in this country and Europe.

These world renowned machines were

awarded the first prize. Ten Pounds Ster-

ling, at the Great Quadrangular Trial at

Great National Field Trial, held at Auburn,

N. Y., in July, 1866, the First Premium

While it retains all the advantages which

has made it so universal a favorite, is greatly

improved by the addition of

Steel Lined Guards.

New Pitman Connections,

and Spring Seat.

Making it a perfect machine. The lightest

draft, the most durable, and at the same time

the most simple, and best cutting machine

in the world.

The Self-Rake Reaper!

Is justly called the "Victor of every country."

It is constructed on the most scientific

principles. The New Mowing Attachment

gives general satisfaction and makes one
