tients, and others seeking confidential medi-

East corner Montgomery and Sacramento  
streets, San Francisco, Rooms Numbers 9,

Dr. Perrault's studies have been almost  
exclusively devoted to the cure of the  
various forms of Nervous and Physical Debility.

The results of injurious habits acquired in  
youth, which usually terminate in impotence  
and sterility, and permanently induce all  
the concomitants of old age. Where a se-  
cret infirmity exist involving the happiness  
of a life and that of others, reason and mor-  
ality dictate the necessity of its removal  
if it is a fact that premature decline of the  
vigor of manhood, matrimonial unhappiness,  
compulsory single life, etc., have their  
sources in causes, the germ of which is plant-  
ed in early life, and the bitter fruit tasted  
long afterward; patients laboring under  
this complaint will complain of one or more  
of the following symptoms: Nocturnal Emis-  
sions, Pains in the Back, Weakness of Mem-  
ory and Sight, Discharge from the Urethra  
on going to stool or making water, the In-  
tellectual Faculties are weakened, Loss of  
Memory ensues, Ideas are clouded and there  
is a disinclination to attend to business or  
even to reading, writing or the society of  
friends, etc. The patient will probably com-  
plain of Dizziness, Vertigo, and that Sight  
and Hearing are weakened and sleep dis-  
turbed by dreams, melancholy, sighing,  
palpitations, faintings, coughs and slow  
fever; while some have external rheumat-  
ic pain and numbness of the body; some of  
the most common symptoms are pimples in  
the face and aching in different parts of the  
body.

Patients suffering from this disease should  
apply immediately to Dr. Perrault, either  
in person or by letter, as he will guarantee  
a cure of Seminal Emissions and Impotence  
in six to eight weeks.

Patients suffering from Venereal disease  
in any stage, Gonorrhoea, Gleet, Stricture,  
Bubo Ulcers, Cutaneous Eruptions, etc.,  
will be treated successfully; all Syphilis  
and Mercurial taints entirely removed from  
the System.

Dr. Perrault's Diplomas are in his office,  
where patients can see for themselves that  
they are under the care of a regularly edu-  
cated practitioner. The best references  
given if required.

**G. W. Brown,**  
Physician, Surgeon and Oculist, Located

**TO THE AFFLICTED OF ORE-

will continue to treat the eyes. Surgical  
operations skillfully performed on the eyes  
or film, cataract, strabismus or cross eyes  
and all operations that are regularly per-  
formed on the eyes. Many patients can be  
seen at his office in all stages of recovery.

None need stay away for a cure is certain  
in all the various diseases of the eyes. The  
Dr. would call the attention of the afflicted  
to the fact that he is prepared to treat the  
following diseases: Rheumatism in all its  
various forms, Liver Complaint, Dropsy,  
Tumors, Cancers and Fungoid Growth,  
wherever located, Bronchitis, Consumption  
where a cure is curable, and all various dis-  
eases of the human body.

The Dr. would call the attention of those  
who have injured themselves by improper  
indulgence, or are afflicted with loss of sex-  
ual powers, Seminal or Night Emissions, and  
all the horrid consequences of self abuse.

The Dr. would say to the public, that he  
has again commenced the manufacture of  
his celebrated medicines for the benefit of  
those who are not in reach to get treatment.  
They can be had of all druggists and medi-  
cine dealers on the Pacific coast.

The Dr. does not claim for them, as much  
as is claimed by the manufacturers of patent  
medicines generally, that they will cure  
everything. They are only intended for  
what they say they will cure. They only  
pretend to cure one thing within itself, and  
no more, and it is sure to do so. A good  
recommendation for the medicine is found in  
its use.

Quick Cures and Moderate Charges.  
DR. W. K. DOHERTY.

Sacramento—St. Belev Montgomery,  
Opposite Pacific Steamship Co's Office,  
Private Entrance, Leidesdorff Street

ESTABLISHED expressly to afford the  
afflicted sound and scientific Medical Aid,  
in the treatment and cure of all Private and  
Chronic Diseases, cases of secrecy and all  
sexual disorders.

