

Sorrow for the time levels the highest distinctions of ranks, but do not grieve as those who have no hope.

GENEROSITY WISDOM.—The truly generous is the truly wise; and he who loves not others' lives unblest.

THE SOCIAL SCALE.—In proportion as we ascend the social scale, we find as much mud there as below, only it is hard and gilded.

THE SECRET OF SUCCESS.—Young men who form a proper estimate of their own power seldom fail to make a figure in the world.

The Domestic Circle is always too small to allow of rupture; it is always too precious to make excusable any neglect to prevent or heal disturbance.

Delicate Relations are like the polish of costly cutlery; dampness corrodes, and rust, though removed, leaves a spot.

Trifles, with no direct object, are too frequently magnified into mountains of intentional offense. Let us guard against it.

GENIUS, MERIT, LEARNING, AND GOOD BREEDING.—Great genius renders a man famous; great merit procures respect; great learning esteem; but good breeding alone ensures love and affection.

French Medical Office.

DR. JULEN PERRAULT, Dr. of Medicine, of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

Dr. Perrault has pleasure to inform patients and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North East Cor. Montgomery and Sacramento streets, San Francisco. Rooms Nos. 9, 10, 11, first floor, up stairs, entrance, either on Montgomery or Sacramento st.

Dr. PERRAULT's studies have been almost exclusively devoted to the cure of the various forms of Nervous and physical debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward. Patients laboring under this complaint will complain of one or more of the following symptoms: Nocturnal Emissions, pains in the Back and Head, Weakness of memory and Sight, discharge from the Uretha on going to stool or making water, the Intellectual faculties are Weakened, Loss of memory ensues, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that sight and hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations faintings, coughs and slow fever; while some have external rheumatic pains, and numbness of the body. Some of the most common symptoms are pimples in the face, and aching in different parts of the body. Patients suffering from this disease should apply immediately to Dr. PERRAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and impotence in six to eight weeks.

Patients suffering from Venereal disease in any stage, Gonorrhœa, Gleet, Strictures, Bubo Ulcers, Cutaneous Erptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

Dr. PERRAULT's diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic disease can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till they are worn out and discouraged, to call upon us.—Low charges and quick cures.

Ladies suffering from any Complaint incidental to their sex, can consult the doctor with the assurance of relief.

FEMALE MONTHLY PILLS.

Dr. PERRAULT is the only agent in California for Dr. Biot's Female monthly pills. Their immense sale has established their reputation as a female remedy, unapproached and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On receipt of five dollars these pills will be sent by mail or express to any part of the world, secure from damage or curiosity.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERRAULT, corner of Sacramento and Montgomery sts., Rooms, 10 and 11, or Box 978, P. O. San Francisco, stating the case as minutely as possible, general habits of living, occupation &c. &c.

All communications confidential. 24

WRITTEN BY A DEMOCRAT:

NOW READY:

A Youth's History

OF

THE GREAT CIVIL WAR.

One Vol., 16 mo, 484 pages with Illustrations, price, \$1.50.

This work is designed to furnish the Youth of the country a candid and impartial History of the Great War through which we have just passed, from a Democratic standpoint. The minds of our youth are being poisoned and mis-educated by the false and partial histories of the Abolitionists, and it is of great importance for the welfare of our country that the real Disunionists, as they are now proving themselves to be, shall be properly portrayed. The great importance of a sound juvenile literature has long been felt and acknowledged, and as this is the first attempt to furnish it, the Publishers respectfully solicit the encouragement of the public, and the assistance of the Democratic press. By professing great devotion to "freedom," the Abolition or Republican party succeeded in deceiving thousands, particularly of the young men of our country, who, in the first flush of youthful patriotism, were seduced by its artful phrases into joining it. This book will correct their error, and is just such a work as every Democrat North or South, ought to place in the hands of his children, to give them a correct idea of the late war and its causes. The style of the entire volume is such as to be easily understood by a child twelve years old. At the same time it is adapted to adult readers, making, in fact an Illustrated History of the War for the low price of \$1.50.

Enclose the Green Backs and send to Van-
evrie, Horton & Co., 162, Nassau st. N. Y.,

AN OFFER.

In order to increase our circulation
abroad—in the States and elsewhere, we
propose to furnish the COURIER one year
to those ordering it sent to any of the
states east, or California, for the low price of
two DOLLARS. There is destined for many
years to come, to be a large-emigration annually
seeking homes on the Pacific Slope, and
every dollar expended by the people of Yam-
hill County in the way of directing attention
to the superior inducements offered em-
igrants to settle in Yamhill County, will yield
a four fold return.

The Territory and resources of Yamhill
County are ample to sustain fifteen
times its present population!

There is scarce one in the County who
has not a friend or friends in the States or
California to whom to send the county paper,
who would in all probability be glad to send
fin exchange to such friends here, a paper
from their locality.
