

French Medical Office.

Dr. JULIEN PERRAULT, Dr. of Medicine, of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptist Society of San Francisco.

Dr. Perrault has pleasure to inform patients and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North East Cor. Montgomery and Sacramento streets, San Francisco, Rooms Nos. 9, 10, 11, first floor, up stairs, entrance, either on Montgomery or Sacramento st.

Dr. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and physical debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward. Patients laboring under this complaint will complain of one or more of the following symptoms: Nocturnal Emissions, pains in the Back and Head, Weakness of memory and Sight, discharge from the Urethra on going to stool or making water, the Intellectual faculties are Weakened, Loss of memory ensues, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that sight and hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations faintings, coughs and slow fever; while some have external rheumatic pains, and numbness of the body. Some of the most common symptoms are pimples in the face, and itching in different parts of the body, patients suffering from this disease should apply immediately to Dr. PERRAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and impotence in six to eight weeks.

Patients suffering from Venereal disease in any stage, Gonorrhoea, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

Dr. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic disease can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till they are worn out and discouraged, to call upon us.—Low charges and quick Cures.

Ladies suffering from any Complaint incidental to their sex, can consult the doctor with the assurance of relief.

FEMALE MONTHLY PILLS.

Dr. PERRAULT is the only agent in California for Dr. Biot's Female monthly pills. Their immense sale has established their reputation as a female remedy, unapproached and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On receipt of five dollars these pills will be sent by mail or express to any part of the world, secure from damage or curiosity.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERRAULT, corner of Sacramento and Montgomery sts., Rooms, 10 and 11, or Box 973, P. O. San Francisco, stating the case as minutely as possible, general habits of living, occupation &c. &c.

THE NEWPORT LOAN AND HOMESTEAD Association?

OFFER the following inducements to Capitalists and settlers: to all those who will become members of our association, a HOMESTEAD FREE WILL BE GIVEN In the new city of NEWPORT!

SOLANO County, California, Opposite Antioch and New York, at the mouth of the SAN JOAQUIN and SACRAMENTO RIVERS,

Which has been regularly laid out, surveyed and put upon record;

Title Perfect.

Being a Patent From the United States. And Contains over 20,000

Building Lots!

FIVE THOUSAND.

To be given away Or distributed Free!

To such as shall first apply for a lot, and a good Clear DEED given at once (unconditionally) leaving it at the option of the party whether to improve or not; but it is expected that those taking one of the GIFT LOTS will use their influence in directing persons seeking a home in California, to the New City and County. By doing that, they will get more to settle than if they were to improve themselves.

NO CHARGE FOR THE DEED! MONEY LOANED to such as BUILD Immediately, on the premise, at LOW rates of INTEREST.

A glance at the map of California is all that is necessary to satisfy any reflecting mind of the judicious selection of this magnificent site for a new city, which has never been subject to overflow from the flooding or rise of the bay or river in winter, as the warehouses and wharf were built at a time of the highest flood last winter. The vast region of fine country around it is fast filling up, and if the uninterrupted navigation from San Francisco to Sacramento increases as it has done for the last five years, there is no reason why NEWPORT should not become a

Great and Commercial CITY!

It being a midway stopping place for the steamers daily from San Francisco to Sacramento. Already, at and around Newport there is a large number of inhabitants. They have also a POST OFFICE, STORE, LARGE WAREHOUSE, AND

MAGNIFICENT WHARF.

200 feet long by 100 feet wide! Which cost the proprietors upwards of \$10,000. The Farming Country in Solano county cannot be surpassed. Fine soil, springs of pure water, &c. The climate is milder, both in summer and winter, than almost any other part of California. A city with such a situation, surrounded by so magnificent a country must have a GREAT AND GLORIOUS DESTINY.

A ferry is established between this port, Antioch and New York, making the distance only 25 miles by land to San Francisco, being a saving of over 100 miles to those who drive stock to that market.

Some persons not realizing the immense rise on property in new cities, may say, "How can we afford to give away so many lots, not knowing how many may be actual settlers?" Why, gentlemen, if by giving away five hundred lots we can induce one hundred to settle, then the rise in the value of our lots will more than pay for those given away, and those holding the remaining lots are the owners of a handsome property. Remember Newport is to be the terminus of the Pacific Railroad, and

The very lots you now receive, may in less than three years, be worth Thousands of Dollars!

We would therefore say to those who desire to avail themselves of this liberal offer, to join the Association at once.

FARMS FOR SALE.

Of five, ten, twenty or forty acres. In the immediate vicinity, at a low price. To those who will make improvements during the coming year!

Any person of respectability can become a member of the Association by remitting five dollars to the President or Secretary, upon receipt of which he will receive a deed of one of the best lots in the City—25 by 100 feet—and a receipt of membership. Both deed and receipt will be sent free of expense.

One half of the amount received will go towards purchasing from the old company their magnificent wharf, warehouse, farm, dwelling houses and stores, and 2000 acres of land—including the whole water front of the city, which extends two miles on the Bay. One-quarter of the amount received will be advanced to parties who will improve their lots. The other quarter, or balance, will be expended for expenses; making deeds, buying stamps, etc. As soon as the 5000 lots are disposed of, the Company will own a city over two miles square; two miles of which will be bounded on the Bay, where fifty wharves could be built, enabling the largest vessels to load, being at the head of navigation. This property will then be divided pro rata to each subscriber, giving to each a very handsome sum. As the number sold will increase the balance, it is presumed that each stockholder will receive from \$100 to \$1000 for each certificate issued, having now a large number of subscribers.

ANY MECHANIC who will send us the names of five others besides his own, will receive his lot free.

In sending money to us, register your letter through the post office, or by Wells, Fargo & Co.'s Express at our risk!

For plan of the city, showing the location of blocks and lots, or bills, or any other information, please call on our address "Newport Loan and Homestead Association."
