OREGON HERALD.

(THIRD YEAR)

The "Oregon Herald" is published by the "Oregon Herald Publishing Association," Daily and Weekly, in the City of Portland, No. 7, Washington Street.

Heriah Brown, Editor.

The Daily is issued every morning (Mondays excepted) It is delivered in the city at 37 1/2 cents per week, payable to the Carrier, and mailed to subscribers at \$10 a year. In politics the Herald is uncompromisingly Democratic, faithfully adhering to the Jeffersonian creed of equal and exact justice to all, special privileges to none, the support of the General Government in all its delegated powers, and the State Government in all their reserved rights—the Constitution as the only basis of Union and guarantee for our liberties and future safety. It will ever subordinate party to patriotism, and submit all political difference to the test of free and fair discussion, with perfect toleration. It is also devoted, in a great measure, to the special interests of the city and surrounding country—to developing and fostering the commercial, agricultural, manufacturing and mining resources, in the element in which Oregon and its neighboring Territories are so abundantly endowed by nature. It possesses all the available advantage of a first-class newspaper, having all the

Telegraphic Dispatches and general news, together with good local and commercial reports.

THE WEEKLY HERALD

(The Largest Newspaper in Oregon)

Is issued every Saturday morning, from the same office, at \$3 a year, payable in advance. It is printed on a large double sheet of eight pages, making forty eight columns of reading matter including all the telegraphic dispatches, political and general news, miscellaneous selections and commercial reports of the Daily, making a valuable family newspaper for all classes of society.

The publishers have the satisfaction of announcing positively that the experiment of establishing a first-class Democratic paper in Portland—which was regarded with so much doubt at the time—has proved a success. The Herald is now upon a firm basis, and its continuance is a guaranteed fact. This has only been accomplished by a large outlay of money by a few individuals, which can only be remunerated by the active exertions of the friends of the paper throughout the State. The cost to the paper of telegraphic dispatches alone, has been nearly \$50.00 for the past year—which is more than the entire expense of publishing any weekly newspaper in the State. No expense or effort will be spared to make the Herald in future second to none in the facilities of a first-class newspaper, and the assistance of all interested in the enterprise is confidently relied upon. The third year commences on the 14th of March, 1868.

PIANO-FORTE.

OUR LAST NEW ADDITION TO our different styles is attracting the admiration of both critics and purchasers. We mention specially, some of the claims of this new Piano. Believing the exterior should be as beautiful to the eye as melody is to the ear, we have paid great attention to getting them up in a style that is conceded by all who have seen them to be the handsomest Piano Forte made. They are an entirely new style, with four full round corners, heavily carved legs and lyre, base richly moulded, and contains our latest improved new scale and action. The tone is melodious, and its adaptability to passages of every shade of expression, from the softest murmurs, the Crescendo, and F.F. gives the Performer every advantage of the Concert and P. 21 1y

DR. G. W. BROWN

Private Medical Aid.

Quick Cures and Moderate Charges.

DR. W. K. DOHERTY,

Private Medical and Surgical Institute, SAN FRANCISCO.

Sacramento-st., Below Montgomery, Opposite Pacific Steamship Co's Office, Private Entrance, Leidesdorff Street.

ESTABLISHED expressly to afford the afflicted sound and scientific Medical Aid, in the treatment and cure of all Private and Chronic Diseases, cases of secrecy and all sexual disorders.

TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito Urinary Organs and all Private Diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self abuse.—Gonorrhoea, Gleet, Strictures, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., and he hopes that his long experience and successful practice will continue to insure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled, to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him, by letter or otherwise, will receive the best and gentlest treatment and immediate relief.

DR. DOHERTY would call attention to the following certificate, from one of his patients, who, having fully recovered his health, desires to make known his remedial agent. It will be seen that his statement is fully authenticated by a Notary Public.

The welfare of society imperiously demands its publicity, and it is given more to warn the unwary than to sound the praises of a Physician, of whom hundreds of like cases could be cited, during a practice of more than fifteen years.

