

ADVERTISEMENTS.

"Any One will Do."
A maiden once of certain age,
To catch a husband did engage;
But, having passed the prime of life
In striving to become a wife,
Without success, she thought it time
To mend the follies of her prime.

Departing from the usual course
Of paint, and such like for resource,
With all her might, this ancient maid,
Beneath an oak tree knelt and prayed;
Unconscious that a grave old owl,
Was perched above—the mousing fowl!

"O! give—a husband, give!" she cried,
"While yet I may become a bride,
Soon will my day of grace be o'er,
And then, like many maids before,
I'll die without an early love,
And none to meet me there above!"

"Oh! 'tis a fate too hard to bear;
Then answer this, my humble prayer,
And, oh! a husband give to me!"
Just then the owl up in the tree, [whoop!]
In deep bass tones, cried, "Who—who—
"Who, Lord? And dost thou ask me who?
Why, any one, good Lord, will do."

SHOCKING STORY—Recently a gentleman was proceeding up North Second street, when near the corner of Hoosick, he discovered a lady, seated upon a stoop, evidently in great distress. He accosted her, but she made no reply. He remained by her side a few moments, when he discovered that an event had happened which should occur only in the privacy of the domestic chamber, where the patient could be surrounded by all the applicants of comfort and such medical skill as the delicacy and the danger of the situation would require. The lady was elegantly dressed, and after a few moments of rest, took off a rich Paisley shawl and wrapped in it the "primal burden" that she had borne so long, and started to seek shelter for the night. She knew no one in Troy, and but for the kindly offer of the gentleman would have gone to the station house. He, however, accompanied her to a hotel, where she was properly cared for.

The woman's story is sad enough to chill one's blood, almost. She said she was married, and lived in Schenectada with her husband; that in anticipation of illness, she went to the house of her parents in Bennington, to be attended by a mother's watchful care; but owing to a misunderstanding between her husband and father, the latter would not allow her to remain at his house, and sent her away almost with curses upon her. She was returning to Schenectada again, and had reached this city, when the event we have described took place. The gentleman who attended the lady vouches for her respectability, and the case altogether is one of the saddest we have recorded.—*Troy Times.*

ANOTHER FIRE IN WALLA WALLA—*The Statesman* of April 19, says:

On Friday afternoon, about three o'clock, a fire broke out in the carpenter shop of J. W. Smith, on Alder street, next to the corner of Second street. The fire caught in a pile of shavings, and in almost an instant the whole building was wrapped in flames. Mrs. Smith occupying the rear of the shop as a dwelling, and with her children was barely able to escape with the clothes she had on. All her furniture, clothing, &c., was destroyed. Nothing was removed from the carpenter shop, and several carpenters who had their tool chests in the building lost all their tools. The fire communicated to the blacksmith shop of Mr. J. F. Abbott, but anticipating the destruction of the building, nearly all the tools and iron had been removed to a place of safety. The building adjoining the carpenter shop on the South side, and owned by Mr. Ward, was also destroyed. Mrs. J. W. Schull, who lived in this building, was fortunate enough to save all her furniture and clothing. The total loss by the fire will foot up \$2,000, divided about equally between Messrs. Abbott, Ward, and Smith. The same property was burned over at the time of the great fire last Fourth of July, at which time the same parties were heavy sufferers.

A LESSON FOR LAZY WIVES—One day a sturdy peasant was at work in the field amidst storm and rain, and went home in the evening, tired and drenched to the skin. His loving wife said: "My dear, it has been raining so bad that I could fetch no water, so I have not been able to make you any dinner. As you are wet through, I shall be obliged to you to fetch me a couple of buckets of water—you cannot get any better." The argument was striking; he, therefore, took two buckets and fetched some water from the well, which was at a considerable distance. On reaching his house, he found his wife comfortably seated by the fire; then, lifting one bucket after another, he poured the contents over his kind considerate partner. "Now wife," said he, "you are quite as wet as I am, so you may as well fetch water for yourself; you can't get any better."

According to Haller, women bear hunger longer than men; according to Plutarch, they can resist the effects of wine better; according to Unger, they grow old slower and never become bald; according to Pliny, they are seldom attacked by lions (and on the contrary, will run after lions).

BROWN & PERKINS' Pianos for the People!

420 BROOME ST., NEW YORK.

WE would call the attention of the public to our elegant New Scale Pianos, in the following styles:

STYLE "A." 7 octave, Front large round corners, plain case, either octagon or carved legs, straight bottom, bead moulding on plinth - \$450

STYLE "B." 7 octave, same as style A, with serpentine moulding on plinth carved legs and lyre - \$500

STYLE "C." 7 octave, Front corners large round, serpentine bottom, mouldings same as on style D, carved lyre and desk, fancy carved legs - \$550

STYLE "D." 7 octave, Four large round corners, finished back, mouldings on rim and plinth, serpentine bottom, carved lyre and desk, elegant carved fruit legs - \$600

The above styles are all finished in elegant Rosewood cases, and have the full iron frame. French action, beveled top, ivory keys and key fronts, and exceed in overstrung bass nearly all the 74 Octave Pianos now manufactured. They are made of the best materials, and for finish, durability, purity and sweetness of tone, cannot be surpassed.

The four styles described above, embody all the essential changes in exterior finish of case, which are by many manufacturers run up to 15 and 20 patterns.

We invite the attention of the public, of dealers and the profession, to a critical examination of the merits of our Pianos.

By avoiding the great expense attendant upon costly factories and expensive warehouses in the city, we are enabled to offer these Pianos at prices which defy competition, and invite all to call and examine them before purchasing elsewhere.

