Extirminating Plant Lice.

Many house plants, even during the winter months, will often be covered with untold numbers of insects, some of which are scarcely perceptible to the naked eye.

RENOVATING OLD ORCHARDS.—As soon as the first symptom of failure in old orchards appears, they should, in addition to good cultivation, be freely manured in connection with the application of lime or leached ashes.

"I opened between these tree trenches, say ten feet in length, two feet in depth, and about eight feet equi-distant from tree to tree.

SCIENTIFIC FARMER.—The man who produces the largest yield to the area cultivated, with the least expense, and increases the fertility of his soil, is the most scientific farmer, however ignorant he may be of the fact.

Nearly all dairymen now unite in the opinion that milk is injured for any purpose by being cooled too suddenly, as by the use of ice or the employment of patent appliances.

A Maine man asked to be excused from serving on a jury, saying "he is so deaf that he cannot hear it thunder, and is not very ambitious."

GIBBE'S SECTION.—Stephen Girard used to say in his old days: "I have always considered advertising liberally and long to be the great medium of success in business, and the prelude to wealth. And I have made it an invariable rule to advertise in the briefest time as well as the briefest, long experience having taught me that money thus spent is well laid out, and by continually keeping my business before the public it has secured many a sale that I otherwise would have lost."

Keep Your Name before the Public. Judicious Advertising will insure a Fortune.

If Business is Dull, Advertise. If Business is brisk, Advertise. The man who didn't believe in advertising has gone into partnership with the Sheriff, and that official does the advertising.

Vinegar Bitters are not a vile Fancy drink, made of Poor Bran, Whisky, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the pure roots and herbs of California, free from all Alcoholic Stimulants.

For Bilious Complaints, in young or old, married or single, at the dawn of the morning, or at the time of the day, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gonorrhea, Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Spleen and Bladder, these Bitters have been most successful. Such Diseases are cured by Vilitated Blood, which is generally produced by derangement of the Digestive

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Boils, Spots, Eruptions, Pimples, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scabies, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever nature, are happily dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases convinces the most incredulous of their curative effects.

Cleanse the Vilitated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is impure in the blood; keep the blood pure, and the health of the system will follow.

Pin, Tape and other Worms, the cause of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is no animal or vegetable in the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of medicine, no verminicides, no antiseptics, will free the system from worms like these Bitters.

Mechanical Diseases.—Persons engaged in Painting and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advanced in life, are subject to paralysis of the Bowels. To guard against this disease a dose of WALKER'S VINEGAR BITTERS twice a week.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscous matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled neck, Sore Throat, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c., &c. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

The Aperient and mild Laxative properties of Dr. WALKER'S VINEGAR BITTERS are the best safeguard in cases of eruptions and malignant fevers. Their balsamic, healing, and soothing properties protect the humors of the system, and by resolving the tubercular deposits the affected parts receive health, and a permanent cure is effected.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.