The Doctor is no obscure or designing quack who has trumped certificates in order to deceive and entrap the unwary. He is known by thousands of persons to be prosecuting a regular, honorable and legitimate business.

Seminal Weakness—A Sworn to Certificate of a most Remarkable Cure of Spermatorrhoea

A desire to benefit suffering humanity, and a feeling of gratitude to Dr. W. K. DOHERTY, induced me to make this statement. For many years I had been afflicted with Spermatorrhoea, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience; in that year I had Seminal Weakness to a fearful extent, which was followed by alarming symptoms, such as weakness of the back and limbs, dimness of vision, nervousness, etc. My mind, to my affliction, to such an extent as seriously to impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfit for any duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but reading Dr. Doherty's advertisement, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last, I placed myself under his care; in one week I found myself very much improved, and now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles, and in the enjoyment of the best of health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself,

JAMES JOHNSTON,

Subscribed and sworn to before me, this 15th day of January, A. D. 1864.

A. G. RANDALL,

Notary Public.

To Females.

When a female is in trouble, or afflicted with disease, such as weakness of the back and limbs, pain in the head, loss of muscular power, palpitation of the heart, nervousness, extreme urinary difficulties, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write at once to the celebrated Female Doctor, W. K. DOHERTY, at his Medical Institute, and consult him about their troubles and disease. Irregularities, suppressions, etc., will receive the Doctors' most particular attention. Let no false delicacy prevent you, but apply immediately and save yourself from painful offerings and premature death. All Married Ladies, whose delicate health or other circumstances prevent an increase in their families, should write or call at DR. W. K. DOHERTY'S Medical Institute, and they will receive every possible relief and help.

The Doctor's offices, consisting of a suite of six rooms, are so arranged that he can be consulted without fear of observation.

To Correspondents.

Patients (male or female) residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty, and who think proper to submit a written statement of such in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible. If the case be fully and candidly described, personal communication will be superceded, as instructions for diet, regimen, and the general treatment of the case itself (including the remedies) will be forwarded without delay and in such a manner as to convey no idea of the purpose of the letter or parcel so transmitted.

Consultations FREE. Permanent cures guaranteed or no pay. Address:

DR. G. W. BROWN,

Physician, Surgeon and Oculist, Located

PORTLAND, OREGON.

TO THE AFFLICTED OF OREGON.

Greeting: Dr. G. W. BROWN still continues to treat the eyes. Surgical operations skillfully performed on the eyes or film, cataract, strabismus or cross eyes, and all operations that are regularly performed on the eyes. Many patients can be seen at his office in all stages of recovery. None need stay away, for a cure is certain in all the various diseases of the eyes. The Dr. would call the attention of the afflicted to the fact that he is prepared to treat the following diseases: Rheumatism in all its various forms, Liver Complaint, Dropsy, Tumors, Cancers and Fungoid Growths, wherever located, Bronchitis, Consumption where a case is curable, and all various diseases of the human body.

The Dr. would call the attention of those who have injured themselves by improper indulgence, or are afflicted with loss of sexual powers, Seminal or Night Emissions, and all the horrid consequences of self abuse.

The Dr. would say to the public, that he has again commenced the manufacture of his celebrated medicines for the benefit of those who are not in reach to get treatment. They can be had of all druggists and medicine dealers on the Pacific coast.

The Dr. does not claim for them, as much as is claimed by the manufacturers of patent medicines generally, that they will cure everything. They are only intended for what they say they will cure. They only pretend to cure one thing within itself, and no more, and it is sure to do so. A good recommendation for the medicine is found in its use.

List of Dr. G. W. BROWN'S Celebrated medicines. Blood and Liver Syrup, Lung Balsam, Eye Lotion, Liniment, Aque Cure, Pain Eradicator, Vermifuge, Tonic Bitters, Pile Ointment, Specific Balsam for Gonorrhoea, Gleet, Strictures and Gravel, and all the various diseases of the kidneys and bladder.

Remember that Dr. G. W. BROWN'S Office is in Carter's New Brick, Corner of Front and Alder Streets, up stairs.
