

enterprises. It is reasonable to presume that a discontinuance is in consequence of unlooked for opposition, unless all evidences be to the contrary.

The opposition to the **Yamhill-ian** was inaugurated by a stranger who is an adventurer in this community, and was not expected by me, and embraced within its limits those whom I thought had more honor. I could show, in this connection, if I were inclined to give way to feeling, just grounds of complaint against certain individuals. It is, indeed, very hard to have an enterprise of the kind slain in the house of pretended friends.

After great labor, I have just secured the subscription of the required \$1,000. And now, through the influence of this "new broom," certain parts are "weakened," and refuse to advance as they agreed: and I would sooner fail, than to divide and distract the **Union party**.

But, grumbling will not mend the matter; and it is perhaps wise to say but little by way of condemnation, at this time. Neither will I now inquire as to where the failure rests—but will content myself by saying, I feel that my skirts are clear. And after devoting three months of time to the work, and wearing out all my clothes, and spending all my money, I will try to give up the enterprise gracefully, and seek employment in some other field.

To those who have shown me kindnesses, I here and now return my most sincere and hearty thanks, and promise to remember them in a more prosperous and better day, should I live to see such a day. I trust that those who fed, sheltered, encouraged and assisted me may be more successful than I have been.

In conclusion, I now say to my Agents, (all of whom I loved, so far as I can learn, all that could have been expected or desired; and all of whom went about the enterprise with energy and earnestness,) that I feel grateful to them for the interest they took in my behalf; and that I now most respectfully request them to refund to subscribers the amounts they paid respectively, and thereby greatly favor and oblige.

KEEP THE BALL ROLLING.—A lone lorn widder is going around among our people, trying to secure a class in the noble science of "dress cutting." If you don't employ her and "if the court knows herself, and she thinks she do" you are presumed not to have money enough to pay her price \$54. Subscribers will take notice that this thrust is so near true that it hurts our "speech links." We took a bottle of "Stipp's Thoracic Balsam" and Standley's soothing syrup and are cured. Amen and amen.

PACIFIC BUSINESS COLLEGE,
MECHANIC'S INSTITUTE,
POST STREET,
Between Montgomery & Kearny,
SAN FRANCISCO.

The importance of a thorough and practical business training for those who contemplate entering the mercantile profession, is too well known to require much comment. Without such knowledge, the young merchant will become involved in many embarrassments which might otherwise be avoided. The youthful aspirant will find himself surrounded by inextricable difficulties, both in seeking a situation, and in the discharge of his duties after employment is obtained. To have received instruction at a mercantile college, endorsed by the leading merchants of the city, is more effective in winning the favor and confidence of a business firm, than all the letters of introduction which friends can give. The

Pacific Business College
maintains a reputation for thoroughness and systematic training, far surpassing that of any other similar institution on the Pacific coast. Most of the leading merchants of this city have employed graduates from this College, and bear testimony to the practical efficiency of the course here prescribed. The system of actual practice embraces all the varied operation of real business. A LADIES' DEPARTMENT has lately been added to this popular institute. This spirit of enterprise cannot fail to draw forth the well-wishes of the public.

Address for all information,
VINSONHALER & DE LAGUNA,
A. CARD.

We, the undersigned, merchants and business men of San Francisco, California, are at the present time, employing men who have completed the prescribed course of study at the Pacific Business College, and we take pleasure in stating that we have found them well posted in accountancy and the general principles of business, showing conclusively that they have been subject to a thorough drill in those important matters by experienced and competent instructors. We cheerfully recommend the College as being in our opinion, an institution of intrinsic merit, and well worthy of the confidence and support of the community.

Dr. Julien Perrault, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptist Society of San Francisco.

Dr. Perrault has pleasure to inform patients, and others seeking confidential medical advice that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco, Rooms Numbers 9, 10, 11, first floor, up stairs; entrance on either Montgomery or Sacramento streets.

Dr. Perrault's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility. The results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exist involving the happiness of a lie and that of others, reason and morality dictate the necessity of its removal; for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients laboring under the complaint will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are weakened, Loss of Memory ensues. Ideas are clouded and there is a disinclination to attend to business or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain and numbness of the body; some of the most common symptoms are pimples in the face and aching in different parts of the body.

Patients suffering from this disease should apply immediately to Dr. Perrault, either in person or by letter, as he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from Venereal disease in any stage, Gonorrhoea, Gleet, Stricture, Scurvy, Ulcers, Cutaneous Eruptions, etc., will be treated successfully; all Syphilitic and Mercurial taints entirely removed from the System.

Dr. Perrault's Diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under Chronic diseases can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody; but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor and that advertised physicians till worn out and discouraged to call upon us.

LOW CHARGES AND QUICK CURES.

A great French Physician, says: "Morhan half of the disease in the world comes from neglect to fortify the system against changes of climate, weather and food. The great secret of health is to keep the condition of the Stomach and Blood regular and uniform, so that changes from Heat to Cold, from Dry to Damp, etc., cannot upset the machinery of the body, and breed disease. Now, it is a fact, positive and well known that there is no such bulwark and assistant to the stomach as

PLANTATION BITTERS.

Important Certificates.

This splendid Tonic is now used by all classes of people for every symptom of a "Stomach out of order!"

The secret of it is this: Plantation Bitters are certain to correct the juices of the Stomach, set all its machinery at work, and enable it to resist and throw off the approaching danger. The tendency of the operation of Nature is always toward a cure; all she needs is a little assistance at the proper time. How much more reasonable and sensible it is to help her along with a gentle, yet powerful Tonic than to deluge and weaken and defeat her curative processes with poisonous drugs and fiery mixtures, which only stupefy and plant the seeds of disease and death. be... I owe much to you, for I have loved the Plantation Bitters have saved my life. Rev. W. H. WAGGONER, Madrid, N. Y.

"... Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use. Thy friend, Asa CURRAN, Philadelphia, Pa."

"... I have been a great sufferer from Dyspepsia, and had to abandon preaching... The Plantation Bitters have cured me. Rev. J. S. CATHERS, Rochester, N. Y."

"... I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect. G. W. D. ANDREWS, Superintendent Soldiers' Home, Cincinnati, O."

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted Nature's great restorer. The public may rest assured that in no case will the perfectly pure standard of the PLANTATION BITTERS be departed from. Every bottle bears the fac-simile of our signature on a steel plate engraving, or it cannot be genuine.

Any person pretending to sell PLANTATION BITTERS in bulk or by the gallon, is a swindler and impostor. Beware of refilled bottles. See that our Private Stamp is UNMUTILATED over every cork. Sold by all Druggists, Grocers and Dealers throughout the world. P. H. DRAKE & CO., New York, Sole Proprietors. REDINGTON & CO., 410 and 418 Front-st. San Francisco. Agents for California and Nevada.
