Ought the President to be denounced in the house of his enemies? Much more ought he to be denounced in the house of his friends for refusing in the absence of any necessity to occupy or retain the exercise of powers greater than those which are exercised by any imperial magistrate in the world.

It will be a sad hour for the republic when the refusal of unnecessary powers and patronage by the President shall be held as crime. When it shall be so considered, the time will have arrived for setting up at the White House an Imperial throne, surrounding the Executive with Imperial legions.

THOS. STANLEY, our enterprising and generous citizen last week presented us with a sack of flour from his new mill at this place. We have carefully tested the sample presented us, and may say that it is not surpassed by any we have tried in the State, and we have used flour from all the first class mills in the State.

Oliver Moore Esq. has purchased the entire interest of the Moore & Simpson mill and will continue to make A. 1. lumber as heretofore.

Chehalis & Music!

A gentleman, who comes to us with the highest recommendation as a musician, and a teacher, capable of stripping music of its mysteries, and presenting it plain and simple, will lecture at the school house in Lafayette, to-morrow evening, and at the church in Chehalis Valley, Saturday evening, the 15th, of Feb. 1868.

The Discussion—at Sheridan, on Saturday, last, was as pleasant an affair as circumstances would permit. The weather being cold, the room seating but about one half the audience and the Dr. who thought before he took the stand that he would talk but about forty-five minutes, finding himself unlimited, spoke against time for two hours and twenty minutes and the audience was well frozen and tired out which left us but little time to enjoy the approaching night admonished us that we must return home.

But we think the meeting did good.

O. G. T.—We received the following week just as we were going to press.

The following officers were installed for the McMinnville Lodge, No. 35, for the quarter beginning Feb. 1.

COINCIDENCE.—In "Cupid's Whisking," a comedy printed in 1807, attributed to E. Sharpman, is the following remark on women.

Since we were made before you, should we not love and admire you as the best and most perfect work of nature? Men were made when Nature was but an apprentice, but Woman when she was a skilful mistress of her art.

The Central Committee request all Democrats and lovers of the Constitution and the white race, to meet at La Fayette on Wednesday, the 12th of February, 1868, at 10 o'clock P. M. for the purpose of organizing a COUNTY DEMOCRATIC CLUB.

OREGON HERALD.

(THIRD YEAR.)

The "Oregon Herald" is published by the "Oregon Herald Publishing Association," Daily and Weekly, in the City of Portland, No. 7, Washington Street.

Teriah Brown, Editor. The Daily is issued every morning (Mondays excepted) it is delivered in the city at 37 1/2 cents per week, payable to the carrier, and mailed to subscribers at \$19 a year.

Telegraphic Dispatches and general news, together with good local and commercial reports.

THE WEEKLY HERALD

(The Largest Newspaper in Oregon) is issued every Saturday morning, from the same office, at \$3 a year, payable in advance. It is printed on a large double sheet of eight pages, making forty-eight columns of reading matter including all the telegraphic dispatches, political and general news, miscellaneous selections and commercial reports of the Daily, making a valuable family newspaper for all classes of society.

The publishers have the satisfaction of announcing positively that the experiment of establishing a first-class Democratic paper in Portland—which was regarded with so much doubt at the time—has proved a success. The Herald is now upon a firm basis, and its continuance is a guaranteed fact.

This has only been accomplished by a large outlay of money by a few individuals, which can only be remunerated by the active exertions of the friends of the paper throughout the State.

A. E. WAIT, President. Oregon Herald Publishing Association. T. PATTERSON, Secretary.

SPERMATORRHEA

DR. DOHERTY has just published an important pamphlet embodying his own views and experiences in relation to Impotence or Virility; being a short treatise on Spermatorrhea or Seminal Weakness, Nervous and Physical Debility consequent on this Affection, and other Diseases of the Sexual Organs.

ALL OVER

The world people of sense and judgment have learned to use

Plantation Bitters.

