A great French Pyisician savs: " More han half of the disease in the world comes rom neglect to fortify the system against changes of climate, weather and food. The' greatsecret of health is to keep the condition' of the Stomach and Bloom regular and uniform, so that changes from Heat to Cold, from Dry to Damp, etc., cannot upset 15, machinery of the body, and breed diseasee, Now, it is a fact, positive and well known that there is no such bulwark and assistant or the stomach as

PLANTATION BITTERS. This splendid Tonic is now used by all classes of people for every symptom of

Stomach out of order." The secret of it is this! Plantation Bittets ire certain to correct the juices of the Stomach, set all its machinery at work, and enable it to resist and throw off the approaching danger. The tendency of the operations of Nature is always towa ds a cure; all she needs is a ittle assistance at the proper time. How

ich more reasonable and sensible it is to tor along with a gentle, yet powerful l'onic, . 'to deluge and weaken and defeat her curative processes with poisonous drugs and fiery mixtures, which only stupefy and plant the seeds of disease and death.
