

NOW READY:  
A Youth's History  
OF  
**THE GREAT CIVIL  
WAR.**

One Vol., 16 mo., 484 pages with illustrations;  
price, \$1.50.

This work is designed to furnish the Youth of the country a candid and impartial History of the Great War through which we have just passed, from a Democratic standpoint. The minds of our youth are being poisoned and mis-educated by the false and partial histories of the Abolitionists, and it is of great importance for the welfare of our country that the real Disunionists, as they are now proving themselves to be, shall be properly portrayed. The great importance of a sound juvenile literature has long been felt and acknowledged, and as this is the first attempt to furnish it, the Publishers respectfully solicit the encouragement of the public and the assistance of the Democratic press. By possessing great devotion to "freedom," the Abolition or Republican party succeeded in deceiving thousands, particularly of the young men of our country, who, in the first flush of youthful patriotism, were seduced by its artful phrases into joining it. This book will correct their error, and is just such a work as every Democrat North or South, ought to place in the hands of his children, to give them a correct idea of the late war and its causes. The style of the entire volume is such as to be easily understood by a child twelve years old. At the same time it is adapted to adult readers, making, in fact an Illustrated History of the War for the low price of \$1.50.

Enclose the Green Backs and send to Van-  
evrie, Horton & Co., 162, Nassau st. N. Y.,  
and get a copy. You will be pleased with it.

VEGETABLE PAIN KILLER!  
THE  
Great Family Medicine of  
the Age.

TAKEN INTERNALLY CURES:

Sudden Colds, Coughs, &c. Weak stom-  
ach, General debility, Nursing sore mouth,  
Canker, Liver Complaint, Dyspepsia and In-  
digestion, Cramps and pains in the stomach;  
Lowel Complaint, Painters Colic, Asiatic  
Cholera, Diarrhoea and dysentery.

TAKEN EXTERNALLY CURES:

Boils, Felons, old sores, Severe Burns and  
scalds, Cuts, Bruises and sprains, Swelling  
of the Joints, Ringworm and Tetter, Broken  
Breasts, Prurient Feet and Chills, Tooth  
ache, Neuralgia and Rheumatism.

The PAIN KILLER is by universal con-  
sent allowed to have won for itself, a fame un-  
rivalled in the history of medical prepara-  
tions. Its instantaneous effect in the entire  
eradication and extinction of PAIN in all its  
various forms incidental to the human family,  
and the unsolicited written and verbal testi-  
mony of the masses in its favor have been,  
and are, its own best advertisement.

The ingredients which enter into the PAIN  
KILLER, being purely VEGETABLE render it a  
perfectly safe and efficacious remedy taken in-  
ternally, as well as for external applications,  
when used according to directions. The  
sight upon men from its use in exter-  
nal applications, is readily removed by wash-  
ing in a little alcohol.

Washington, Pa, June 2, 1866.

Messrs. Perry Davis & Son.

Dear Sirs:—During a residence of some  
ten years as missionary in Siam and China, I  
found your Vegetable PAIN KILLER a most val-  
uable remedy for that fearful scourge—the  
Cholera.

In administering the medicine, I found it  
most efficacious to give a teaspoonful of PAIN  
KILLER in a gill of hot water sweetened with  
sugar. Then after about 15 minutes, begin  
to give a table spoonful of the same mixture,  
every minute until relief is obtained. Apply  
hot applications to the extremities. Bathe  
the bowels and stomach with the PAIN KILLER,  
and rub the limbs briskly.

Of those who took the medicine faithfully  
in the way stated, about eight out of ten re-  
covered. Truly yours,

R. TELFORD.

[From the Providence Advertiser.]

