Radicalism Flayed.

The scorehing article published in the R. Y. Herald, appropos of the Syracus convention, is one of those occasional mer-It is well done. Radicalism is flayed up Would avail himself of this method of til its wicked old skin hangs in shrees, saying to BUIL DERS and others that and its hypocricy is left bare to the gaze of the public. It says:

"The resolution, adopted for the p And in fact everything in the shape of form of the party, are mere glittering Providence, that takes cognizance of generalities, utterly negative in character, guards and guides, and may favor particavoid in plain terms the real issues before ular persons, there is no motive to wor-Of a Quality not surpassed in Oregon, if the country, and in some respects mis- ship a Deity, to fear its displeasure, or represent facts."

Concerning the negro, so adroitly blink. surrouded by a dense Forest of largelear ed in the convention, and its approval of I shall only give you my opinion; and and Tender Yellow Firs; and much the reconstruction measures of Congress, the Herald continues ?

next November."

follows it up well with another punch in the bread basket, thus:

"It is hardly worth noticing the claptrap nonsense in the Syracuse platform about maintaining the public credit, and about the opposition conservative party disseminating principles of rebellion and repudiation, except it be to show how ridiculous all this is, and how hard push- just been published. It shows a total of ed these platform makers were fir mate. \$2651,381,685. During the short month. rial to work upon. Disseminating rebellion, for sooth! Why every vestage of re- 9,000,000, and the amount of eash in inbellion has been dead and buried several the treisury was diminished \$10,000,000, years. It is an insult to the common this decrease being in cour. Thus we're sense of the people to talk thus. And that the total increase of the debt in one was it not the democratic masses in this short month is about \$20,000,000. What city, state, and throughout the country, is to become of the country at that rate?that shouldered the musket to put down How long can we stand the expenditure of the rebellion? As to repudiation, no many millons to enable the radicals to try one thinks of it or desires it. The great the experiment of negro superemacy? leaders of the radical party, Thad. Dr Franklin on Infidelity.

When Paine had finished his "Age of Reason," he sent the mapuseript to Frank. lin, hoping to obtain his recommendation of the work. After carefully reading it itorious caprices characteristic of Bennett. Franklin sent it back with the following letter, which is worthy of being written in letters of gold, and sent to every family in the land:

DEAR SIR :- I have read your manu-

script with some attention. By the argument it contains against a particular to pray for its protection. I will not enter into any discussion of your principles though you seem to desire it. At present though you reasoning are subtile, and may prevail with some readers, you will not succeed so as to change the general "We know that this radical congress sentiments of mankind on that subject; has kept these states from being restored, and the consequence of printing this Caps, Boots and Shoes, and well nigh ruined them, for the put piece will be a great deal of odium drawn ardware. Nails. Glass, which is said by Mechanics to be superi pose of creating this barbarian negro bas upon yourself, mischief to you, and no benefit to others. He that spits against distranchisement of a large body of the the window spits in his own face. But We solicit a tria, and guaratee satisfac- white people of the south, with the mil were you to succeed do you imagine any itary despotism established there, and good will be done by it? You yourself with universal suffrage given to hundreds may find it easy to lead a virtuous life of thousands of negroes who hardly know without the assistance afforded by religtheir right hands from their left, the rade ion : you having a clear perception of the icals intend to hold the balance of power advantages of virtue and the disadvantaover a majority of the white people of the ges of vice, possessing a strength of resnorth. These radicals are aware that a clution sufficient to enable you to resist few hundred thousands of negro votes common temptations. But think how thrown into the scale of the presidential great a portion of mankind consists of election may make a balance to outweight ignorent men and women, and of inexpemillions of white voters of the north-grienced, inconsiderate youth of both sexes nay, in fact, carrying the Presidential el was have need of the motive religion to ection against a large majority of white restrain them from vice, support their northern voters. Yes, it is to make a virtue, and retain them in the practice of radical President through the negro bal-lit till it becomes habitosl, which is the northern citizens that these so called re-you are indebted to her, originally, that construction measures have been adopted is to your religion education, for the habby a radical congress. Hence the par-lits of virtue upon which you now justly ly in Lafayette and invites the atten- ty convention at Syracuse declares its ap-gvalue yourself. You might easily display proval of these measures. Against this your excellent talent of reasoning upon a atrocious negro supremacy policy con-less hazardous subject, and thereby obtain servative element of the country will be a rank with our most distinguished auarrayed, and it is probable that even the thors. For among as it is not necessary once popular name of Grant will not save as among the Hotteatots, that a youth, to the party which has inaugurated such a be raised into the company of men, should repulsive policy, from defeat. Gen. Scott, prove his manhood by beating his mother another popular general, was overwhelm. I would advise you therefore not to atngly defeated by a little local politician, cempt unchaining the tiger, but to burn when a great principle was involved, and this piece before it is seen by any other unless the people have become greatly person, whereby you will save yourself demoralized a similar result may be seen a great deal of mortification from the nemics it may raise against you, and Truth, every word; but the Heral' Berhaps a good deal of regret and repen-
