G. W. Brown,
Physician, Surgeon and Oculist, Located
PORTLAND, OREGON.

TO THE AFFLICTED OF ORE-
gon, Greeting: DR. G. W. BROWN

will continue to treat the eyes. Surgical
operations skillfully performed on the eyes
or film, cataract, strabismus or cross eyes
and all operations that are regularly per-
formed on the eyes. Many patients can be
seen at his office in all stages of recovery.

None need stay away, for a cure is certain
in all the various diseases of the eyes. The
Dr. would call the attention of the afflicted
to the fact that he is prepared to treat the
following diseases: Rheumatism in all its
various forms, Liver Complaint, Dropsy,
Tumors, Cancers and Fungoid Growths,
wherever located, Bronchitis, Consumption
where a case is curable, and all various dis-
eases of the human body.

The Dr. would call the attention of those
who have injured themselves by improper
indulgence, or are afflicted with loss of sex-
ual powers, Seminal or Night Emissions, and
all the horrid consequences of self abuse.

The Dr. would say to the public, that he
has again commenced the manufacture of
his celebrated medicines for the benefit of
those who are not in reach to get treatment.

They can be had of all druggists and medi-
cine dealers on the Pacific coast.

The Dr. does not claim for them, as much
as is claimed by the manufacturers of patent
medicines generally, that they will cure
everything. They are only intended for
what they say they will cure. They only
pretend to cure one thing within itself, and
no more, and it is sure to do so. A good
recommendation for the medicine is found in
its use.

Private Medical Aid.
Quick Cures and Moderate Charges.
DR. W. K. DOHERTY.

SAN FRANCISCO

Sacramento—St. Bolow Montgomery,
Opposite Pacific Steamship Co's Office.

Private Entrance, Leidesdorff Street

ESTABLISHED expressly to afford the
afflicted sound and scientific Medical Aid,
in the treatment and cure of all Private and
Chronic Diseases, cases of secrecy and all
sexual disorders.

TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sin-
cere thanks to his numerous patients for their
patronage, and would take this op-
portunity to remind them that he continues
to consult at his Institute for the cure of
chronic diseases of the Lungs, Liver, Kid-
neys, Digestive and Genito. Urinary Organs,
and all private Diseases, viz: Syphilis in
all its forms and stages, Seminal Weakness,
and all the horrid consequences of self abuse
—Gonorrhoea, Gleet, Strictures, Nocturnal
and Diurnal Emissions, Sexual Debility,
Diseases of the back and Loins, Inflammation
of the Bladder and Kidneys, etc., and he
hopes that his long experience and success-
ful practice will continue to insure him a
share of public patronage. By the practice
of many years in Europe and the United
States, he is enabled, to apply the most
efficient and successful remedies against
disease of all kinds. He uses no mercury,
charges moderate, treats his patients, in a
correct and honorable way, has references of
unquestionable veracity from men of known
respectability and high standing in society.
All parties consulting him, by letter or oth-
erwise, will receive the best and gentlest
treatment and implicit secrecy.

DR. DOHERTY would call attention to
the following certificate, from one of his pa-
tients, who, having fully recovered his health
desires to make known his remedial agent.
It will be seen that his statement is fully
authenticated by a Notary Public.

The Doctor is an obscure or designing
quack who has trumped certificates in order
to deceive and entrap the unwary. He is
known by thousands of persons to be pro-
secuting a regular, honorable and legitimate
business.

Seminal Weakness—A sworn to Certificate
of a most remarkable Cure of Spermatorrhea

A desire to benefit suffering humanity
and a feeling of gratitude to Dr. W. K.
DOHERTY, induces me to make this state-
ment. For many years I had been afflicted
with Spermatorrhea, the result of self abuse
but till 1855 experienced but little trouble
or inconvenience; in that year I had Semi-
nal Weakness to a fearful extent, which
was followed by alarming symptoms, such
as weakness of the back and limbs, dimness
of vision, nervousness, etc. My mind, to
was affected to such an extent as to seri-
ously impair my memory; my ideas were con-
fused and spirits depressed. I was averse
to society, had evil forebodings and self-
distrust, and was entirely unfitted for any
duties of life. From 1855 to the summer of
1863, I employed the very best medical tal-
ent I could find, but in no instance obtained
more than temporary relief. I had about
concluded there was no relief for me in this
world, but reading Dr. Doeherty's advertise-
ment, I determined to try him, though I did
not expect much benefit from his treatment.

On the 5th of December last, I placed my
self under his care; in one week I found
myself very much improved, and now, after
five weeks' treatment, I feel myself thor-
oughly cured of all my troubles, and in the en-
joyment of the best of health. Hoping that my
experience may be of benefit to others simi-
larly afflicted, I subscribe myself.

JAMES JOHNSTON

Subscribed and sworn to before me, on
15th day of January, A. M. 1864.

[L. S.] A. G. RANDALL,
Notary Public.

To Females.

When a female is in trouble, or afflicted
with disease, such as weakness of the back
and limbs, pain in the head, loss of muscular
power, palpitation of the heart, nervousness,
extreme urinary difficulties, general debility
vaginitis, all diseases of the womb, hysteria
sterility, and all other diseases peculiar to
females, they should go or write at once to
the celebrated Female Doctor, W. K. DO-
HERTY, at his Medical Institute, and con-
sult him about their troubles and diseases.
Irregularities, suppression, etc. will require
the Doctor's most particular attention. Let
no false delicacy prevent you, but apply im-
mediately and save yourself from painful
suffering and premature death. All Married
Ladies, whose delicate health or other cir-
cumstances prevent an increase in their
family, should write or call at Dr. W. K.
DOHERTY'S Medical Institute, and they
will receive every possible relief and help.
The Doctor's office, consisting of a suite of
six rooms, are so arranged that he can be
consulted without fear of observation.

TO CORRESPONDENTS

Patients (male or female) residing in any
part of the State however distant, who may
desire the opinion and advice of Dr. Doeherty,
and who think proper to submit a written
statement of such, in preference to holding
a personal interview, are respectfully assured
that their communication will be held most
sacred. Dr. Doeherty takes this opportunity
of observing, that all letters are only opened
and replied to by himself and the latest and
promptly as possible. If the case be full
and candidly described, personal communica-
tion will be superfluous, as instructions for
diet, regimen, and the general treatment of
the case itself (including the remedies) will
be forwarded without delay and in such a
manner as to convey no idea of the purport
of the letter or parcel so transmitted.

Consultation FREE. Permanent cures
guaranteed or no pay. Address sent every-
where.
