During the last week, LaFayette was unusually enlivened by political discussion between some of the prominent men of the State.

The Hon. B. Hayden and C. G. Curtiss opened the ball in able efforts, and were followed in the evening by Alanson Smith Esq. of Portland, in a long, dry and pointless speech of near three hours in which the only eloquent or noteworthy passages were extracts from other orator men.

The next day Mr. Sullivan led off with his usual ability, ingenuity and shrewdness, and was followed in the evening by Mr. Curt in a withering, scathing answer; after which old Ben. came in upon the great black-and-tan like a thunder storm in the Alps.

Our young friend, D. B. Turney, has furnished us full reports of the speeches of these gentlemen, for which we return our thanks. We shall take occasion, in the future, to publish portions of the efforts of Hayden and Curt, and will examine the sophistry of Sullivan.

MAGIC WASHING POWERS.—We were presented with a box of this washing composition, and the madam is now testing it. From the statements of Mrs. Chana Mrs. Dr. White and others this powder is superior to any thing they have ever tried. When we have fully tested it we shall speak of it as we shall think it deserves.

JUDGE BOISE.—The Albany Democrat passed the Judge of this district the following well merited compliment.

Last week, in the midst of a very exciting trial, and when scores of witnesses were in attendance, it was announced that Judge Boise was so ill as to be unable to hold Court on that day. The next day, however, he appeared in the Court room, quite pale and prostrated, and proceeded to business when he really should have been in bed. We take this occasion to say—and it affords us unfeigned pleasur to be able to do so—that we believe Judge Boise to be an able, honest and incorruptible dispenser of justice—a clear headed interpreter of the laws, and one, therefore who honors the position he so worthily fills. We respect and admire any man who, in these days of official corruption and decay of public virtue, discharges his public duties as impartially and justly as does Judge Boise these devote on him as Judge of the Third Judicial District. We trust his life and health may be long continued; for to lose him now would be a public calamity.

Wendell Phillips is not yet satisfied with Grant.

What more would you have Mr. P. Has he not eat dirt enough, told lies enough and drank whiskey enough, to satisfy the God and morality party?

LAW BUSINESS.—We have joined with us in the practice of the law D. Gaby, Esq. a young man of superior, talent, temperate industrious and every way worthy, which will enable us to devote ample attention to law business.

Maj. Jack Stratman is always ahead, if he furnishes you papers they are in advance of all others.

The Pendleton democrats urge the repudiation of the national debt as the best way of getting rid of the burden of taxation.—Rock Island Union.

This is a deliberate falsehood. They advocate the paying the bonds according to the terms of the contract itself—in greenbacks. Men were thrown into prison for attempting to depreciate them, when they were just issued. Now when the contract between the high contracting parties was to pay in greenbacks, why not do so?

D. M. McKinney, a lawyer of Oregon city, who has since the war acted with the republican party has published a strong letter in the Herald, in which he signifies his intention to support the Democratic cause and ticket in the future.

Mr. K. is universally regarded as an honest man, and a lawyer of fair ability. We welcome him into the ranks of the white man's party.

The National Debt.

The National debt foots up as follows: Whole debt in Dec. about \$3,000,000,000. Stolen by contractors quarter masters, commissaries, etc \$50,000,000. Interest on nontaxable bonds \$5,000,000. Divers other comparatively trifling stealing, amounting in the aggregate to \$50,000,000. Debt added in Jan. \$12,000,000. Debt in Feb. 10,000,000.

It is pretty well ascertained that the debt will increase at the rate of about \$10,000,000 every month as long as the radicals are in power. The people will comprehend this in time.

God grant that their information may not come too late.

"I will say that I am not nor never was in favor of making Voters of negroes, qualifying them to hold office, nor to inter-marry with white people, and I will say in addition to this that there is a physical difference between the white and black races, which I believe will forbid the two races living together on terms of social and political equality. I, as much as any other man, am in favor of having the superior position assigned to the white race."—Ab. Abner Lincoln.

BY TELEGRAPH

New York, April 15.—The Herald has a special to the effect that a Radical conspiracy is on foot to extend the term of the President's office to ten years, and strip the Supreme Court of the power to pass upon the constitutionality of the acts of Congress, elect Grant in the doubtful States by the Jaynet, and cause unlimited inflation of the currency by the national banks.

