ENTERTAINMENT BY THE GOOD TEMPLARS.

On Tuesday eve. last, in accordance with previous arrangements and announcement, Lafayette Lodge met and after hurriedly disposing of the business of the Lodge, the doors of the Hall were thrown open for all who felt disposed to be present and witness the further proceedings, which consisted in prayer by Rev. G. H. Greer, music by the Lodge choir with piano accompaniment, reading of the *Iron Bound Bucket* and refreshments. The choir fairly excelled itself, the "Bucket" was exquisitely "done," while all hands enjoyed the sumptuous repast prepared for the occasion, with a hearty relish. The occasion was well patronized, the Hall being pretty thoroughly crowded.

We had intended to have made some extracts from the *Bucket*, but the editors failed to favor us with an "exchange."

LIST OF JURORS for the April term, 1867, of the Hon. Circuit Court of Yamhill county:

- Thomas Standley, Sydney Root, R. R. Laughlin, S. G. Mays, E. T. Warren, J. C. Nelson, W. R. Johnson, T. R. Bewley, A. C. Davis, D. J. Yeargain, D. B. Crawford, J. G. Baker, Oliver Abernethy, Reuben Giant, Mike Colwell, John Bird, A. L. Fryer, J. Vanbuskirk, W. J. Garrison, Nathan Westfall, Smith Allen, R. J. Lancelfield, Isaac Davis, Mike Wickser, Wm Dawson, G. S. Minor, L. K. Wallace, H. C. Rowell, Jas. Johnson, J. E. Brooks, E. C. Williams.

JUSTICE'S COURT.—Soon after the release of R. H. Osborn, last week, on bail, he was re-arrested at the instance of his wife, charged with having threatened to take her life contingent upon a certain action on her part, which was subsequently by her performed, and which, it was contended by her counsel, established the criminality of the alleged threat.

This action was brought before H. W. Allen, Esq., and afterwards taken before Justice Hembree on a change of venue sworn out by the defendant, Osborn, when the case was examined before that officer. About two days were occupied in the examination, which resulted in the acquittal of the defendant. Hurlburt for complainant and Steward for the defence.

During the examination of the above case, many phases of domestic infidelity, disquietude, &c., embracing mal-treatment, neglect, immorality, &c., as between the parties, were developed. It is always unpleasant to witness trials of this character.—Human depravity enters largely into all of them.

PICTURES.—Parties desiring a duplicate of themselves will do well to call on Mr. Catterlin in Lafayette, and procure one. He is well fitted up for the business, and guarantees satisfaction.

ARTEMUS WARD died recently in Europe.

THE FENIANS are creating a wild excitement in Ireland. Several battles have been fought with various results between the Fenians and British troops.

LINCOLN A TRAITOR.—According to the logic of nine-tenths of the radical leaders of the present day, the "sainted" Lincoln was a traitor! He modelled and fashioned the Supreme Court of the United States after his own liking exactly, appointing three-fourths of the Judges constituting that bench. The Radical party with one accord declare that the majority of said Court is composed of rebels, sympathisers—traitors! Now is it possible that Mr. Lincoln patronized traitors to this extent and not a traitor himself?

ENLARGED.—The *Democratic Review* has been enlarged and improved in other respects. It is the same size of the *Unionist*, and in point of editorial ability, the *Review* promises to take high rank.

See the Prospectus of the *Oregon Herald* elsewhere in the COURIER. The President of the Herald Publishing Association, Hon. A. E. Wait, announces that the *Herald* is a success beyond a peradventure.

Not So.—Some person, it has been ascertained, has been imparting the gratuitous information in certain quarters that the Lafayette House was closed—had ceased to be kept for the accommodation of the public. This is simply a falsehood propagated in the interest of some other point, as against Lafayette. The Lafayette House is still kept, whereat skillful caterers to the wants of the public will at all times be found at their posts.

FEDERAL APPOINTMENTS.—Mr. Hindman of Forest Grove has been appointed Collector of Customs for the port of Astoria, and Mr. Williams, of Salem, has received the appointment of U. S. Dist. Attorney for Oregon.

