Private Medical Aid. Quick Cures and Moderate Charges. DR. W. K. DOHERTY.

Private Medical and Surgical Institute, SAN FRANCISCO.
Sacramento-st., Below Montgomery, Opposite Pacific Steamship Co's Office. Private Entrance, Leidesdorff Street.
ESTABLISHED expressly to afford the afflicted sound and scientific Medical Aid, in the treatment and cure of all Private and Chronic Diseases, cases of secrecy and all sexual disorders.

TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all Private Diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self abuse—Gonorrhoea, Gleet, Strictures, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., and he hopes that his long experience and successful practice will continue to insure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled, to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him, by letter or otherwise, will receive the best and gentlest treatment and implicit secrecy.

DR. DOHERTY would call attention to the following certificate, from one of his patients, who, having fully recovered his health, desires to make known his remedial agent. It will be seen that his statement is fully authenticated by a Notary Public.

The welfare of society imperiously demands its publicity, and it is given more to warn the unwary than to sound the praises of a Physician, of whom hundreds of like cases can be cited, during a practice of more than fifteen years.

The Doctor is no obscure or designing quack who has trumped certificates in order to deceive and entrap the unwary. He is known by thousands of persons to be prosecuting a regular, honorable and legitimate business.

Seminal Weakness—A Sworn to Certificate of a most Remarkable Cure of Spermatorrhoea

A desire to benefit suffering humanity, and a feeling of gratitude to Dr. W. K. DOHERTY, induces me to make this statement. For many years I had been afflicted with Spermatorrhoea, the result of self-abuse but till 1855 experienced but little trouble or inconvenience; in that year I had Seminal Weakness to a fearful extent, which was followed by alarming symptoms, such as weakness of the back and limbs, dimness of vision, nervousness, etc. My mind, too, was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but reading Dr. Doherty's advertisement, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last, I placed myself under his care; in one week I found myself very much improved, and now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles, and in the enjoyment of the best of health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself,
JAMES JOHNSTON,

Subscribed and sworn to before me, this 15th day of January, A. D. 1864.
[L. S.] **A. G. RANDALL,** Notary Public.

To Females.

When a female is in trouble, or afflicted with disease, such as weakness of the back and limbs, pain in the head, loss of muscular power, palpitation of the heart, nervousness, extreme urinary difficulties, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write at once to the celebrated Female Doctor, W. K. DOHERTY, at his Medical Institute, and consult him about their troubles and disease. Irregularities, suppressions, etc., will receive the Doctors' most particular attention. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies, whose delicate health or other circumstances prevent an increase in their families, should write or call at DR. W. K. DOHERTY'S Medical Institute, and they will receive every possible relief and help. The Doctor's offices, consisting of a suite of six rooms, are so arranged that he can be consulted without fear of observation.

To Correspondents. Patients (male or female) residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible. If the case be fully and candidly described, personal communication will be superceded, as instructions for diet, regimen, and the general treatment of the case itself (including the remedies) will be forwarded without delay and in such a manner as to convey no idea of the purport of the letter or parcel so transmitted. Consultations FREE. Permanent cure guaranteed or no pay. Address:

DR. G. W. BROWN,

Physician, Surgeon and Oculist, Located in PORTLAND, OREGON.

TO THE AFFLICTED OF OREGON.

Greeting: **DR. G. W. BROWN** still continues to treat the eyes. Surgical operations skillfully performed on the eyes for film, cataract, strabismus or cross eyes, and all operations that are regularly performed on the eyes. Many patients can be seen at his office in all stages of recovery. None need stay away, for a cure is certain in all the various diseases of the eyes. The Dr. would call the attention of the afflicted to the fact that he is prepared to treat the following diseases: Rheumatism in all its various forms, Liver Complaint, Dropsy, Tumours, Cancers and Fungoid Growths, wherever located, Bronchitis, Consumption, where a case is curable, and all various diseases of the human body.

The Dr. would call the attention of those who have injured themselves by improper indulgence, or are afflicted with loss of sexual powers, Seminal or Night Emissions, and all the horrid consequences of self abuse.

The Dr. would say to the public, that he has again commended the manufacture of his celebrated medicines for the benefit of those who are not in reach to get treatment. They can be had of all druggists and medicine dealers on the Pacific coast.

The Dr. does not claim for them, as much as is claimed by the manufacturers of patent medicines generally, that they will cure everything. They are only intended for what they say they will cure. They only pretend to cure one thing within itself, and no more, and it is sore to do so. A good recommendation for the medicine is found in its use.

List of Dr. G. W. BROWN'S Celebrated medicines. Blood and Liver Syrup, Lung Balsam, Eye Lotion, Liniment, Aque Care, Pain Eradicator, Vermifuge, Tonic Bitters, Pile Ointment, Specific Balsam for Gonorrhoea, Gleet, Strictures and Gravel, and all the various diseases of the kidneys and bladder.
