VEGETABLE PAIN KILLER!

THE

Great Family Medicine of
the Age.

TAKEN INTERNALLY CURES:

Sudden Colds, Coughs, &c. Weak stom-
ach, General debility, Nursing sore mouth,
Canker, Liver Complaint, Dyspepsia and In-
digestion, Cramps and pains in the stomach;
Bowel Complaint, Painters' Colic, Asiatic
Cholera, Diarrhoea and dysentery.

TAKEN EXTERNALLY CURES:

Boils, Felons, old sores, Severe Burns and
scalds; Cuts, Bruises and sprains, Swelling
of the Joints, Ringworm and Tetter, Broken
Breasts, Frosted Feet and Chillsblains, Tooth
ache, Neuralgia and Rheumatism.

The PAIN KILLER is by universal con-
sent allowed to have won for itself, a fame un-
surpassed in the history of medical prepara-
tions. Its instantaneous effect in the entire
eradication and extinction of PAIN in all its
various forms incidental to the human family,
and the unsolicited written and verbal testi-
mony of the masses in its favor have been,
and are, its own best advertisement.

The ingredients which enter into the PAIN
KILLER, being purely VEGETABLE, render it a
perfectly safe and efficacious remedy taken in-
ternally as well as for external applications,
when used according to directions. The
slight stain upon linen from its use in exter-
nal applications, is readily removed by wash-
ing in a little alcohol.

Washington, Pa, June 2, 1866.

Messrs. Perry Davis & Son.

Dear Sirs:—During a residence of some
ten years as missionary in Siam and China, I
found your Vegetable PAIN KILLER a most val-
uable remedy for that fearful scourge—the
Cholera.

In administering the medicine, I found it
most efficacious to give a teaspoonful of PAIN
KILLER in a gill of hot water sweetened with
sugar. Then after about 15 minutes begin
to give a table spoonful of the same mixture,
every minute until relief is obtained. Apply
hot applications to the extremities. Bathe
the bowels and stomach with the PAIN KILLER,
clear, and rub the limbs briskly.

Of those who took the medicine faithfully
in the way stated, about eight out of ten re-
covered. Truly yours,

R. TELFORD.

[From the Providence Advertiser.]

The foreign and domestic demand for Per-
ry Davis & Son's great medicine—the Pain-
killer—was never so large as has been of
late; and we think the time has arrived when
the declaration may be made without the pos-
sibility of refutation, that the City of Provi-
dence, in the State of Rhode Island, of the
United States of America, has furnished the
entire habitable globe with a medicine, which,
in point of universality of demand, extent of
usefulness, complete efficiency for all pur-
poses for which it is designed, and widespread
popularity, has never been equalled by any
general patented medicine invented and is-
sued either in Europe or America.

To the Public.

The PAIN KILLER has won for itself a
reputation unsurpassed in the history of medi-
cal preparations. It is as well known in the
trading posts of India and China as N. York
and Boston; and its continually increasing
demand, where it has longest in use, is one
of its strongest recommendations and best
advertisements. In 1839 this remedy first
came into general use, since which it has
grown rapidly into public favor, till, in thou-
sands of families it has come to be considered
an article of such necessity, that a supply is
never wanting to resort to in case of accident
or sudden illness. We often hear it said of
it, "We would as soon think of being with-
out flour in the house as without PAIN Kil-
ler" and that with an earnestness of tone
that speaks more than even this language.—
It is much in its favor that it is a purely veg-
etable preparation; and while it is prompt
and efficient in its action it is always safe
and reliable. To this quality is indebted for
the name—PAIN KILLER—of which, it has
proved itself so worthy; a name easily under-
stood, and not easily forgotten.

It has been eminently successful in Chol-
era, curing hundreds of the severest cases;
and never, to our knowledge, having failed in
a single instance, when it was used accord-
ing to directions, in the earlier stages of the
disease. In curing FEVER and AGUE, and
other diseases incident to our western and
southern climates, no medicine has been more
successful. For a cold, it is almost a specific,
and Rheumatic Neuralgic affections often give
way to it when all other remedies have failed.
It is eminently a FAMILY MEDICINE, and kept
ready for resort in case of accident or sudden at-
tack of disease, it has saved many hours of
suffering, and many a dollar in doctor's bills.

It has been tested in every variety of cli-
mate, and by almost every nation known to
Americans. It is the almost constant com-
panion of the missionary and the traveller
and it has won so itself firm friends where
ver it has become known.

We have received unsolicited many testi-
monials, showing its remarkable success in
curing Sudden Colds, Coughs, Sore Throat,
Diphtheria, Fever and Ague, Headache,
Billion's Fever, pains in the side, Back, and
Loins, as well as in the Joints and Limbs;
Neuralgic and Rheumatic pains in any part
of the system, Toothache and pains in the
Head and Face.

