**OUR LATEST IMPROVED
NEW SCALE PIANO-FORTE!!
Grovesteen & Co.,**
499 Broadway, N. Y.

THESE Instruments after the flattering testimonials from the first Pianists in the country who, at our solicitation, have tested them in the severest manner possible, have pronounced
The Finest Square Piano-Forte made in the World.

It has always been our policy during the thirty six years that we have manufactured Pianos, twenty thousand of which are now in use in the United States and Europe, to give the finest instruments at the lowest cost. Our superior facilities enable us to offer them from three hundred dollars less than any other First-Class House.

The tone of these instruments are remarkable for their peculiar *sweetness and great brilliancy*. Never losing their quality when bowed to their utmost capacity. The lower register retaining its positiveness does not destroy the middle and upper registers by mingling with them in disagreeable confusion. The refined beauty of tone being equal delightful to the unpracticed and to the most cultivated ear.

They are entirely new style of Piano, finished in the most superb manner with four round corners, front and back, heavily carved legs and lyre, serpentine base, richly moulded, and each instrument is full warranted for five years. #17 n34 2v 1y

"WOOD'S"
PRIZE

MOWERS & REAPERS!
Over 60,000 manufactured and now in use in this country and Europe.

These world renowned machines were awarded the first prize. Ten Pounds Sterling, at the Great Quadrennial Trial at Plymouth, Eng., July, 1865, and at the Great National Field Trial, held at Auburn, N. Y., in July, 1866, the First Premium, GRAND GOLD MEDAL.

THE PRIZE MOWER.
While it retains all the advantages which has made it so universal a favorite, is greatly improved by the addition of
Steel Lined Guards,
New Pitman Connections,
Stronger Knives,
Adjustable Folding Shoe and Spring Seat,

Making it a perfect machine. The lightest draft, the most durable, and at the same time the most simple, and best cutting machine in the world.

The Self-Rake Reaper!
Is justly called the "Victor of every contest," and is constructed on the most scientific principles. The New Mowing Attachment gives general satisfaction and makes one of the most convenient combined Self-Rake Reapers known, and we fully warrant it.

THE HAND-RAKE REAPER.
Is at the same time the cheapest and the best of its kind ever offered.

It cuts a swath five feet wide in Reaping, and four and a half feet in Mowing. As a Mower it is equal to the best Folding Bar Machine in use. The ease with which it is managed, and in changing from Mower to Reaper, or vice versa will at once recommend it.

**READ, READ,
AND
Stop that Cough!**

FROM Mr. THOMAS:—We have used Henley's Royal Balsam in my family this winter. There is no use in talking. It throws everything in the shape of Cough Medicine in the shade that I ever saw. My wife was troubled with asthma, or smothering spells for years, and could get nothing to have any effect until I struck this Royal Balsam. She is now about well. It cured me of the worst cold I ever had in my life in one night. When ever our children have anything like a cough, a few drops being given on going to bed, that is the last of the cough. I never intend to be without it in the house.

B. THOMAS, the paper man.
From Mrs. M. Scott.
Mother had a dreadful bad cold; she was so hoarse you could not understand a word she would speak. I got a bottle of Dr. Henley's Royal Balsam, and in one day and night it cured her. I confess I have seen a great deal of medicine in my life, but nothing to compare with the promptness, and I might say magical effects of Henley's Royal Balsam for a bad cold.
Mrs. M. SCOTT.
Portland, April 7, 1866.

From Mr. Pitcock.
We have used some of Henley's Royal Balsam in my family and think it a splendid medicine for children, as well as for grown persons. For coughs and colds I freely recommend it to the public.
R. PITCOCK.
I have used Henley's Royal Balsam for a bad cough, and I find it a splendid medicine. I have recommended it to a great many. They all speak very highly of the medicine, and I freely recommend it to the public.