The foreign and domestic demand for Per-  
ry Davis & Son's great medicine—the Pain-  
Killer—has never so large as has been of  
late, and we think the time has arrived when  
the degradation may be made without the pos-  
sibility of refutation, that the City of Provi-  
dence in the State of Rhode Island, of the  
United States of America, has furnished the  
entire habitable globe with a medicine, which,  
in point of universality of demand, extent of  
usefulness, complete efficiency for all pur-  
poses for which it is designed, and widespread  
popularity, has never been equalled by any  
general patented medicine invented and in-  
troduced either in Europe or America.

**To the Public.**

The PAIN KILLER has won for itself a  
reputation unsurpassed in the history of me-  
dical preparations. It is as well known in the  
trading posts of India and China as N. York  
and Boston; and its continually increasing  
demand where it has longest in use, is one of  
its strongest recommendations and best ad-  
vertisements. In 1839 this remedy first  
came into general use, since which it has  
grown rapidly into public favor, till, in thou-  
sands of families it has come to be considered  
an article of such necessity, that a supply is  
never wanting to resort to in case of accident  
or sudden illness. We often hear it said of  
it, "We would as soon think of being with-  
out flour in the house as without PAIN KIL-  
ler," and that with an earnestness of tone  
that speaks more than even this language.—  
It is much in its favor that it is a purely vege-  
table preparation; and while it is prompt  
and efficient in its action it is always safe  
and reliable. To this quality is indebted for  
the name—PAIN KILLER—of which it has  
proved itself so worthy; a name easily under-  
stood, and not easily forgotten.

It has been eminently successful in Chol-  
era, curing hundreds of the severest cases;  
and never, to our knowledge, having failed in  
a single instance, when it was used accord-  
ing to directions, in the earlier stages of the  
disease. In curing FEVER and AGUE, and  
other diseases incident to our western and  
southern climate, no medicine has been more  
successful. For a cold, it is almost a specific,  
and Rheumatic Neuralgic affections often give  
way to it when all other remedies have failed.  
It is, originally a FAMILY MEDICINE, and kept  
ready for resort in case of accident or sudden at-  
tack of disease, it has saved many hours of  
suffering, and many a dollar in doctor's bills.  
It has been tested in every variety of climate,  
and by almost every nation known to  
Americans. It is the almost constant com-  
panion of the missionary and the traveller  
and it has won to itself firm friends where  
ver it has become known.

We have received unsolicited many testi-  
monials, showing its remarkable success in  
curing Sudden Colds, Coughs, Sore Throat,  
Diphtheria, Fever and Ague, Headache,  
Biliousness, Pains in the side, Back, and  
Loins, as well as in the Joints and Limbs;  
Neuralgia and Rheumatic pains in any part  
of the system, Toothache and pains in the  
Head and Face.

As a Blood Purifier and Tonic for the  
Stomach it seldom fails to cure Dyspepsia,  
Indigestion, Liver Complaint, Acid Stomach,  
Heartburn, Kidney Complaint, Sick Head-  
ache, Piles, Asthma or Phthisis, Ringworms,  
Boils, Felons, Whitlows, Old Sores, Swelled  
Joints, and General Debility of the System.

It is also a prompt and sure remedy for  
Cramp and pain in the Stomach, Painters'  
Colic, Diarrhoea, Dysentery, Summer Com-  
plaint, Cholera Morbus, Cholera Infantum,  
Scalds, Burns, Sprains, Stings of Insects,  
Scorpion, Centipedes, and the Bites of Poi-  
sonous Insects and Venomous Reptiles.

To the name of our medicines, "PAIN KIL-  
LER," which is our trade mark, we have the  
exclusive right, which we have never failed  
to sustain in law in any of the numerous ac-  
tions brought against parties putting up or  
selling articles under that name, or one so  
similar as to mislead the public; and we  
would caution the public against all imita-  
tion of our preparation, either in the name or  
style of putting up.

We continue to prepare the PAIN KILLER  
from the best and purest materials, and  
with a care that ensures the most perfect  
uniformity in the medicine.

The above Medicine is constantly kept on  
hand and for sale by Drs. WHITE & WESTER-  
FIELD, Druggists, Lafayette, Oregon.

