Dr. Perrault's studies have been almost
exclusively devoted to the cure of the var-
ious forms of Nervous and Physical Debility.
The results of injurious habits acquired in
youth, which usually terminate in impotence
and sterility, and permanently induce all
the concomitants of old age. Where a se-
cret infirmity exist involving the happiness
of a life and that of others, reason and mor-
ality dictate the necessity of its removal;
for it is a fact that premature decline of the
vigor of manhood, matrimonial unhappiness
compulsory single life, etc., have their
sources in causes, the germ of which is plant-
ed in early life, and the bitter fruit tasted
long afterward, patients laboring under
this complaint will complain of one or more
of the following symptoms: Nocturnal Emis-
sions, Pains in the Back, Weakness of Mem-
ory and Sight, Discharge from the Urethra
on going to stool or making water, the In-
tellectual Faculties are weakened, Loss of
Memory ensues, Ideas are clouded and there
is a disinclination to attend to business or
even to reading, writing or the society of
friends, etc. The patient will probably com-
plain of Dizziness, Vertigo, and that Sight
and Hearing are weakened and sleep dis-
turbed by dreams, melancholy, sighing,
palpitations, faintings, coughs and slow
fever; while some have external rheumat-
ic pain and numbness of the body; some of
the most common symptoms are pimples in
the face and aching in different parts of the
body.

Patients suffering from this disease should
apply immediately to Dr. Perrault, either
in person or by letter, as he will guarantee
a cure of Seminal Emissions and Impotence
in six to eight weeks.

Patients suffering from Venereal disease in
any stage, Gonorrhoea, Gleet, Stricture, Sore
Bubo Ulcers, Cutaneous Eruptions, etc.,
will be treated successfully; all Syphilitic
and Mercurial taints entirely removed from
the System.

Dr. Perrault's Diplomas are in his office,
where patients can see for themselves that
they are under the care of a regularly edu-
cated practitioner. The best references
given if required.

Patients suffering under Chronic disease,
as can call and examine for themselves.
We invite investigation; claim not to know
everything, nor to cure everybody; but we
do claim that in all cases taken under treat-
ment we fulfill our promises.—We particu-
larly request those who have tried this
boasted doctor and that advertised physi-
cians till worn out and discouraged to call
upon us.

cidental to their sex can consult the Doctor

G. W. Brown.
*Physician, Surgeon and Oculist. Located
PORTLAND, OREGON.*
**TO THE AFFLICTED OF ORE-
gon. Greeting:** Dr. G. W. BROWN
will continue to treat the eyes. Surgical
operations skillfully performed on the eye
or film, cataract, strabismus or cross eyes
and all operations that are regularly per-
formed on the eyes. Many patients can be
seen at his office in all stages of recovery.
None need stay away, for a cure is certain
in all the various diseases of the eyes. The
Dr. would call the attention of the afflicted
to the fact that he is prepared to treat the
following diseases: Rheumatism in all its
various forms, Liver Complaint, Dropsy,
Tumors, Cancer and Fungoid Growths,
wherever located, Bronchitis, Consumption
where a case is curable, and all various dis-
eases of the human body.

The Dr. would call the attention of those
who have injured themselves by improper
indulgence, or are afflicted with loss of sex-
ual powers, Seminal or Night Emissions, and
all the horrid consequences of self abuse.

The Dr. would say to the public, that he
has again commenced the manufacture of
his celebrated medicines for the benefit of
those who are not in reach to get treatment.
They can be had of all druggists and medi-
cine dealers on the Pacific coast.

The Dr. does not claim for them, as much
as is claimed by the manufacturers of patent
medicines generally, that they will cure
everything. They are only intended for
what they say they will cure. They only
pretend to cure one thing within itself, and
no more, and it is sure to do so. A good
recommendation for the medicine is found in
its use.