Dyspepsia, with its symptoms, Headache, Heartburn, Feverish Lips, Bad Breath, Sallow Complexion, &c., can be cured by using PLANTATION BITTERS.

This is the most successful tonic of the age. Young, middle-aged and old, are delighted with its effects. The first trial always has a marked good effect.

No change of diet is necessary. Eat all you wish, of the best and most nutritious food.

Physicians are compelled to recommend it. CALISAYA BARK has been celebrated for over two hundred years, and was sold during the reign of Louis XVI, King of France, for the enormous price of its own weight in silver.

CASCABELLA BARK.—For Diarrhea, Colic, and diseases of the stomach and bowels. DANDELION.—For Inflammation of the Lungs and Dropsical Affections.

CHAMOMILE FLOWERS.—For enfeebled digestion. LAVENDER FLOWERS.—Aromatic, stimulant and tonic—highly invigorating in nervous debility.

WINTERGREEN.—For Scrofula, Rheumatism, &c. ANISE.—An aromatic carminative; creating flesh, muscle and milk; much used by mothers nursing.

Also clove-buds, orange, caraway, coriander, snake-root, &c.

S.T-1860-X.

Another wonderful ingredient, of Spinae or gan, imparting beauty to the complexion and brilliancy to the mind, is yet unknown to the commerce of the world, and we withhold its name for the present.

With this recipe before the community, and evidences of effects meeting them on all sides, the success of Dr. Drake stands founded upon the rock of truth.

Notice.—Any person pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and impostor. It is put up only in our log cabin bottle. Beware of bottles refilled with imitation deleterious stuff, for which several persons are already in prison.

REDINGTON & CO., San Francisco. Agents for California and Nevada.

Mexican Mustang Liniment

The merits of this Liniment are well known. Its effects are instantaneous, soothing, and wonderful.

Cuts, bruises, sprains and swellings, are so common, and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.

It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.

READ THE FOLLOWING: "I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensable article for Sprains, Sores, Scrofula, or Galls on Horses. Our men have used it for Bruises, Sores, Rheumatism, &c., and all said it sets like magic."

For man or American, Wells, Fargo's and Harnden's Express.

"The sprain of my daughter's neck, occasioned while skating last winter, was entirely cured in one week, after she commenced using your celebrated Mustang Liniment."

Gloucester, Mass., Aug. 1, 1865.

Quick and sure it certainly is. A leguine is wrapped in steel-plate engravings, bearing the signature of G. W. Westcott, Chemist, and the private U. S. stamp of DEMAS BARNES & Co. over the top.

An effort has been made to counterfeit it with a cheap stone plate label. Look closely! Sold by all Druggists, and Stores, at 25 and 50 cts. and \$1.

Lyon's Flea Powder.

It is well known that Lyon's genuine Magnetic Powder will perfectly destroy everything in the shape of fleas, ticks, bedbugs, roaches, &c. It is perfect, poison to the insect tribe, but entirely harmless to the human species and domestic animals.

Bedbugs, Ants, Roaches, etc., are in every house. This Powder is their natural death.

John L. King, Esq., Superintendent of the New York City Hospital, says: "It is the only sure article we have ever used."

New York Hotel Proprietors say: "We have used LYON'S MAGNETIC POWDER for exterminating insects and vermin, with entire satisfaction."

Coleman & Stetson, Astor House. S. B. Parsons, American Hotel. Acker & Trevelock, St. Nicholas Hotel. S. L. Reed & Co., Metropolitan Hotel.

Tessalonica of this character ought to be added to any length. Wherever it is used it advertises itself.

The genuine has the signature of L. LYON, and the private stamp of DEMAS BARNES & Co. Anything else of this kind is an imitation or counterfeit. Any druggist will procure the genuine if you insist you will not be other.

Sold by all druggists and general storekeepers in every town and mining camp on the Pacific Coast.
