GROVESTEEN & Co, PIANO-FORTES.

OUR LAST NEW ADDITION TO our different styles is attracting the admiration of both critics and populace. We mention especially, some of the claims of this new Piano. Believing the exterior should be as beautiful to the eye as melody is to the ear, we have paid great attention to getting them up in a style that is conceded by all who have seen them to be the handsomest Piano-Forte made. They are an entirely new style, with four full round corners, heavily carved legs and lyre, base richly moulded, and contains our latest improved new scale and action. The tone is melodious, and its adaptability to passages of every shade of expression, from the softest murmur, the crescendo, and F.F., gives the Performer every advantage of the Concert grand. OUR LATEST IMPROVED NEW SCALE PIANO-FORTE!!

Grovesteen & Co.,
499 Broadway, N. Y.

THESE Instruments after the flattering Testimonials from the first Pianists in the country who, at our solicitation, have tested them in the severest manner possible, have been pronounced

The Finest Square Piano-Forte made in the World.

It has always been our policy during the Thirty-six years that we have manufactured Pianos, twenty thousand of which are now in use in the United States and Europe, to give the finest instruments at the lowest cost. Our superior facilities enable us to offer them from three hundred dollars less than any other First-Class House.

The tone of these instruments are remarkable for their peculiar sweetness and great brilliancy. Never losing their quality when forced to their utmost capacity. The lower register retaining its positiveness does not destroy the middle and upper registers by mingling with them in disagreeable confusion. The refined beauty of tone being equal delightful to the unpracticed and to the most cultivated ear.

They are entirely new style of Piano, finished in the most superb manner with four round corners, front and back, heavily carved legs and lyre, serpentine base, richly moulded, and each instrument is fully warranted for five years. v17 n34 v2 ly

Private Medical Aid. Quick Cures and Moderate Charges. Dr. W. K. DOHERTY.

Private Medical and Surgical Institute, SAN FRANCISCO.

Sacramento-st., Below Montgomery, Opposite Pacific Steamship Co's Office. Private Entrance, Leidenhoff Street.

ESTABLISHED expressly to afford the afflicted sound and scientific Medical Aid, in the treatment and cure of all Private and Chronic Diseases, cases of secrecy and all sexual disorders.

TO THE AFFLICTED. Dr. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all Private Diseases, viz. Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self abuse.

Gonorrhoea, Gleet, Strictures, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., and he hopes that his long experience and successful practice will continue to insure him a share of public patronage.

By the practice of many years in Europe and the United States, he is enabled, to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him, by letter or otherwise, will receive the best and gentlest treatment and implicit secrecy.

DR. DOHERTY would call attention to the following certificate, from one of his patients, who, having fully recovered his health, desires to make known his remedial agent. It will be seen that his statement is fully authenticated by a Notary Public.

The welfare of society imperiously demands its publicity, and it is given more to warn the unwary than to sound the praises of a Physician, of whom hundreds of like cases can be cited, daring a practice of more than fifteen years.

The Doctor is no obscure or designing quack who has trumped certificates in order to deceive and entrap the unwary. He is known by thousands of persons to be practicing a regular, honorable and legitimate business.

Seminal Weakness—A Sworn to Certificate of a most remarkable Cure of Spermatorrhoea. A desire to benefit suffering humanity, and a feeling of gratitude to Dr. W. K. DOHERTY, induces me to make this statement. For many years I had been afflicted with Spermatorrhoea, the result of self-abuse but till 1855 experienced but little trouble or inconvenience; in that year I had Seminal Weakness to a fearful extent, which was followed by alarming symptoms, such as weakness of the back and limbs, dimness of vision, nervousness, etc. My mind, too was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but reading Dr. Doherty's advertisement, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last, I placed myself under his care; in one week I found myself very much improved, and now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles, and in the enjoyment of the best of health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself,

JAMES JOHNSTON.
Subscribed and sworn to before me, this 15th day of January, A. D., 1864.
[A. S.] A. G. RANDALL,
Notary Public.

K. DOHERTY, at his Medical Institute, and consult him about their troubles and disease. Irregularities, suppressions, etc., will receive the Doctor's most particular attention. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies, whose delicate health or other circumstances prevent an increase in their families, should write or call at Dr. W. K. DOHERTY'S Medical Institute, and they will receive every possible relief, and help. The Doctor's office, consisting of a suite of six rooms, are so arranged that he can be consulted without fear of observation.

To Correspondents. Patients (male or female) residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible. If the case be fully and candidly described, personal communication will be superfluous, as instructions for diet, regimen, and the general treatment of the case itself (including the remedies) will be forwarded without delay and in such a manner as to convey no idea of the purport of the letter or parcel so transmitted.
