**TO THE AFFLICTED OF EYE**  
giving Greeting: Dr. G. W. BROWN will continue to treat the eyes. Surgical operations skillfully performed on the eyes or film, cataract, strabismus or cross eyes and all operations that are regularly performed on the eyes. Many patients can be seen at his office in all stages of recovery. None need stay away, for a cure is certain in all the various diseases of the eye. The Dr. would call the attention of the afflicted to the fact that he is prepared to treat the following diseases: RHEUMATISM in all its various forms, Liver Complaint, Dropsy, Tumors, Cancer and Fungoid Growths, wherever located, Bronchitis, Consumption where a case is curable, and all various diseases of the human body.

The Dr. would call the attention of those who have injured themselves by improper indulgence, or are afflicted with loss of sexual powers, Seminal or Night Emissions, and all the horrid consequences of self-abuse. The Dr. would say to the public, that he has again commenced the manufacture of his celebrated medicines for the benefit of those who are not in reach to get treatment. They can be had of all druggists and medicine dealers on the Pacific coast.

The Dr. does not claim for them, as much as is claimed by the manufacturers of patent medicines generally, that they will cure everything. They are only intended for what they cure one thing within itself, and no more, and it is sure to do so. A good recommendation for the medicine is found in its use.  
List of Dr. G. W. BROWN'S Celebrated medicines. Blood and Liver Syrup, Lung Balsam, Eye Lotion, Liniment, Acne Cure, Pain Eradicator, Vermifuge, Tonic Bitters, Pile Ointment, Specific Balsam for Gonorrhoea, Gleet, Strictures and Gravel, and all the various diseases of the kidneys and bladder.

Remember that Dr. G. W. BROWN'S Office is in Carter's New Brick, Corner of Front and Alder Streets, up stairs.

The Merchants' & Manufactory  
**JEWELRY ASSOCIATION**  
Calls your attention to the fact of its being the largest and most popular Jewelry Association in the United States. The business is and always has been conducted in the most candid and honorable manner. Our rapidly increasing trade is a sure guarantee of the appreciation of our patrons for this method of obtaining rich, elegant and costly goods. The sudden stagnation of trade in Europe, owing to the late German war, and recent disastrous financial crisis in Europe, has caused the failure of a large number of Jewelry houses in London and Paris, obliging them to sell their goods at a great sacrifice, in some instances less than one-third the cost of manufacturing. We have lately purchased very largely of these Bankrupt Goods at such extremely low prices that we can afford to send away Finer Goods, and give better chances to draw the most valuable prizes than any other establishment doing a similar business. OUR AIM IS TO PLEASE, and we respectfully solicit your patronage, as we are confident of giving the utmost satisfaction. During the past year we have forwarded a number of the most valuable prizes to all parts of the country. Those who patronize us will receive the full value of their money, as no article on our list is worth less than one dollar, retail, and there are no Blanks. Parties dealing with us may depend on having prompt returns, and the article drawn will be immediately sent to any address by return mail or express.

The following parties have recently drawn prizes from the Merchants' and Manufacturers' Jewelry Association, and have kindly allowed use of their names:
