

NEW YORK ADVERTISEMENTS.

OUR LATEST IMPROVED
NEW SCALE PIANO-FORTE!!
Grovesteen & Co.,
499 Broadway, N. Y.

THIRSE instruments after the flattering testimonials from the first Pianists in the country who, at our solicitation, have tested them in the severest manner possible, have been pronounced

The Finest Square Piano-Forte made in the World.

It has always been our policy during the thirty six years that we have manufactured Pianos, twenty thousand of which are now in use in the United States and Europe, to give the finest instruments at the lowest cost. Our superior facilities enable us to offer them from two to three hundred dollars less than any other First-Class House.

The tone of these instruments are remarkable for their peculiar sweetness and great brilliancy. Never losing their quality when forced to their utmost capacity. The lower register retaining its positiveness does not destroy the middle and upper registers by mingling with them in disagreeable confusion. The refined beauty of tone being equal delightful to the unpracticed and to the most cultivated ear.

They are entirely new style of Piano, finished in the most superb manner with four round corners, front and back, heavily carved legs and lyre, serpentine base, richly moulded, and each instrument is full warranted for five years. v17 n34 2v 1y

BROWN & PERKINS'

Pianos for the People!
430 BROOME ST., NEW YORK.

WE would call the attention of the pub-
lic to our elegant New Scale Pianos, in
the following styles:

STYLE "A." 7 octave, Front large
round corners, plain case, either octa-
gon or carved legs, straight bot-
tom, bead moulding on plinth - \$450

STYLE "B." 7 octave, same as style
A, with serpentine moulding on plinth
carved legs and lyre - \$500

STYLE "C." 7 octave, Front corners
large round, serpentine bottom,
mouldings same as on style D, carved
lyre and desk, fancy carved legs - \$550

STYLE "D." 7 octave, Four large
round corners, finished back, mould-
ings on rim and plinth, serpentine
bottom, carved lyre and desk, elegant
carved fruit legs - \$600

The above styles are all finished in elegant
Rosewood cases, and have the full iron frame,
French action, harp pedal, beveled top, ivory
keys and key fronts, and exceed in over-
strung bass nearly all the 7 1/2 Octave Pianos
now manufactured. They are made of the
best materials, and for finish, durability,
purity and sweetness of tone, cannot be
surpassed.

The four styles described above, embody
all the essential changes in exterior finish of
case, which are by many manufacturers run
up to 15 and 20 patterns.

We invite the attention of the public, of
dealers and the profession, to a critical ex-
amination of the merits of our Pianos.

By avoiding the great expense attendant
upon costly factories and expensive ware-
houses in the city, we are enabled to offer
these Pianos at prices which defy competi-
tion, and invite all to call and examine them
before purchasing elsewhere.

When references and testimonials are re-
quired by those about to purchase, instead of
presenting a display of professional names,
we refer to the parties to whom we have sold
our Pianos. Their judgment as to the real
merits of our instruments as to their durabil-
ity, touch, sweetness, and power of tone,
standing in tune, &c., based on actual ex-
perience, being of far more value than the
mere good opinion of the Artist, however
capable, who merely tries in a warehouse,
instruments in perfect tune and order, which
have just received the workmen's last finish-
ing touches.

Our motto is
"Quick Sales and Small Profits."

READ, READ,

Stop that Cough!

FROM MR. THOMAS:—We have used Hen-
ley's Royal Balsam in my family this winter.
There is no use in talking. It throws every-
thing in the shape of Cough Medicine in the
shade that I ever saw. My wife was troubled
with asthma or smothering spells for years,
and could get nothing to have any effect un-
til I struck this Royal Balsam. She is now
about well. It cured me of the worst cold I
ever had in my life in one night. When
ever our children have anything like a cough,
a few drops being given on going to bed, that
is the last of the cough. I never intend to
be without it in the house.

B. THOMAS, the paper man.

From Mrs. M. Scott.
Mother had a dreadful bad cold; she was
so hoarse you could not understand a word
she would speak. I got a bottle of Dr. Hen-
ley's Royal Balsam, and in one day and
night it cured her. I confess I have seen a
great deal of medicine in my life, but nothing
to compare with the promptness, and I might
say magical effects of Henley's Royal Balsam
for a bad cold.

Mrs. M. SCOTT,
Portland, April 7, 1866.

From Mr. Pitcock.
We have used some of Henley's Royal
Balsam in my family and think it is a splen-
did medicine for children, as well as for
grown persons. For coughs and colds I
freely recommend it to the public.

R. PITCOCK,
From Judge Marquam.

I have used Henley's Royal Balsam for a
bad cough, and I find it a splendid medicine.
I have recommended it to a great many.
They all speak very highly of the medicine,
and I freely recommend it to the public.

MIRACULOUS CURE.—Dr. Wm. Henley—
Dear Sir:—I feel it but a duty to inform you
and the public what a miraculous effect your
Royal Balsam had on my wife. She had
been affected with a severe cough for several
weeks, which had assumed a dangerous fea-
ture, for which many physicians have been
trying without any material benefit, and all
the remedies failed to give her any relief.
Without relief was got, I feared for the worst,
in her present condition. The cough appear-
ed to be worse at night, she could get no rest
—when Mr. Randall, of this place, advised
me to try your Royal Balsam; all other reme-
dies having failed, I concluded to try it, and
I purchased two bottles. Strange to say, by
the time I gave her three spoonful of the
Balsam she got relief, and slept, a thing she
had not done for three nights previous. By
the time she had taken one bottle the cough
was checked. Its effect was truly miraculous,
as the cure was effectual; hence, I have no
hesitation in recommending the Royal Balsam
to all who are afflicted and it appears aston-
ishing to me that medicine of such great merit
and I might say magical effect, is not more
in use. My candid opinion is; if persons use
it once they never will be without it in the
house.

hesitation in recommending the Royal Balsam
to all who are afflicted and it appears aston-
ishing to me that medicine of such great merit
and I might say magical effect, is not more
in use. My candid opinion is; if persons use
it once they never will be without it in the
house.

MIRACULOUS CURE.—Dr. Wm. Henley—
Dear Sir:—I feel it but a duty to inform you
and the public what a miraculous effect your
Royal Balsam had on my wife. She had
been affected with a severe cough for several
weeks, which had assumed a dangerous fea-
ture, for which many physicians have been
trying without any material benefit, and all
the remedies failed to give her any relief.
Without relief was got, I feared for the worst,
in her present condition. The cough appear-
ed to be worse at night, she could get no rest
—when Mr. Randall, of this place, advised
me to try your Royal Balsam; all other reme-
dies having failed, I concluded to try it, and
I purchased two bottles. Strange to say, by
the time I gave her three spoonful of the
Balsam she got relief, and slept, a thing she
had not done for three nights previous. By
the time she had taken one bottle the cough
was checked. Its effect was truly miraculous,
as the cure was effectual; hence, I have no
hesitation in recommending the Royal Balsam
to all who are afflicted and it appears aston-
ishing to me that medicine of such great merit
and I might say magical effect, is not more
in use. My candid opinion is; if persons use
