TIEWELBY ASSO. MINICIPATION Calls your attention to the fact of its being the largest and most popular Jewelry. Assoclation in the United States. The business is and always has been conducted in the most candid and honorable manner. Our rapidly increasing trade is a sure guarantee of the appreciation of our patrons for this method of obtaining rich, elegant and costly goods. The sudden stagnation of trade in Europe. owing to the slate German war, and recent disastrous financial crisis in Europe, has caused the failure of a large number of Jewel ry houses in London and Paris, obliging them to sell their goods at a great sacrifice, in some instances less than one-third the cost of manufacturing. We have lately pur chased very largely of these Bankrupt Goods' at such extremely low prices that we can afford to send away Finer Goods, and give better chances to draw the most valuable prizes than any other establishment doing a similar business. OUR AIM IS TO PLEASE, and we respectfuly solicit your patronage, as we are confident of giving the nable prizes to all parts of the country Those who patronize us will receive the fail value of their money, as no article on our list is worth less than one dollar, retail, and there are no Blanks.