TO THE AFFLICTED.  
DR. W. K. DOHERTY returns his sin-  
cere thanks to his numerous patients for  
their patronage, and would take this op-  
portunity to remind them that he continues  
to consult at his Institute for the cure of  
chronic diseases of the Lung, Liver, Kid-  
neys, Digestive and Genito- Urinary Organs  
and all private Diseases, viz; Syphilis in  
all its forms and stages, Seminal Weakness,  
and all the horrid consequences of self abuse  
—Gonorrhoea, Gleet, Strictures, Nectural  
and Durnal Emissions, Sexual Debility,  
Diseases of the back and Loins, Inflammation  
of the Bladder and Kidneys, etc, and he  
hopes that his long experience and success-  
ful practice will continue to insure him a  
share of public patronage. By the practice  
of many years in Europe and the United  
States, he is enabled, to apply the most  
efficient and successful remedies against  
disease of all kinds. He uses no mercury,  
charges moderate, treats his patients in a  
correct and honorable way, has references of  
unquestionable veracity from men of known  
respectability and high standing in society.  
All parties consulting him, by letter or ad-  
vice, will receive the best and greatest  
treatment and implicit secrecy.

DR. DOHERTY would call attention to  
the following certificate, from one of his pa-  
tients, who, having fully recovered his health  
desires to make known his remedial agent.  
It will be seen that his statement is fully  
authenticated by a Notary Public.

The Doctor is no obscure or designing  
quack who has trumped certificates in order  
to deceive and entrap the unwary. He is  
known by thousands of persons to be possess-  
ing a regular, honorable and legitimate  
business.

**Seminal Weakness—A sworn to Certificate**  
of a most Remarkable Cure of Spermatorrhoea

A desire to benefit suffering humanity  
and a feeling of gratitude to Dr. W. K.  
DOHERTY, induces me to make this state-  
ment. For many years I had been afflicted  
with Spermatorrhoea, the result of self abuse  
but till 1855 experienced but little trouble  
or inconvenience; in that year I had Seminal  
Weakness to a fearful extent, which was  
followed by alarming symptoms, such as  
weakness of the back and limbs, dimness,  
of vision, nervousness, etc. My mind, to  
be affected to such an extent as to seri-  
ously impair my memory; my ideas were con-  
fused and spirits depressed. I was averse  
to society, had evil forebodings and self-  
distrust, and was entirely unfit for any  
duties of life. From 1855 to the summer of  
1857, I employed the very best medical ad-  
vice I could find, but in no instance obtained  
more than temporary relief. I had almost  
concluded there was no relief for me in this  
world, but reading Dr. Doherty's advertise-  
ment, I determined to try him, though I did  
not expect to benefit from his treatment.

On the 5th of December last, I placed my  
self under his care; in one week I found  
myself very much improved, and, after  
five weeks' treatment, I feel myself thor-  
oughly cured of all my troubles, and in the enjoy-  
ment of the best of health. Hoping that my  
experience may be of benefit to others simi-  
larly afflicted, I subscribe myself,  
JAMES JOHNSTON.

Subscribed and sworn to before me, this  
15th day of January, A. M. 1864.  
[L. S.] A. G. RANDALL,  
Notary Public.

**To Females.**  
When a female is in trouble, or afflicted  
with disease, such as weakness of the back  
and limbs, pain in the head, loss of muscular  
power, palpitation of the heart, nervousness,  
extreme urinary difficulties, general debility,  
vaginitis, all diseases of the womb, hysterical  
sterility, and all other diseases peculiar to  
females, they should go or write at once to  
the celebrated Female Doctor, W. K. DO-  
HERTY, at his Medical Institute, and con-  
sult him about their troubles and diseases.  
Irregularities, suppression, etc, will receive  
the Doctors' most particular attention. Let  
no false delicacy prevent you, but apply im-  
mediately and save yourself from painful  
suffering and premature death. All Married  
Ladies, whose delicate health or other cir-  
cumstances prevent an increase in their  
families, should write or call at Dr. W. K.  
DOHERTY'S Medical Institute, and they  
will receive every possible relief and help.  
The Doctor's office, consisting of a suite of  
six rooms, are so arranged that he can be  
consulted without fear of observation.

**TO CORRESPONDENTS**  
Patients (male or female) residing in any  
part of the State however distant, who may  
desire the opinion and advice of Dr. Doherty  
and who think proper to submit a written  
statement of such, in preference to holding  
a personal interview, are respectfully assured  
that their communication will be held most  
sacred. Dr. Doherty takes this opportunity  
of observing, that all letters are only opened  
and replied to by himself and the latter as  
promptly as possible. If the case be full  
and candidly described, personal communi-  
cation will be superfluous, as instructions for  
diet, regimen, and the general treatment of  
the case itself (including the remedies) will  
be forwarded without delay and in such a  
manner as to convey no idea of the purport  
of the letter or parcel so transmitted.