MIRACULOUS CURE.—Dr. Wm. Henley—Dear Sir:—I feel it but a duty to inform you and the public what a miraculous effect your Royal Balsam had on my wife. She had been affected with a severe cough for several weeks, which had assumed a dangerous feature, for which many physicians have been trying without any material benefit, and all the remedies failed to give her any relief. Without relief was got, I feared for the worst, in her present condition. The cough appeared to be worse at night, she could get no rest—when Mr. Randall, of this place, advised me to try your Royal Balsam; all other remedies having failed, I concluded to try it, and I purchased two bottles. Strange to say, by the time I gave her three spoonfuls of the Balsam she got relief, and slept, a thing she had not done for three nights previous. By the time she had taken one bottle the cough was checked. Its effect was truly miraculous, as the cure was effectual; hence, I have no hesitation in recommending the Royal Balsam to all who are afflicted and it appears astonishing to me that medicine of such great merit and I might say magical effect, is not more in use. My candid opinion is; if persons use it once they never will be without it in the house.

Private Medical Aid.
Quick Cures and Moderate Charges.
Dr. W. K. DOHERTY.

Private Medical and Surgical Institute,
SAN FRANCISCO.
Sacramento-st., Below Montgomery,
Opposite Pacific Steamship Co's Office,
Private Entrance, Leidesdorff Street.
ESTABLISHED expressly to afford the afflicted sound and scientific Medical Aid, in the treatment and cure of all Private and Chronic Diseases, cases of secrecy and all sexual disorders.

TO THE AFFLICTED,
DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all Private Diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self abuse—Gonorrhoea, Gleet, Strictures, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., and he hopes that his long experience and successful practice will continue to insure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled, to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him, by letter or otherwise, will receive the best and gentlest treatment and implicit secrecy.

DR. DOHERTY would call attention to the following certificate, from one of his patients, who, having fully recovered his health, desires to make known his remedial agent. It will be seen that his statement is fully authenticated by a Notary Public.

The welfare of society imperiously demands its publicity, and it is given more to warn the unwary than to sound the praises of a Physician of whom hundreds of like cases can be cited, during a practice of more than fifteen years.

The Doctor is no obscure or designing quack who has trumped certificates in order to deceive and entrap the unwary. He is known by thousands of persons to be prosecuting a regular, honorable and legitimate business.

Seminal Weakness—A Sworn to Certificate of a most Remarkable Cure of Spermatorrhoea.
A desire to benefit suffering humanity, and a feeling of gratitude to Dr. W. K. DOHERTY, induces me to make this statement. For many years I had been afflicted with Spermatorrhoea, the result of self-abuse but till 1855 experienced but little trouble or inconvenience; in that year I had Seminal Weakness to a fearful extent, which was followed by alarming symptoms, such as weakness of the back and limbs, dimness of vision, nervousness, etc. My mind, too, was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfit for any duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but reading Dr. Doherty's advertisement, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last, I placed myself under his care; in one week I found myself very much improved, and now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles, and in the enjoyment of the best of health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself,
JAMES JOHNSTON.
Subscribed and sworn to before me, this 15th day of January, A. D., 1864.
[L. S.] A. G. RANDALL,
Notary Public.

To Females.
When a female is in trouble, or afflicted with disease, such as weakness of the back and limbs, pain in the head, loss of muscular power, palpitation of the heart, nervousness, extreme urinary difficulties, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write at once to the celebrated Female Doctor, W. K. DOHERTY, at his Medical Institute, and consult him about their troubles and disease. Irregularities, suppressions, etc., will receive the Doctor's most particular attention. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies, whose delicate health or other circumstances prevent an increase in their families, should write or call at DR. W. K. DOHERTY'S Medical Institute, and they will receive every possible relief and help. The Doctor's offices, consisting of a suite of six rooms, are so arranged that he can be consulted without fear of observation.

To Correspondents.
Patients (male or female) residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible. If the case be fully and candidly described, personal communication will be entered, as instructions for diet, regimen, and the general treatment of the case itself (including the remedies) will be forwarded without delay and in such a manner as to convey no idea of the purport of the letter or paper so transmitted.
