ing to be known as the PAINE MEMORI-AL HALL, as a testimonial to the great services of THOMAS PAINE in the strug-gle for American Independence, and for Universal Mental Freedom. Said building to be suitable for stores, business offices, a Hall for Free Dicussion, Lectures Amuse-ments, and finally, an office for the business purposes of the Boston Investigator. To accomplish this, we need the assistance and contributions of all the friends of Payne and of the Investigator, and believing our readers and other Liberals to be of that numbor on whom we may rely, we ask their aid assistance by contributing liberally them-selves and inducing others to do so. Sub-serptions will be acknowledged in the col-umns of the Investigator. We have labor-ed under many disadvantages during our connection with the Investigator, in provid-ing suitable accommodations for our business and in securing a Hall for our Paine Cele-bration, and we appeal now to a Liberal bration, and we appeal now to a Liberal public to come forward and help us to se-cure a permanent place for business and for Friends, Brothers, Sisters, the hour will

some when we must cease from our labor. The cause that the Proprietor and Editor of the Boston Investigator have expended their lives in, is an earnest voucher that not for self slone, but for humanity, they have worn away a life-time. And we invite all our friends to zealous and prompt action, as advancing age indicates that time waits for none. We all feel solicitous that our works shall live after we retire; and that our advo-cate of Freedom, our sturdy old *Investiga-*tor, may still, for generations to come, sound our rallying cry_"For all Peoples, and all lands, forever Liberty."