Chronic Diseases, cases of secrecy and all

TO THE AFFLICTED.
Dr. W. K. DOHERTY returns his sin-
cere thanks to his numerous patients for
their patronage, and would take this op-
portunity to remind them that he continues
to consult at his Institute for the cure of
chronic diseases of the Lungs, Liver, Kid-
neys, Digestive and Genito-Urinary Organs,
and all private Diseases, viz: Syphilis in

—Gonorrhoea, Gleet, Stricture, Nocturnal
and Diurnal Emissions, Sexual Debility,
Diseases of the back and Loins, Inflammation
of the Bladder and Kidneys, etc, and he
hopes that his long experience and success-
ful practice will continue to insure him a
share of public patronage. By the practice
of many years in Europe and the United
States, he is enabled, to apply the most
efficient and successful remedies against
disease of all kinds. He uses no mercury,
charges moderate, treats his patients in a
correct and honorable way, has references of
unquestionable veracity from men of known
respectability and high standing in society.
All parties consulting him, by letter or other-
wise, will receive the best and gentlest
treatment and implicit secrecy.

Dr. DOHERTY would call attention to
the following certificate, from one of his pa-
tients, who, having fully recovered his health
desires to make known his remedial agent.
It will be seen that his statement is fully
authenticated by a Notary Public.

The Doctor is no obscure or designing
quack who has trumped certificates in order
to deceive and entrap the unwary. He is
known by thousands of persons to be prose-
cuting a regular, honorable and legitimate
business.

**Seminal Weakness—A sworn to Certificate
of a most Remarkable Cure of Spermatorrhea**
A desire to benefit suffering humanity
and a feeling of gratitude to Dr. W. K.
DOHERTY, induces me to make this state-
ment. For many years I had been afflicted
with Spermatorrhea, the result of self-abuse
but till 1855 experienced but little trouble
or inconvenience; in that year I had Semi-
nal Weakness to a fearful extent, which
was followed by alarming symptoms, such
as weakness of the back and limbs, dimness
of vision, nervousness, etc. My mind, to
be affected to such an extent as to serious-
ly impair my memory; my ideas were con-
fused and spirits depressed. I was averse
to society, had evil forebodings and self-dis-
trust, and was entirely unfit for any du-
ties of life. From 1855 to the summer of
1858, I employed the very best medical tal-
ent I could find, but in no instance obtained
more than temporary relief. I had about
concluded there was no relief for me in this
world, but reading Dr. Doherty's advertise-
ment, I determined to try him, though I did
not expect much benefit from his treatment.
On the 5th of December last, I placed my
self under his care; in one week I found
myself very much improved, and now, after
five weeks' treatment, I feel myself thor-
oughly cured of all my troubles, and in the en-
joyment of the best of health. Hoping that my
experience may be of benefit to others simi-
arly afflicted, I subscribe myself,
JAMES JOHNSTON

Subscribed and sworn to before me, this
15th day of January, A. M. 1864.
[s.] A. G. RANDALL,
Notary Public.

and limbs, pain in the head, loss of muscular
power, palpitation of the heart, nervousness

ical sterility, and all other diseases peculiar
to females, they should go or write at once to
the celebrated Female Doctor, W. K. DO-
HERTY, at his Medical Institute, and consult
him about their troubles and diseases.
Irregularities, suppression, etc will receive
the Doctors' most particular attention. Let
no false delicacy prevent you, but apply im-
mediately and save yourself from painful
suffering and premature death. All Married
Ladies, whose delicate health or other cir-
cumstances prevent an increase in their
families, should write or call at Dr. W. K.
DOHERTY'S Medical Institute, and they
will receive every possible relief and help.

six rooms, are so arranged that he can be

sacred. Dr. Doherty takes this opportunity
of observing, that all letters are only opened
and replied to by himself and the latter a
promptly as possible. If the case be full
and candidly described, personal communi-
cation will be superceded, as instructions for
diet, regimen, and the general treatment of
the case itself (including the remedies) will
