidote Is a perfectly harmless preparation, and can be given to an infant without fear of injury. In fact, there are many persons who give it to crying babies as a soothing syrup, with miraculous effect. The Antidote is for sale by all Druggists.

ADAMS' BLOOD PURIFIER.

For diseases having their Origin from the Impurity of the blood and derangement of the System.

THIS BLOOD PURIFIER is a concentrated compound of Sarsaparilla, Yel. low Dock, Wild Cherry, Dandelion, with Iodide of potass, and several other of the most efficacious remedies known in the vegetable world, and will exert an immediate effect on the system, and if persisted in for reasonable length of time, will eradicate all latent poison from the blood.

IT CONTAINS NO MERCURY OR MINERAL POISON. For Sale by all Druggists. Price 75 Cts. per Bottle. no. 16, 3m.

Adams' Blood Purifier

Cures Scrofula or king's evil, Tumors, Ulcers, Sore, Eruptions, rimples, Bloches, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring worm, Cancer or Cancerous Tumors, Sore Eyes, Female Disease, Liver Complaints, Dyspepsia, Costiveness, Dropsy, Sick Headache, Rheumatism in all its forms Sore mouth, etc., and in fact all diseases brought on by impure blood.

AS A SPRING MEDICINE, To Cleanse the Blood, leaving it free from all Humors and IMPURITIES,

ADAMS' BLOOD PURIFIER Is admitted to be the very best Preparation known.

Adams' Blood Purifier. UNLIKE Most preparations for purifying the blood, This Purifier does not contain mercury in any shape. It exerts an immediate influence upon the system, and if the use of it is persisted in for a reasonable length of time, it will eradicate all latent poison from the blood and restore the patient to perfect health.

SKIN DISEASES. To remove all Cutaneous Eruptions from the Skin, USE ADAMS' BLOOD PURIFIER.

AT LEAST TWO-THIRDS OF THE DISEASES with which the human family are afflicted, are brought on by the want of attention to the condition of the blood. Whenever the blood becomes impure, no matter from what cause, the effects of such impurity are immediately felt, either in one way or another; and unless measures are at once taken to remove such impurities, the whole system becomes affected, and a long fit of sickness and sometimes death is the result. Dr. Samuel Adams, a well-known Chemist of San Francisco, has discovered certain herbs and roots, mostly of California growth, which he has combined with Sarsaparilla and Iodide of Potas, and succeeded in procuring a Medicine that, while it is entirely harmless in every particular, will in a short time completely eradicate from the Blood all impurities, of whatever nature, and will restore the patient to perfect ROBUST HEALTH. The preparation is called "ADAMS' BLOOD PURIFIER," and is for sale at wholesale at the

THE NEWPORT LOAN AND HOMESTEAD Association!

OFFER the following inducements to Capitalists and settlers:—to all those who will become members of our association, a

HOMESTEAD FREE WILL BE GIVEN In the new city of NEWPORT!

SOLANO County, California, Opposite Antioch and New York, at the mouth of the

SAN JOAQUIN AND SACRAMENTO RIVERS, Which has been regularly laid out, surveyed and put upon record;

Title Perfect.

Being a Patent From the United States. And Contains over 20,000

Building Lots! FIVE THOUSAND

To be given away Or distributed Free!

To such as shall first apply for a lot, and a good Clear DEED given at once (unconditionally) leaving it at the option of the party whether to improve or not; but it is expected that those taking one of the GIFT LOTS will use their influence in directing persons seeking a home in California, to the New City and County. By doing that, they will get more to settle than if they were to improve themselves.

NO CHARGE FOR THE DEED! MONEY LOANED to such as BUILD Immediately, on the premise, at LOW rates of INTEREST.

A glance at the map of California is all that is necessary to satisfy any reflecting mind of the judicious selection of this magnificent site for a new city, which has never been subject to overflow from the flooding or rise of the bay or river in winter, as the warehouses and wharf were built at a time of the highest flood last winter. The vast region of fine country around it is fast filling up, and if the uninterrupted navigation from San Francisco to Sacramento increases as it has done for the last five years; there is no reason why NEW-PORT should not become a

Great and Commercial CITY! It being a midway stopping place for the steamers daily from San Francisco to Sacramento. Already, at and around Newport there is a large number of inhabitants. They have also a

POST OFFICE, STORE, LARGE WAREHOUSE, AND MAGNIFICENT WHARF, 200 feet long by 100 feet wide!

Which cost the proprietors upwards of \$10,000. The Farming Country in Solano county cannot be surpassed. Fine soil, springs of pure water, &c. The climate is milder, both in summer and winter, than almost any other part of California. A city with such a situation, surrounded by so magnificent a country must have a GREAT AND GLORIOUS DESTINY!

A ferry is established between this port, Antioch and New York, making the distance only 35 miles by land to San Francisco, being a saving of over 100 miles to those who drive stock to that market.

Some persons not realizing the immense rise on property in new cities, may say, "How can we afford to give away so many lots, not knowing how many may be actual settlers?" Why, gentlemen, if by giving away five hundred lots we can induce one hundred to settle, then the rise in the value of our lots will more than pay for those given away, and those holding the remaining lots are the owners of a handsome property. Remember Newport is to be the terminus of the Pacific Railroad, and

The very lots you now receive, may, in less than three years, be worth Thousands of Dollars!

We would therefore say to those who desire to avail themselves of this liberal offer, to join the Association at once.

FARMS FOR SALE,

Of five, ten, twenty or forty acres, In the immediate vicinity, at a low price, To those who will make improvements during the coming year.

Any person of respectability can become a member of the Association by remitting five dollars to the President or Secretary, upon receipt of which he will receive a deed of one of the best lots in the City—25 by 100 feet—and a receipt of membership. Both deed and receipt will be sent free of expense.

One half of the amount received will go towards purchasing from the old company their magnificent wharf, warehouse, farm, dwelling houses and stores, and 2000 acres of land—including the whole water front of the city, which extends two miles on the Bay. One-quarter of the amount received will be advanced to parties who will improve their lots. The other quarter, or balance, will be expended for expenses; making deeds, buying siamps, etc. As soon as the 5000 lots are disposed of, the Company will own a city over two miles square; two miles of which will be bounded on the Bay, where fifty wharves could be built, enabling the largest vessels to load, being at the head of navigation. This property will then be divided pro rata to each subscriber, giving to each a very handsome sum. As the number sold will increase the balance, it is presumed that each stockholder will receive from \$100 to \$1000 for each certificate issued, having now a large number of Subscribers.

ANY MECHANIC who will send us the names of five others besides his own, will receive his lot free.

In sending money to us, register your letter through the post office, or by Wells, Fargo & Co.'s Express at our risk.

For plan of the city, showing the location of blocks and lots, or bills, or any other information, please call on, or address "Newport Loan and Homestead Association.
