REDUCTION OF PRICE.

We propose to reduce the price of subscription to the COURIER to \$2 50, per year, if paid in advance, \$3 00, if not paid within 90 days. To accommodate our Yamhill subscribers we will take wheat at current rates, delivered at any of the mills in the county. The mill owner's receipt of deposit to our credit will be accepted by us or our agents. Or we will take bacon at market rates, delivered at La Fayette.

Is there a farmer in the county who cannot afford to supply his family with his county paper at these terms?

If you want a good beef-steak, or any other kind of beef, go to the Poor Man's market.

BELCHER & BIRD have just received a fresh invoice of goods. Go and see whether they have just what you want.

See the card of Dr. G. W. Brown. The Dr. enjoys the reputation of a first class Physician and Oculist, and if it is said, has the confidence of Dr. Toland, and other men, prominent in the profession.

Read the notices of Railroad meetings in another column. Let every man, woman, and child that feels an interest in the prosperity of Oregon, turn out; and let us all put our shoulders to the wheel and start the car, and when she rolls, we will be more than repaid for time and money invested.

PERSONAL.—James Gaston, Esq., the energetic and enterprising President of the Oregon Central Railroad Company, called on us during the week, but like a locomotive tarried but a moment and was gone, we were always pleased to see him, yet we anticipate the happiest meeting, when he shall come upon the platform of one of his cars, time 1. to open the golden channel of commerce to our now landlocked valleys.

That the Railroad will be built is settled. Why not this far, within a year? Shall we have the Road completed through Washington and Yamhill within that time? Who will help?

CRAZY.—It was said of St. Paul, that much learning had made him mad, and it might be said with the same truth of Barinan, Boss, that much trade has made them crazy, for they do sell clothing and gentlemen's furnishing goods cheaper than "any other man" in Portland, and of as good quality as can be found in the State. Farmers who go to Portland to purchase supplies, had better not go into their store, examine goods and ask the prices, unless they want to spend their money for they cannot resist the temptation;—cheaper than the cheapest and better than the best.

REMARKABLE DISCOVERY.—A short time ago, while some workmen were excavating a cellar in Polk township, Monroe county, Indiana, they struck what at first appeared to be a solid ledge of rock, and, sitting down to rest, one of their number began idly to pick at an apparent fissure, when a block of stone, nearly two feet square, disappeared with a dull thump. The men set eagerly to work, and removing the bottom of the pit, disclosed a chamber with a six-foot ceiling, and eighteen by twenty-five feet within the walls, which are of solid and neatly seamed stone work. Ranged in rows, on rudely constructed platforms, were twelve skeletons, each with tomahawk and arrow-heads at their sides, ear-rings and bracelets of solid silver lying where they dropped, and piles of what appeared to have been furs in the centre of the platform, each pile crumbling to dust as soon as exposed to the light. A number of tools, made of copper, and hardened equal to the best cast steel, were also unearthed and fresh discoveries are constantly being made.

WHEAT! WHEAT!!

A CARD.

Whereas I contracted with one J. S. Hibbs to deliver to me at the La Fayette warehouse one thousand bushels of wheat at fifty cents per bushel; and that said Hibbs finding that he could get a few more cents on the bushel sold the same to other parties. Now, therefore, I advise all persons dealing with him to have their contract reduced to writing. n36 1m C. ECKLES.

MASS MEETING.

RALLY DEMOCRATS!!!

There will be a meeting of the Democracy at SHERIDAN,

In Yamhill county, Oregon, on Saturday, November 9th, 1867, at 10 o'clock A. M. Judges Stont, Hayden, Johnson and others will address the meeting. The Democracy of the State are invited, and it is hoped all that can will bring their wives and children. Come everybody. n39 1d

This is truly the "age of progress," and the American people are, beyond doubt, far ahead of all others. This is clearly demonstrated by the Sewing Machine—which is, strictly speaking, an American invention.

In this branch of manufacture, the EMPIRE SEWING MACHINE CO., office 616 Broadway, New York City, stands pre-eminent. Their "Improved Manufacturing Machine" has no rival. It is built on sound mechanical principles—is simple in construction—easily understood, and not liable to get out of order.

Its sewing qualities, particularly on cloth and leather, cannot be equalled; and as such we recommend it to our friends and the public generally. E. S. M. Co. n32 1m

MEDICAL.—Read advertisement of Dr. Doherty, San Francisco, on 4th page. Dr. Doherty ranks as one of our most distinguished physicians, and also one of the most successful, which is now the criterion by which the medical practitioner is judged.

His address is Dr. Doherty, Private Medical and Surgical Institute, San Francisco, Sacramento street, below Montgomery, opposite Pacific Steamship Co's Office. Private entrance, Leidesdorf street.

Railroad Meeting!

THERE will be a Railroad Meeting held at the following times and places in Yamhill county, to wit:

At McMinnville, Thursday, Oct. 31.
At Morris' Store, South Fork, Monday, November 4.
At Amity, Wednesday, November 6.
At Wheatland, Friday, November 8.
At Dayton, Monday, November 11.

Will meet for the purpose of soliciting Stock for the OREGON CENTRAL RAILROAD, and receiving donations on the different proposed routes upon the following proposition.

Resolved, That we locate the OREGON CENTRAL RAILROAD on the nearest and best route, taking into consideration the inducements offered on the different proposed routes, and the advantages for trade and business: Provided, That the main road shall never cross to the east side of the Willamette river, and provided further, that said road shall run through the Taalatin Plains in Washington County, Oregon.

I hereby certify, that at a meeting of the Directors of the OREGON CENTRAL RAILROAD COMPANY, held at Hillsborough, on the 24th of September, 1867, the above resolution was passed unanimously.

W. C. WHITSON, Secretary.

The meeting will be addressed by W. T. Newby, Judge J. W. Johnson and others. The public are invited to attend and participate in the meeting. n39 1t By order of Board of Directors.