CHANGE OF PROGRAMME.—The Republican Union Convention, at Salem, on the 24th inst. nominated David Logan, as their candidate for Congress. What a great change has come over the ruling spirit of the party, who has hitherto claimed to be the God and Morality party and on all occasions, have charged the Democracy with intemperance and immorality. How is it now; how will the antecedents of Logan compare with those of the Democratic candidate, J. S. Smith; will there not be a great waste of time and intellect in the attempt to obtain the vote and influence of the Temperance and Good Templar lodges, for this new convert and candidate, David Logan, who has been nominated not from choice but from necessity?

It is a fair presumption that it will not be possible to use those organizations as originally intended, that is to transfer them to the support of the Republican nominee for Congress. How can it be possible that the many worthy, moral Good Templars who have publicly declared that they would not support for office an intemperate man, can now when the opportunity presents itself, vote for such a man as Logan over Joe Smith, who as a temperate and moral man, stands without a blemish. ALL OVER

The world people of sense and judgment have learned to use

Plantation Bitters.

Dyspepsia, with its symptoms, Headache, Heartburn, Febrish Lips, Bad Breath, Sallow Complexion, &c., can be cured by using PLANTATION BITTERS.

This is the most successful tonic of the age. Young, middle-aged and old, are delighted with its effects.

The first trial always has a marked good effect. No change of diet is necessary. Eat all you wish, of the best and most nutritious food. It is the greatest cure ever known for an overworked and distressed stomach, which it relieves in a few moments.

We know that we have the best and most popular medicine in the world. We are not afraid to show what it is composed of.

Physicians are compelled to recommend it. CALSAYA BARK has been administered for over two hundred years, and was sold during the reign of Louis XVI, King of France, for the enormous price of its own weight in silver. It is remarkable for Dyspepsia, Fevers, Weakness, Constipation, &c.

CASCABELLA BARK.—For Diarrhea, Colic and diseases of the stomach and bowels.

DANDELION.—For Inflammation of the Lungs and Dropsical Affections.

CHAMOMILE FLOWERS.—For enfeebled digestion.

LAVENDER FLOWERS.—A cooling, stimulant and tonic—highly invigorating in nervous debility.

WINTERGREEN.—For Scrofula, Rheumatism, &c.

ANISE.—An aromatic carminative; creating flesh, muscle and milk; much used by mothers nursing.

Also clove-buds, orange, cayaway, coriander, snake-root, &c.

S.T.1860-X.

Another wonderful ingredient, of Spanish origin, imparting beauty to the complexion and brilliancy to the mind, is yet unknown to the commerce of the world, and we withhold its name for the present.

With this recipe before the community, and evidences of effects meeting them on all sides, the success of Dr. DRAKE stands founded upon the rock of truth. Almost every family has some case of suffering which the PLANTATION BITTERS will alleviate and cure.

They are recommended by the highest medical authorities, and are warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

Notice.—Any person pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and impostor. It is put up not only in our log cabin bottle, but in bottles of various sizes, and in imitation of the original, to which several persons are already in prison. See that every bottle has our United States stamp over the cork unguiltiated, and our signature on steel-plate side label.

Sold by respectable dealers throughout the habitable globe.

Mexican Mustang Linctament

The merits of this Linctament are well known. Its effects are instantaneous, soothing, and wonderful.

Cuts, bruises, sprains and swellings, are so common, and certain to occur in every family, that a bottle of this Linctament is the best investment that can be made.

It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.

READ THE FOLLOWING: "I take pleasure in recommending the Mexican Mustang Linctament as a valuable and indispensable article for Sprains, Sore Throats, or Calfs Horns. Our men have used it for Burns, Bruises, Sores, Rheumatism, &c., and all say it acts like magic."

J. W. HEWITT, Foreman for American Wells, Fargo's, and Harnden's Express.

"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after strenuous use of your celebrated Mustang Linctament."

Ed. Smith, Gloucester, Mass., Aug. 1, 1867.

Bedbugs, Ants, Roaches, &c., are in every house. This Powder is a fatal death, and should be in every cupboard.

John L. Ryan, Esq., Superintendent of the New York City Hospital, writes: "It is the only hair article we have ever used."

New York Hotel, Librarians say: "We have used it."
