**Oregon Redeemed.**

DEMOCRATIC MAJORITY  
 1500.

Keep the ball rolling.

Dear beloved brederin' ob de bla  
 sation, Sing de Sokdolager and be Jo  
 Smised, by gibin'

ONE BRAY FOR MARION, WASHING  
 TON, YAMHILL and TILLAMOOK—de  
 gers-bleb Counties ob de State.

Rejoice, Columbia's sons, rejoice;  
 To tyrants never bow the knee.

Just before election, David, votes, it seemed  
 were most with you;  
 While through press and stump your lying  
 kept the true issues from view.  
 Democratic patriot heroes, filled with  
 thoughts of home and God,  
 Knew, full well, that if defeated, truth would  
 sleep beneath the sod.  
 Farewell, Logan! You will never  
 Be sent back to Baker's grave.  
 Grant, with you, goes up "salt-river"  
 To sink beneath oblivion's wave.

Oh we love to see you David and your black  
 allies at home,  
 Cowed, discomfit 'neath our banner, while  
 in joy our cannons boom.  
 Tell the mongrels round you David, that  
 their work on earth is done.  
 Truth and error joined in battle. Error's  
 dead, and truth has won.  
 Farewell David! Let us ever  
 Know that virtue, truth and right  
 Will prevail. That error never  
 Conquers truth in the great fight.

Dark! I hear the bugle sounding. 'Tis the  
 signal for the fight.  
 In November, God protect us as he ever  
 does the right.  
 Hear the white man's cry of union? How  
 it swells upon the air!  
 Yes, well rally around his standard, and if  
 need be perish there.

Democratic strong grip clasping  
 Mongrel's throats, cut off their breath.  
 Grant and Colfax now are gasping.  
 In the last wild throats of death.

**PROGRESS OF THE WAR.**

We have met the enemy and they are  
 ours. The people have become surfeited  
 with the wild fanaticism and extravagance  
 of a party to which they were warmly at-  
 tached, and to which they clung, long,  
 too long for their own good and that of  
 their fellow-citizens, hoping, against hope,  
 that at each succeeding step, their party  
 would right itself and once more endeavor  
 to maintain national principles that would  
 meet their approval.

But their wildness and folly, and ex-  
 travagance increased, and the people saw  
 they must assist in the dismemberment  
 and destruction of an empire and liberty  
 or bring themselves into companionship  
 with the negro and chinamen if they  
 kept the radical party in power. Having  
 once determined that their own party was  
 wrong and could not be righted, they  
 looked about for a party of correct prin-  
 ciples with which to affiliate, when the  
 old party of law and order—the Democ-  
 racy presented itself as pure gold, tried  
 in the fires.

Then the spirit of '76—devotion to  
 liberty, was newly awakened, and with  
 the feeling that fills the breast of the  
 wanderer as he sees his old home, where  
 rests the loved ones, they rushed into the  
 ranks of the white man's party, and by  
 our united strength our State was re-  
 deemed.

Let us be joyful for our successes, thus  
 far, but let us remember that the victory  
 is not fully won until we plant the old  
 Democratic banner on the capitol of the  
 nation. Strike up the drums; rally boys  
 rally once again. On with our victorious  
 columns. The majority of the Northern  
 States are already in our possession. Cal-  
 l your men; strengthen your lines boys.  
 Onward for the Austertiz against the  
 mongrel horde, and let the shout go up  
 from the great Democracy of the United  
 States in November next "Veni vibi  
 vici."

 cial and estimate, in the State:

Washington		147
Yamhill		20
Total	2027	537
Smith's majority	1430	

Upton repub. is elected Judge in the  
 fourth Dist. and Mosher Dem. in the  
 second. Curl is probably defeated in  
 this Dist. and Reed, Dem. elected in the  
 fourth over Gibbs.

In the next Legislature there will  
 probably be Seven Republican and fifteen  
 Democratic Senators, several republican  
 Senators holding over. In the House,  
 thirty-two Democrats to fifteen repub's.

**REPUBLICAN GOVERNMENT IN MISSISSIPPI.**

"Jackson (Miss), April 31.—Quite an  
 emeute occurred in the Mississippi Con-  
 vention last week. The Convention by a  
 vote of 44 to 25, adopted a franchise ar-  
 ticle, which sweepingly disfranchises all  
 who participated in the rebellion, except  
 all persons who aided in reconstruction by  
 voting for this Convention, but allows the  
 Legislature to remove the disabilities by  
 a two-third vote."

That's the way to have a republican  
 form of government. First disfranchise  
 about nineteen twentieths of the whites  
 and then remove the disabilities from  
 those who will vote the republican ticket,  
 but forever disfranchise those who would  
 vote the Democratic ticket.

This mode of securing a republican  
 form of government is so simple, and yet  
 so certain, that we suggest that Congress  
 and Grant apply for a patent.

You have only to declare that those  
 who do not vote with you for Grant and  
 other bummers have no right to vote at  
 all.

Try it in Mississippi and if it works well,  
 grid out republican governments every  
 where.

WEN DEL PHILLIPS, in his last speech  
 speaking of General Grant, says: "A  
 nation now suffering from a presidential  
 demagogue, stands ready to commit the  
 helm for the next four years, to a suc-  
 cessful soldier, for whom his warmest  
 friends dare not claim that he has any  
 ideas—whose drunkenness in the streets  
 of Washington is not denied—and who  
 has not yet condescended to let the coun-  
 try know which side of the great question  
 of reconstruction his convictions, (if he  
 has any, lead him to take."