As a Blood Purifier and Tonic for the
Stomach, it seldom fails to cure Dyspepsia,
Indigestion, Liver Complaint, Acid Stomach,
Heartburn, Kidney Complaint's, Sick Head-
ache, Piles, Asthma or Phthisic, Ringworms,
Boils, Felons, Whitlows, Old Sores, Swelled
Joints, and General Debility of the System.

It is also a prompt and sure remedy for
Cramp and pain in the Stomach, Painters'
Colic, Diarrhoea, Dysentery Summer Com-
plaint Cholera; Morbus. Cholera Infantum,
Scalds, Burns, Sprains, Stings of Insects,
Scorpions, Centipedes, and the Bites of Poi-
sonous Insects and Venomous Reptiles.

To the name of our medicines, "PAIN KIL-
LER," which is our trade mark, we have the
exclusive right, which we have never failed
to sustain in law in any of the numerous ac-
tions brought against parties putting up or
selling articles under that name, or one so
similar as to mislead the public; and we
would caution the public against all imita-
tion of our preparation, either in the name or
style of putting up.

We continue to prepare the PAIN KILLER
from the best and purest materials, and
with a care that ensures the most perfect
uniformity in the medicine.

The above Medicine is constantly kept on
hand and for sale by Drs. WHITE & WESTER-
FIELD, Druggists, Lafayette, Oregon.

French Medical Office.

DR. JULIEN PERRAULT, Dr. of Medicine, of
the Faculty of Paris, Graduate of the Uni-
versity Queen's College, and Physician of
the St. John Baptist Society of San Fran-
cisco.

Dr. Perrault has pleasure to inform pa-
tients and others seeking confidential medical
advice, that he can be consulted daily at his
office, Armory Hall Building, North East Cor.
Montgomery and Sacramento streets, San
Francisco, Rooms Nos. 9, 10, 11, first floor,
up stairs, entrance, either on Montgomery or
Sacramento st.

Dr. Perrault's studies have been almost
exclusively devoted to the cure of the various
forms of Nervous and physical debility, the
results of injurious habits acquired in youth,
which usually terminate in impotence and
sterility, and perniciously induce all the
concomitants of old age. Where a secret in-
firmity exists involving the happiness of a
life and that of others, reason and morality
dictate the necessity of its removal, for it is
a fact that premature decline of the vigor of
manhood, matrimonial unhappiness, compul-
sory single life, etc., have their sources in
causes, the germ of which is planted in early
life, and the bitter fruit tasted long afterward.

Patients laboring under this complaint will
complain of one or more of the following
symptoms: Nocturnal Emissions, pains in the
Back and Head, Weakness of memory and
Sight, discharge from the Urethra on going to
stool or making water, the Intellectual fac-
ulties are Weakened, Loss of memory ensues,
Ideas are clouded, and there is a disinclina-
tion to attend to business, or even to reading,
writing or the society of friends, etc. The pa-
tient will probably complain of Dizziness,
Vertigo, and that sight and hearing are
Weakened and sleep disturbed by dreams,
melancholy, sighing, palpitations faintings,
coughs and slow fever; while some have ex-
ternal rheumatic pains, and numbness of the
body. Some of the most common symptoms
are pimples in the face, and itching in differ-
ent parts of the body, patients suffering from
this disease should apply immediately to Dr.
PERRAULT, either in person or by letter, as
he will guarantee a cure of Seminal Emissions
and impotence in six to eight weeks.

Patients suffering from Venereal disease in
any stage, Gonorrhoea, Gleet, Strictures,
Bubo Ulcers, Cutaneous Eruptions, etc., will
be treated successfully. All Syphilitic and
Mercurial Taints entirely removed from the
system.

DR. PERRAULT'S diplomas are in his office,
where patients can see for themselves that
they are under the care of a regularly educated
practitioner. The best references given if
required.

Patients suffering under chronic disease
can call and examine for themselves. We in-
vite investigation; claim not to know every-
thing, nor to cure everybody, but we do claim
that in all cases taken under treatment we
fulfill our promises. We particularly request
those who have tried this boasted doctor, and
that advertised physician, till they are worn
out and discouraged, to call upon us.—Low
charges and quick Cures.

Ladies suffering from any Complaint in-
cidental to their sex, can consult the doc-
tor with the assurance of relief.

FEMALE MONTHLY PILLS.

DR. PERRAULT is the only agent in Califor-
nia for Dr. Biot's Female monthly pills. Their
immense sale has established their reputation
as a female remedy, unapproached and far in
advance of every other remedy for suppres-
sions and irregularities, and other obstruc-
tions in females. On receipt of five dollars
these pills will be sent by mail or express to
any part of the world, secure from damage or
curiosity.

Persons at a distance can be cured at
home, by addressing a letter to DR. PERRAULT,
corner of Sacramento and Montgomery sts.,
Rooms, 10 and 11, or Box 978, P. O. San
Francisco, stating the case as minutely as
possible, general habits of living, occupation
&c. &c.
