CORN AND HOGS.

From careful conducted experiments by different persons, it has been ascertained that one bushel of corn will make a little over ten and one-half pound of pork, gross; taking the result as a basis, the following deductions are made, which all our farmers would do well to lay by for a convenient reference, that—

When corn sells for 12½ cents per bushel, pork costs 1½ cents per pound.

When corn costs 17 cents per bushel, pork costs 3 cents per pound.

When corn costs 25 cents per bushel, pork costs 3 cents per pound.

When corn costs 33 cents per bushel, pork costs 4 cents per pound.

When corn costs 50 cents per bushel, pork costs 5 cents a pound.

The following statement shows what the farmer realized in his corn when sold in the form of pork.

When pork sells for 3 cents per pound it brings 25 cents per bushel in corn.

When pork sells for 4 cents per pound it brings 22 cents per bushel in corn.

When pork sells for 5 cents per pound, it brings 45 cents per bushel in corn.

Sacramento—St. Below Montgomery, Opposite Pacific Steamship Co's Office. Private Entrance, Leidesdorff Street ESTABLISHED expressly to afford the afflicted sound and scientific Medical Aid, in the treatment and cure of all Private and Chronic Diseases, cases of secrecy and all sexual disorders.

TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito Urinary Organs and all private Diseases, viz; Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self abuse—Gonorrhoea, Gleet, Strictures, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the back and Loins, Inflammation of the Bladder and Kidneys, etc, and he hopes that his long experience and successful practice will continue to insure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled, to apply the most efficient and successful remedies against disease of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him, by letter or otherwise, will receive the best and gentlest treatment and implicit secrecy.

DR. DOHERTY would call attention to the following certificate, from one of his patients, who, having fully recovered his health desires to make known his remedial agent. It will be seen that his statement is fully authenticated by a Notary Public.

The Doctor is no obscure or designing quack who has trumped certificates in order to deceive and entrap the unwary. He is known by thousands of persons to be prosecuting a regular, honorable and legitimate business.

Seminal Weakness.—A sworn to Certificate of a most Remarkable Cure of Spermatorrhoea

A desire to benefit suffering humanity and a feeling of gratitude to Dr. W. K. DOHERTY, induces me to make this statement. For many years I had been afflicted with Spermatorrhoea, the result of self-abuse but till 1855 experienced but little trouble or inconvenience; in that year I had Seminal Weakness to a fearful extent, which was followed by alarming symptoms, such as weakness of the back and limbs, dimness of vision, nervousness, etc. My mind, to be affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfit for any duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but reading Dr. Doherty's advertise ment, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last, I placed myself under his care; in one week I found myself very much improved, and now, after five weeks' treatment, I feel myself throughly cured of all my troubles, and in the enjoyment of the best of health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself,

JAMES JOHNSTON, Subscribed and sworn to before me, this 15th day of January, A. M. 1864. [L. S.] A. G. RANDALL, Notary Public.