When references and testimonials are required by those about to purchase, instead of presenting a display of professional names, we refer to the parties to whom we have sold our Pianos: Their judgment as to the real merits of our instruments as to their durability, touch, sweetness, and power of tone, standing in tune &c. based on actual experience, being of far more value than the mere good opinion of the Artist, however capable, who merely tries in a warehouse, instruments in perfect tune and order, which have just received the workmen's last finishing touches.

Our motto is "Quick Sales and Small Profits."

Send for a Circular, to BROWN & PERKINS, v2 n12 1y 420 Broome-st., New York.

ADVERTISEMENTS.

French Medical Office.

DR. JULIEN PERRAULT, Dr. of Medicine, of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

Dr. Perrault has pleasure to inform patients and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North East Cor. Montgomery and Sacramento streets, San Francisco. Rooms Nos. 9, 10, 11, first floor, up stairs, entrance, either on Montgomery or Sacramento st.

Dr. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and physical debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward.

Patients laboring under this complaint will complain of one or more of the following symptoms: Nocturnal Emissions, pains in the Back and Head, Weakness of memory and Sight, discharge from the Urethra on going to stool or making water, the Intellectual faculties are Weakened, Loss of memory ensues, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that sight and hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pains, and numbness of the body.

Some of the most common symptoms are pimples in the face, and itching in different parts of the body. Patients suffering from this disease should apply immediately to Dr. PERRAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and impotence in six to eight weeks.

Patients suffering from Venereal disease in any stage, Gonorrhoea, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

Dr. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic disease can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till they are worn out and discouraged, to call upon us.—Low charges and quick Cures.

Ladies suffering from any Complaint incidental to their sex, can consult the doctor with the assurance of relief.

FEMALE MONTHLY PILLS.

DR. PERRAULT is the only agent in California for Dr. Biot's Female monthly pills. Their immense sale has established their reputation as a female remedy, unapproached and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On receipt of five dollars these pills will be sent by mail or express to any part of the world, secure from damage or curiosity.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERRAULT, corner of Sacramento and Montgomery streets, Rooms, 10 and 11, or Box 973, P. O. San Francisco, stating the case as minutely as possible, general habits of living, occupation &c., &c.

All communications confidential. 24.

ADVERTISEMENTS.

Private Medical Aid.

Quick Cures and Moderate Charges.
DR. W. K. DOHERTY,
Private Medical and Surgical Institute,
SAN FRANCISCO.
Sacramento-st., Below Montgomery,
Opposite Pacific Steamship Co's Office.
Private Entrance, Leidesdorff Street.
ESTABLISHED expressly to afford the afflicted sound and scientific Medical Aid, in the treatment and cure of all Private and Chronic Diseases, cases of secrecy and all sexual disorders.

TO THE AFFLICTED.
DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all Private Diseases, viz Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse.—Gonorrhoea, Gleet, Strictures, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., and he hopes that his long experience and successful practice will continue to insure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled, to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him, by letter or otherwise, will receive the best and gentlest treatment and implicit secrecy.

DR. DOHERTY would call attention to the following certificate, from one of his patients, who, having fully recovered his health, desires to make known his remedial agent. It will be seen that his statement is fully authenticated by a Notary Public.

The welfare of society imperiously demands its publicity, and it is given more to warn the unwary than to sound the praises of a Physician, of whom hundreds of like cases can be cited, during a practice of more than fifteen years.

The Doctor is no obscure or designing quack who has tramped certificates in order to deceive and entrap the unwary. He is known by thousands of persons to be prosecuting a regular, honorable and legitimate business.

Seminal Weakness—A Sworn to Certificate of a most Remarkable Cure of Spermatorrhoea.
A desire to benefit suffering humanity, and a feeling of gratitude to Dr. W. K. DOHERTY, induces me to make this statement. For many years I had been afflicted with Spermatorrhoea, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience; in that year I had Seminal Weakness to a fearful extent, which was followed by alarming symptoms, such as weakness of the back and limbs, dimness of vision, nervousness, etc. My mind, too, was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but reading Dr. Doherty's advertisement, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last, I placed myself under his care; in one week I found myself very much improved, and now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles, and in the enjoyment of the best of health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself,

JAMES JOHNSTON.
Subscribed and sworn to before me, this 15th day of January, A. D. 1864.
[L. S.] **A. G. RANDALL,**
Notary Public.

To Females.
When a female is in trouble, or afflicted with disease, such as weakness of the back and limbs, pain in the head, loss of muscular power, palpitation of the heart, nervousness, extreme urinary difficulties, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write at once to the celebrated Female Doctor, W. K. DOHERTY, at his Medical Institute, and consult him about their troubles and disease. Irregularities, suppressions, etc., will receive the Doctors' most particular attention. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies, whose delicate health or other circumstances prevent an increase in their families, should write or call at Dr. W. K. DOHERTY'S Medical Institute, and they will receive every possible relief and help.

The Doctor's offices, consisting of a suite of six rooms, are so arranged that he can be consulted without fear of observation.

To Correspondents.
Patients (male or female) residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible. If the case be fully and candidly described, personal communication will be superfluous, as instructions for diet, regimen, and the general treatment of the case itself (including the remedies) will be forwarded without delay and in such a manner as to convey no idea of the purpose of the letter or parcel so transmitted.

Consultations FREE. Permanent cure guaranteed or no pay. Address: **W. K. DOHERTY, M. D.,** v2 n13 1y San Francisco, Cal.