**The Salem Railroad Company.**

This Company like the P. T. Co seem  
 disposed to fasten themselves upon the  
 patronage of the State House at Salem,  
 I. R. Moores, President of the Company  
 is private Secretary to the Governor, as-  
 sistant Secretary of State and Clerk to School  
 Commissioners. Gov Woods is a Director.  
 E. N. Cooke State Treasurer and Vice  
 President P. T. Company is another Direc-  
 tor, Tom Patton, acting State Treasurer  
 and Director in P. T. Co, is another  
 Director, Sam Clarke Secretary of the  
 Company, is a general hanger  
 on at the State House. The Company  
 occupies rooms and furniture paid for by  
 the State, with fuel, Stoves and other  
 ictas furnished by the tax payers as in the  
 case of the P. T. Co.

It will be one of the first duties of the  
 Democratic Legislature to clean out the  
 State offices, and drive away the bummers  
 who are leeching and speculating upon the  
 State Treasury.

When a black-and-tan has done, or is  
 about to do a very bad act, he puts on an  
 additional quantity of the trash of radi-  
 calism to make the fires of patriotism  
 burn high by which he may launch forth  
 maledictions against all opponents, carry  
 the war into Africa, and keep the scouts  
 from his own door. Thus Forney who is  
 accused by Senator Cameron of being a  
 defaulter to the government to the amount  
 of \$40,000, puts on an extra amount of  
 loyalty and screams at the top of his voice  
 against "copperheads" and Johnson,  
 Quack! quack!! quack!!! ducey, for  
 you and yours are nigh into death.

**The Oregon Sentinel says:**

"It is hard to judge their motives; but  
 it is quite probable that the unpopularity  
 of Senator Wade, who would have suc-  
 ceeded to the Presidency, in case of John-  
 son's conviction, had much to do with the  
 final vote"

"Motives" heigh? Motives of a judge or  
 jurymen in rendering a verdict of guilt  
 or innocence of one arraigned for trial.  
 This is the way radicals act in every  
 thing they do. Motives, and selfish ones  
 at that, have led the black-and-tans in  
 their wild fanatical and corrupt legisla-  
 tion and when one of their party has the  
 honesty to rise above motives and honest-  
 ly and conscientiously discharge his  
 duties, in surprise their partizans inquire  
 what motives could influence him to,  
 such an act?

If the Southern negroes can get no oth-  
 er food, they have at least a plenty of  
 food for reflection. But that may sit a  
 little hard upon their stomachs.

 ELASTIC STITCH  
 FAMILY  
 SEWING MACHINES.  
 Are the best in Use,  
 FOR THE FOLLOWING REASONS:

They are more simple and durable  
 easier kept in order, make a stronger  
 and more elastic stitch, a firmer and  
 more beautiful seam than any other.  
 They sew all fabrics from two com-  
 mon grades, require no re-winding of  
 thread, fashion both sides of the seam  
 by their own operation, and though  
 every fifth stitch is cut the seam will  
 not rip.

They Stitch, Hem, Fell,  
 Cord, Bind, Tuck, Quilt,  
 Gather, Braid, and Em-  
 broider. No other ma-  
 chine Embroiders, as well  
 as Sew perfectly.

**PACIFIC BUSINESS COLLEGE.**

MECHANIC'S INSTITUTE,  
 POST STREET,  
 Between Montgomery & Kearney,  
 SAN FRANCISCO.

The importance of a thorough and prac-  
 tical business training for those who contem-  
 plate entering the mercantile profession, is  
 too well known to require much comment.  
 Without such knowledge, the young mer-  
 chant will become involved in many em-  
 barrassments which might otherwise be  
 avoided. The youthful aspirant will find  
 himself surrounded by inextricable diffi-  
 culties, both in seeking a situation, and in the  
 discharge of its duties after employment is  
 obtained. To have received instruction at a  
 mercantile college, endorsed by the lead-  
 ing merchants of the city, is more effective  
 in winning the favor and confidence of a  
 business firm, than all the letters of intro-  
 duction which friends can give. The

**Pacific Business College**

maintains a reputation for thoroughness and  
 systematic training, far surpassing that of  
 any other similar institution on the Pacific  
 coast. Most of the leading merchants of  
 this city have employed graduates from  
 this College, and bear testimony to the  
 practical efficiency of the course here pre-  
 scribed. The system of actual practice  
 embraces all the varied operation of real  
 business. A LADIES' DEPARTMENT has  
 lately been added to this popular institute.  
 This spirit of enterprise cannot fail to draw  
 forth the well-wishes of the public.

We, the undersigned, merchants and busi-  
 ness men of San Francisco, California, are  
 at the present time, employing men who have  
 completed the prescribed course of study at  
 the Pacific Business College, and we take  
 pleasure in stating that we have found them  
 well posted in accountancy and the gen-  
 eral principles of business, showing conclu-  
 sively that they have been subject to a  
 thorough drill in those important matters  
 by experienced and competent instructors.  
 We cheerfully recommend the College as  
 being in our opinion, an institution of in-  
 trinsic merit, and well worthy of the con-  
 fidence and support of the community.