R. L. SIMPSON returned on yesterday evening's steamer, with a large invoice of family groceries.

EDITOR COURIER:—Please announce through the COURIER—as an item of interest to the Supervisors of the county, that the "Road Laws," in pamphlet form, "published by authority," are now ready at my office for distribution upon filing with me their receipt for the same.

S. C. ADAMS, Clerk.

MARRIED.

A FAMILY MEDICINE.

DAVIS' Pain Killer is a purely vegetable compound, and while it is a most efficient remedy for pain, it is a perfectly safe medicine, even in the most unskillful hands. For summer complaint, or any other form of bowel disease in children or adults, it is an almost certain cure, and has, without doubt, been more successful in curing the various kinds of CHOLERA than any other known remedy, or the most skillful physician. In India, Africa, and China, where this dread disease is ever more or less prevalent, the Pain Killer is considered by the natives, as well as European residents in those climates, a sure remedy.

Gents:—Having used and witnessed the beneficial effects of *Perry Davis' Pain Killer*, I take great pleasure in recommending it to the public as the very best Family Medicine with which I am acquainted. In this establishment are employed nearly one hundred persons, and your *Pain Killer* has been used with the most astonishing results. For four years not a single severe case of Cholera, Summer Complaint, or Dysentery, but has yielded like magic to the curative powers of the "Killer," and for cuts, bruises, etc., it is in almost daily use, and with like good effects.

THE PAIN KILLER,

So justly celebrated, was introduced to the public many years ago, and now enjoys a popularity unequalled by any other medicine. For the cure of diphtheria, dysentery, cholera morbus, rheumatism, coughs and colds, scalds, burns, etc., it is without an equal.—Sold by all the principal druggists.—DAILY PLAIN DEALER, Cleveland, Ohio.

Perry Davis' Vegetable Pain Killer possesses virtues which not alone removes pain instantly, but regulates the stomach, gives strength, tone and vigor to the system. It is one of those medicines which is worth more than gold.

IMPORTANCE OF HAVING DAVIS' PAIN KILLER ALWAYS ON HAND.

Wonderful Cure of the Rev. D. L. Brayton, Missionary in India, who was stung by a Scorpion.

Extract from his letter, published in the Baptist Missionary Magazine:
"For the first time since I have been in India, I have been stung by a scorpion. I went out this morning to my exercises, as usual, at early dawn, and having occasion to use an old box, on taking off the cover I put my hand on a scorpion, which immediately resented the insult by thrusting its sting into the palm of my hand. The instantaneous and severe pain which darted through the system is quite incredible; what an awfully virulent poison their sting must contain! I flew to my bottle of Davis' Pain Killer, and found it to be true to its name; after a moment's relief, I saturated a small piece of sponge, bound it on my hand, and went about my exercises, feeling no more particular inconvenience."

MISCELLANEOUS.

A Youth's History

—OR—

THE GREAT CIVIL WAR.

One Vol., 16 mo, 484 pages with Illustrations; price, \$1 50.

This work is designed to furnish the Youth of the country a candid and impartial History of the Great War through which we have just passed, from a Democratic standpoint. The minds of our youth are being poisoned and mis-educated by the false and partial histories of the Abolitionists, and it is of great importance for the welfare of our country that the real Disunionists, as they are now proving themselves to be, shall be properly portrayed. The great importance of a sound juvenile literature has long been felt and acknowledged, and as this is the first attempt to furnish it, the Publishers respectfully solicit the encouragement of the public and the assistance of the Democratic press. By possessing great devotion to "freedom," the Abolition or Republican party succeeded in deceiving thousands, particularly of the young men of our country, who, in the first flush of youthful patriotism, were seduced by its artful phrases into joining it. This book will correct their error, and is just such a work as every Democrat North or South, ought to place in the hands of his children, to give them a correct idea of the late war and its causes. The style of the entire volume is such as to be easily understood by a child twelve years old. At the same time it is adapted to adult readers, making, in fact an Illustrated History of the War, or the low price of \$1 50.

Enclose the Green Backs and send to Van-ervie, Horton & Co., 162, Nassau st. N. Y., and get a copy. You will be pleased with it.
