AGENTS FOR THE COURIER

The following are our duly authorized agents to receive and remit for subscriptions and advertisements for the Courier:

REDUCTION OF PRICE

We propose to reduce the price of our subscription to the COURIER to \$2.50 per year, in advance, \$3.00 if not paid with in 30 days.

As H. Koonz, the poor, pithy, ignorant fellow that disgraces the Post Office Department at Umatilla, like Sambo, when vested with a little brief authority is magnified into a gigantic ogre, and magnificent grandeur, and with imperial majesty commands our good friend Simpson that he inform us that if we send another copy of the Courier to other subscribers...

How long will the citizens of Umatilla and Eastern Oregon allow themselves to be imposed upon by silly, weakly, half-witted, little pigmy men whose souls are too small for the archangel to see with a microscope through the mountain of prejudice and low cunning. Bro. Daw we sympathize with you.

We return thanks to W. Wiggs, Esq., for his kind and generous offer of an extra copy of the Courier, including an extra copy of the Washington.

Later by Telegraph. Chicago, Sept. 23.—The Detroit Tribune publishes a significant letter from Senator Howard, relating to what the Washington Intelligence says that Senators who express their convictions, beforehand, shall not sit in judgement upon the President.

The Times' Washington special says that the President has received a dispatch from conservative citizens of Nashville informing him of a condition of affairs which would warrant government interference. Grant has ordered Gen. Thomas to proceed to Nashville to take command and maintain peace at the point of the bayonet.

New York, Sept. 20.—The Syracuse Republican State Convention adopted resolutions pledging the party to the advocacy of negro suffrage.