**French Medical Office.**

Dr. JULIEN PEREAULT, Dr. of Medicine, of  
the Faculty of Paris, Graduate of the Uni-  
versity Queen's College, and Physician of  
the St. John Baptist Society of San Fran-  
cisco.

Dr. Pereaault has pleasure to inform pa-  
tients and others seeking confidential medical  
advice, that he can be consulted daily at his  
office, Armory Hall Building, North East Cor.  
Montgomery and Sacramento streets, San  
Francisco. Rooms Nos. 9, 10, 11, first floor,  
up stairs, entrance, either on Montgomery or  
Sacramento st.

Dr. Pereaault's studies, have been almost  
exclusively devoted to the cure of the various  
forms of Nervous and physical debility, the  
results of injurious habits acquired in youth,  
which usually terminate in impotence and  
sterility, and permanently induce all the  
concomitants of old age. Where a secret in-  
firmity exists involving the happiness of a  
life and that of others, reason and morality  
dictate the necessity of its removal, for it is  
a fact that premature decline of the vigor of  
manhood, matrimonial unhappiness, compul-  
sory single life, etc., have their sources in  
causes, the germ of which is planted in early  
life, and the bitter fruit tasted long afterward.  
Patients laboring under this complaint will  
complain of one or more of the following  
symptoms: Nocturnal Emissions, pains in the  
Back and Head, Weakness of memory and  
Sight, discharge from the Urethra on going to  
stool or making water, the Intellectual fac-  
ulties are weakened, Loss of memory ensues,  
Ideas are clouded, and there is a disinclina-  
tion to attend to business, or even to reading,  
writing or the society of friends, etc. The pa-  
tient will probably complain of Dizziness,  
Vertigo, and that sight and hearing are  
weakened and sleep disturbed by dreams,  
melancholy, sighing, palpitations, faintings,  
coughs and slow fever; while some have ex-  
ternal rheumatic pains, and numbness of the  
body. Some of the most common symptoms  
are pimples in the face, and aching in dif-  
ferent parts of the body. Patients suffering from  
this disease should apply immediately to Dr.  
PEREAULT, either in person or by letter, as  
he will guarantee a cure of Seminal Emissions  
and impotence in six to eight weeks.

Patients suffering from Venereal disease  
in any stage, Gonorrhoea, Gleet, Stricture,  
Bubo Ulcers, Cutaneous Eruptions, etc., will  
be treated successfully. All Syphilitic and  
Mercurial Taints, entirely removed from the  
system.

Dr. PEREAULT's diplomas are in his office,  
where patients can see for themselves that  
they are under the care of a regularly educated  
practitioner. The best references given if  
required.

Patients suffering under chronic disease  
can call and examine for themselves. We in-  
vite investigation; claim not to know every-  
thing, nor to cure everybody, but we do claim  
that in all cases taken under treatment, we  
fulfill our promises. We particularly request  
those who have tried this boasted doctor, and  
that advertised physician, till they are worn  
out and discouraged, to call upon us.—Low  
charges and quick Cures.

Ladies suffering from any Complaint in-  
cidental to their sex, can consult the doc-  
tor with the assurance of relief.

**FEMALE MONTHLY PILLS.**

Dr. PEREAULT is the only agent in Califor-  
nia for Dr. Biot's Female monthly pills. Their  
immense sale has established their reputation  
as a female remedy, unapproached and far in  
advance of every other remedy for suppres-  
sions and irregularities, and other obstruc-  
tions in females. On receipt of five dollars  
these pills will be sent by mail or express to  
any part of the world, secure from damage or  
curiosity.

Persons at a distance can be cured at  
home, by addressing a letter to Dr. PEREAULT,  
corner of Sacramento and Montgomery sts.,  
Rooms, 10 and 11, or Box 978, P. O. San  
Francisco, stating the case as minutely as  
possible, general habits of living, occupation  
&c. &c.
